MANY ACCLAMATIONS IN WESTERN ONTARIO MUNICIPAL ELECTIONS HELD YESTERDAY

Soldiers' Memorial Bylaws Defeated in Several Places—Little Interest Shown by Electors.

Only in a few instances is a real live interest reported to have been shown in the Western Ontario municipal elections held yesterday. A regrettable feature shown by the reports was the defeat, in the majority of places where the ratepayers voted on a soldiers' memorial hall, of the bylaw. HOME TREATMENT FOR BAD COLDS

A Method Which Promises Relief in a Single Night.

Colds probably cause more trouble than any other single ailment. They also probably lead to more serious forms of disease than any other common complaint to which human beings are subject.

The secret in overcoming a cold is getting at it in its early stages. Here home treatment is effective, whereas if it is allowed to develop so that the bronchial tubes or lungs are affected, it is advisable to summon medical aid.

For home treatment of colds and grippe there is no remedy equalling Grip Fix for prompt results. It is a compound of Quinine, Salol, Caffein Citrate, Cascara and Camphor Monobromate. This treatment for colds is universally advised by physicians as not only prompt in action, but also leaving no after effects to be overcome. The action keeps the system open, checks the fever, allays the pain in the muscles, opens up the head and tones up every organ of the system.

If Grip Fix is taken according to directions—two capsules every 2 hours for 6 hours and one capsule thereafter, the sufferer gets relief from even a bad cold in a night, while 48 hours is usually sufficient for Grippe. When buying it be sure to get Reid's Grip Fix with the ingredients noted on the box, as there is no substitute which approaches it. On sale at 35 cents per box at all druggists.

HELLO BRINK! IS ELECTED MAYOR OF RAILWAY CITY, 1920

Mayor's Opponent Refused To Shake Hands At Meeting Last Night.

FIRST WOMAN TRUSTEE

Mrs. J. McCully Given Third Place in Poll Yesterday.

ST. THOMAS, Jan. 5.—The municipal elections here today were the most interesting in years and, while the result was not a surprise, the vote polled was the highest on record. Ald. Frank L. Brinkman, yardmaster of the Pere Marquette Railway and eleven years an alderman in the city, was the successful candidate in the mayoralty contest, winning the three-cornered fight with a majority of 61 over Ald. Sanders and 317 over Ald. Handford.

The Labor slate indorsed by the Trades and Labor Council was ignored entirely and every candidate was defeated.

Mrs. Joseph McCully was elected to the school board by a good majority, and holds the distinction of being the first woman trustee to sit on the local board of education. Rev. J. W. L. Andrew headed the polls, with Dr. I. E. Bennett a close second. Mrs. McCully took third place, with Trustee Johnson fourth. In the water commission, ex-Mayor George Geddes was defeated by a majority of over 100, his opponent, Albert Roberts, being the successful candidate.

There will be several new faces in the council this year. Ald. Meehan was re-elected after a year's absence from the council chamber, Mr. Meehan, in his address stated jokingly that he did not know that he belonged to the U. F. O., but his recall showed that he had at least one plank of that famous platform. Charles S. Butler, Robert Middleton, William A. McIntyre, George Hill, are all new members of the council. Ald. Lane, prominent labor man, and nominee of the Labor party for the Dominion House, was defeated, even in the railwaymen's special booth.

The bylaws authorizing a loan of $10,000 for the Elgin Handle Company, was defeated.

The most sensational occurrence of the day, however, happened at tonight's meeting, when each of the newly-elected councillors and the defeated candidates were allowed to give a five-minute speech. Ex-Mayor Horton occupied the chair, and Mayor-Elect Brinkman was the first speaker called, next came Ald. Handford, the defeated candidate. On reaching the front of the hall, Mayor-Elect Brinkman extended his hand to shake hands with his opponent, but Ald. Handford, after hesitating a moment, ignored the proffered hand, and walked by with his head in the air. The audience looked on with amazement. Ald. Handford then left the hall, and on meeting a representative of The Advertiser commenced in no mild terms to denounce the press and everyone connected with it.

"I have nothing to regret," he stated. "I was defeated by a dirty crooked deal. I never saw such an unfair deal or such rotten treatment in my life," he added. He told The Advertiser that he would not dirty his hands to punch the head of the man who wrote a lengthy letter appearing in the local press on Saturday last, criticizing the gas works. "But," he added significantly, "wait till I get a look at him; he won't forget me in a hurry."

DR. CURTIS HEADS LIST.

The aldermen-elect and their standing fololws: Dr. Curtis, 1,725; C. E. Raven, 1,473; F. A. Lamond, 1,364; W. A. McIntyre, 1,132; M. H. Penhale, 1,196, George Hill, 1,050; A. Taylor, 1,065; C. A. Walker, 996; C. S. Butler, 996; Pat Meehan, 1,022; Middleton, 941. The standing may be altered, as the railwaymen's vote had not been added in the first three names at the time of filing.

The vote for mayor stood: Brinkman, 1,033; Sanders, 972; Handford, 716. Water commission figures and those of trustees had not been completed, but Roberts was elected to the water board by a hundred majority, and the trustees as above stated. The defeated aldermanic candidates are Rowland, Schram, Roberts, Burger, Brooks and Lane (all Labor), and Thompson, Lang and Beal, Independent.

MACBRIDE GIVEN A THIRD TERM AS CHIEF MAGISTRATE

Labor Party Candidates Make Poor Showing in Brantford Elections.

BRANTFORD, Jan. 5.—Mayor MacBride was elected here today for a third term when he defeated Alderman English in a four-cornered fight. The contest was the closest waged here in years, the mayor-elect having a plurality of about 200 over his nearest opponent. Only when a few of the outlying divisions were heard from was the issue settled. Ex-Mayor Bowlby and Alderman Andrews followed in the race, both polling a light vote.

The ratepayers were today deluged with ballots, property owners being supplied with no less than twelve when they entered the polls. They did not take kindly to it, if the vote on the bylaws was any indication. Money bylaws to provide $185,000 to the Brantford Hospital, and $20,000 to the Brant Sanatorium were carried only by a narrow margin, and a bylaw for a new bridge across the Grand River at a cost of $211,000 also was indorsed. Early reports indicated the defeat of both measures. The bylaws to provide $15,000 for a soldiers' home and $3,000 for the furnishing of quarters to the army and navy veterans were both decisively beaten, as was also the proposal to establish a municipal milk depot.

I. P. L. Defeated.

For the water commission David Washley was elected over A. G. Montgomery and Arthur Ames. He resigned as engineer during the year. For street railway W. R. Turnbull received a large majority over S. G. MacKlim, Labor, and Dr. Elliott. For the hydro commission Andrew McFarland was re-elected, defeating Ald. Bragg and A. J. Howling, Labor. The aldermanic results were as follows: Ward 1, W. Ballantyne, John Hill, Arthur Harp; ward 2, J. Kelly, A. Lister, J. T. Burrows; ward 3, T. E. Ryerson, F. C. Harpe, S. S. Stedman; ward 4, W. H. Freeborn, John Allen, C. Trumper; ward 5, R. M. Wedlake, H. Simpson, Fred Billot.

For the board of education the following were successful in a big field: Miss Mary Colter, Mrs. Ballachey, H. Atwell and Rev. C. E. Jeakins. There were no soldier candidates in today's contests, but the I. L. P. had a slate for every ward and outside of the mayoralty and water commission encountered defeat.

WATER MAIN BREAKS QUEBEC IS SHORT

QUEBEC, Jan. 5.—Quebec City today is experiencing a shortage of water through a bad break in the large 40-inch main. The fissure was located four miles out of the city, and is attributed to the extreme cold that has prevailed since Saturday. Water is distributed at different intervals to the various wards from the old mains.

NO FRENCH TRADE TILL PRISONERS FREE

LIMOGES, France, Jan. 5.—Replying to a request for a price on a machine to be used for the making of cardboard boxes for shoes, a Leipzig dealer wrote to a local manufacturer that he would be unable to supply the machine. His reason was that "German manufacturers have taken a resolution not to supply goods to France until German prisoners of war are released."
