The Fruit Market.

The market on Saturday was unusually active and the wharf presented a busy appearance. Prices were fair and the demand for Canadian was exceedingly lively.

A carload of strawberries arrived early in the morning and easily brought from 5c to 7c per box. The quality is excellent and holders had no difficulty in selling.

Cherries are coming in slowly and the demand is not very active. A few baskets sold at $1, a better quality bringing $1.25. The quality is hardly up to the standard and holders consequently hurried off their stock.

The sale of gooseberries was not large, a few baskets being sold at 70c.

Tomatoes are in good demand, but the supply is very limited and good prices are accordingly offered.

EPPS'S COCOA
BREAKFAST

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a shaft by keeping ourselves well fortified with pure blood and a properly nourished frame." —Civil Service Gazette.

Traders are requested to bear in mind that certificates of verification are of no value whatever unless stamps covering the full amount of fees charged are attached.
3. Owners and holders of these official certificates are specially requested to keep them carefully for two years, and in order to secure their safe keeping it would be advisable to placard them in their places of business in the manner in which ordinary license certificates are done, for it must be distinctly understood that all traders who are unable to produce their properly stamped certificates when asked to do so by an inspector or assistant inspector may, in all probability, have to pay over again their verification fees.
