Lacrosse Points.

A junior lacrosse team has been organized in Beaverton. They purpose playing exhibition games only this season. According to the Express they are a strictly amateur bunch.

The annual meeting of the Young Toronto Lacrosse Club will be held to-night at the Rosedale clubhouse, at 8 o'clock, when the officers will be elected for the year. The team will be strong this season and should make a good showing in the Toronto league.

C. L. A. players' certificates are now being issued by Secretary W. H. Hall. The certificates are numbered, and as there are about 1600 players in the association, there is much rivalry among the clubs to get the first certificate. This year No. 1 goes to George H. Swayze of the St. Catharines Shamrocks.

At a meeting of the Peterboro Lacrosse Club last evening it was decided to enter the intermediate C. L. A. series, in which this district includes Port Hope, Oshawa and Lindsay.

Cornwall people think that "Reddy" McMillan may be induced to stay there this summer and play lacrosse for his home town. He would, they say, acceptably fill one of the gaps in the home field.

Asked what he thought of the tangle over the Testimonial-Taking Torontos, Harry Gillespie of the Tecumsehs said: "Well, I'm going to play half a dozen of those Torontos, and if their certificates are not signed there will be all kinds of trouble in lacrosse circles. However, I don't think there's a doubt but that their certificates will be signed without a word."

Two creek Montreal lacrosse players will likely be seen on the local field this season. They are Alex. Macarra, an old Shamrock stick-handler, and Billy McMillan of the Montreal Shamrocks. Macarra will probably play with the Winnipegs and it is also possible that McMillan will play with the same twelve. Macarra played with the Shams in 1901 and 1902, but was out of the game last year. He plays cover-point or inside home. McMillan is a defence player.—Winnipeg Tribune.

A meeting of the district committee of the Canadian Lacrosse Association will be held at the Iroquois Hotel on Monday night, when the final grouping for the intermediate and junior clubs will be made. The Bradford club secretary has written to Secretary Hall asking that the district in which they are scheduled to play be changed, and it is likely that this will be done at the meeting. Secretary W. H. Hall has had very few certificates sent to him up to the present time, all that have come being for junior players.

Lawson A. Whitehead, who was one of the players of the Burk's Falls Hockey Club expelled by the O. H. A. for playing a ringer, Robert Morrison of Guelph, under an assumed name, in a championship match with the Bracebridge club, has applied for reinstatement. He desires to play lacrosse with Orillia this summer. Whitehead has put in affidavits to show that he got nothing for his services as a hockey player at Burk's Falls, but will have to explain to the satisfaction of the O. H. A. executive how he came to play on the same team with the ringer, whom he knew well.

The West End Y.M.C.A. Lacrosse Club will practice this afternoon on Exhibition lawn.

The Central Y.M.C.A. will play a practice match at Mintos to-day at 3 p.m.

Inter-Association Baseball League.

The playing schedules for the senior and intermediate divisions of the Inter-Association Baseball League have been drawn up. The league season opens Saturday, May 14th, and the following are the matches scheduled for that date:

Senior division (five clubs): Progressives at Bathursts, St. Andrews at Central Y. M. C. A., Baracas a by.

Intermediate division (eight clubs): Alerts at All Saints, Alps at Baracas, Central Y. M. C. A. at Mutuals, St. Mary's at St. Stephen's.

The junior division has been divided into east and west sections. There are six clubs in the west section, but in the east there is yet room for two or three clubs. Applications should be made at once to league secretary, care of Central Y.M.C.A. Clubs are reminded that players must be registered with the league secretary one week before they are eligible to play. The secretary will be at Central Y. M. C. A. next Thursday and Friday evenings for convenience of clubs desiring to register players.

Association Football.

The Broadviews, intermediate champions of Toronto, and All Saints will open the eastern section of the Toronto Intermediate Football League this afternoon on Sunlight Park. Game called at 4. Both teams will be strong and a fast game is expected. The Broadviews will be picked from the following players: Chandler, Weller, McIver (capt.), Maddocks, Barkey, Gibbons, Clarke, Gill, Lewis, Cowie, Maxwell, Murray, Dorman, Smith, Tyner. All are requested to be on hand early.

The Queen-street football team of the M.Y.M.A. will play the Metropolitan team out on the east side of the Don, opposite Riverdale, to-day at 3.30 p.m.

The Euclid Football Club will play Westmoreland this afternoon at the exhibition in front of the grand stand, at 3.30 sharp. The Euclids line-up will be: Goal, Jessiman; backs, Capt. Spence and White; halves, Sinclair, J. Hood and Lot Roe; forwards, Creeper, Moorhouse, Walker, Holman, McClelland and Stewart.

All Saints Juniors will play the Mutuals in the Junior League series this afternoon in Sunlight Park, at 4 o'clock. The Saints' team will be picked from the following, who are requested to be on hand not later than 3 o'clock: Martin, Maw, McLuckie, Burgess, Grieve, Dunn, Allan, Hawke, Mann, Allerton, Kaiser, Boynton, Walker.

The Toronto Scots and the Y.M.C.A. will clash this afternoon at Island Park in the opening game of the intermediate series of the Toronto Football League. Both teams will be strongly represented and a good game is sure to result. The Scots are requested to be on hand early, as the team will journey over on the 2.50 boat.

The Westmoreland Football Club of the M.Y.M.A. League, will play the Euclid club at the Exhibition Park in the large ring in front of the grand stand at 3.30 p.m.

All Saints intermediates will play the Broadviews on Sunlight Park this afternoon at 3.30. The team will be chosen from the following: Beatty, Wade, McCallum, Asken, Fowler, Maw, Bragg, Stell, Holmes, Clark, Adamson, Reynolds, Jack Campbell, Hart, Laing. If the rain stops the grounds will be in good condition, as they dry up quickly.

Toronto Canoe Club.

The last of the series of winter doings at the Toronto Canoe Club is booked for to-night at the club house. A week ago on account of the fire, the club was in a halo of candle light and the "one night euchre" was of necessity called off. It will be played to-night and the final supper will also be given. Both will be of interest and a good turnout is expected.

The gymnasium class is working hard on Monday and Thursday evenings, and from the good strong men who are on the floor, a mighty crew for the war canoe is likely to be secured. It is the intention of the club to place two or three crews on the water this year and only the backward weather is keeping them from outdoor training.

HORSELESS SHOW

Automobile Corner

Bay and Temperance Streets

Toronto's first Autumobile Show is the most succe sful attraction of the week. Saturday will be the last day;

Every style of car is represented—from the noiseless runabout of ten horse-power to the equally noiseless touring car of twenty-four horse-power. The Automobile of the present day is a supreme piece of art in mechanical construction.

The operation of the motor of the gasoline car is fully shown in a working engine with open cylinders. Experts are present to explain the construction and method of controlling the engines.

The most successful builders in the United States are exhibitors at Toronto's Automobile Show. The "made in Canada" Ivanhoe electric runabout is a conspicuous feature.

TORONTO BEAT BALTIMORE IN ELEVEN INNINGS, 7 TO 5

Jersey City Routed Rochester, Newark Won From Montreal, No Game at Providence.

Toronto made the best start of any club in the Eastern League. Three games were played on Friday and Irwin's braves alone of the visiting teams proved victorious, tho it took eleven innings. The battle at Jersey City also went the same distance and then the home team won. Montreal was a run behind at Newark. No game at Providence, rain probably saved Buffalo. The standing:

	W.	L.		W.	L.
Toronto	1	0	Buffalo	0	0

Toronto 7, Baltimore 5.

Baltimore, April 29.—For an opener, today's game was one that would have done the players credit in mid-season. The Torontos were opposed to the Orioles, and so well did the visitors play that it required eleven innings to decide the contest, Toronto finally winning by the score of 7 to 5. McFarland's muff of a fly ball, together with the unsteady pitching of Burchell in the sixth inning all helped the visitors to score three runs. Baltimore evened up by the end of the ninth, but the game was lost in the eleventh, when some timely hitting gave Toronto two runs and the first game of the season. The score:
