Baseball Leafs Win Also Lose ❧ Yachting R.C.Y.C. Officers ❧ Lacrosse The First Practices

Note and Comment

The local Big Four lacrosse teams took their first turn at real work on Saturday, and made a fair showing, thank you. The Tecumsehs were best as to numbers, and C. Querrie says he will also have out tonight Yeaman, Green, Durkin and Smith. The Indians' big defence and the little home expect to make a stand against the Torontos next Saturday. Bob Fleming promises to produce Newsy Lalonde this week.

Some despatches from Cornwall would indicate that Joe Lally was doing his best for the N. L. U., as against the D. L. U., until Montreal reports that Joe went there to get the Scott boys for Con. Jones, but he was too late, as the brothers had made the little jump from the M. A. A. to the Irish-Canadians.

A win every other day is about the best to expect of the Toronto Baseball Club in its present crippled condition, and we are again back in the second division. However, when the Leafs return next week it should be a rapid rush to the top. They have only to-day in Providence and four games in Baltimore before their joyful homeward march.

Bill Bradley may figure this season as only the second-best third-baseman in the league. "In Janvrin we have another Eddie Collins," says Hugh McBreen, part-owner of the Jersey City Club. "Janvrin, only a schoolboy, is clever at almost anything. When we were in Bermuda he saw a cricket game, and the next day he jumped in and played like a veteran at the wicket. He is a crack golfer, an expert at pool and billiards, a dead shot with a rifle and a good boxer. But his best game is baseball. He is a natural infielder, with a wonderful arm, and can hit and run bases in great style. I'll miss my guess if Janvrin doesn't play third base regularly with the Red Sox next year. If the Jersey City Club had a clear title to this youngster we could sell him right now for $10,000 cash."

A few things occurred in the game at Wilkes-Barre (Pa.) the other day, when the home team defeated Binghamton, in the New York State League, by 22 to 1. Fullerton, Bill Clymer's second-baseman, broke his right leg.

Joe McGinnity of the Newark Club has posted the following sign in his office in the Union Building of that city: "Come in without knocking and go out the same way." He and the vice-president, George Solomon, read it every day and then glare at each other across the room. The Indians are not running smoothly.

After winning his three pennants in the old Eastern League without a southpaw, John Ganzel, manager of the Rochester champions, decided that he would require a port-sider this year, and has secured George Clark from the New York Yankees. The Hustlers will thus likely fall to land the flag a fourth time.

Packy McFarland looks the best lightweight in the world, tho he can hardly get below 135 lbs., ringside, and thus cannot qualify to give Champion Wolgast a beating. He was brought out ten years ago by Harry Gilmore and has been improving ever since. His victory over Matt Wells was most decisive. McFarland landed everything, including the uppercut that always goes with the Gilmore code.

Credit is also given the game loser, who took his medicine without flinching. Wells is well over 30 years old, and had not boxed in a year. During that time he has been confined to a hospital and has undergone an operation, but he bored in last night in the face of a terrible fire and did his best. His eye for distance was gone, and he missed his punches by wide margins. He was heavy on his feet and could not spar or feint with his former speed, and was unable to avoid the oncoming punches, which were showered on him from every angle. He entered the ring a smiling, confident champion, ready to do his best with the world's greatest boxer at the weight. He left a sadly battered and bruised man.

It also looks as if McFarland won another way. Besides having all the better of the battle, Packy drew down a cool $10,000, the amount guaranteed by Wells, who took the gambler's chance of 50 per cent. of the receipts and received only $2974.50 for himself. The gate receipts amounted to $25,949. There is a chance, however, of Wells making a strong finish on the money end, as he has a 50 per cent. interest in the moving pictures. The club earned $11,677.25, out of which must come the expenses. Provided the pictures turn out well, the Garden Athletic Club also will add to its profits. The pictures will not be shown here.

LEAFS LOSE ON SUNDAY 5-3

Grays Pound Lush in the First Innings, Scoring Four Runs —League Scores and Records.

PROVIDENCE, R.I., April 28.—(Special.)—Lush had a bad first innings in to-day's game at Rocky Point, and as a direct result of his wildness Providence scored four runs, a lead that kept the Greys in the game until late inning, and forcing Toronto to play straight baseball all the way. The locals slipped over one more while the Leafs were corralling three, Providence winning by a score of 5 to 4. Sline worked under the handicap of a lame arm, and several times it looked as tho he was ticketed for the stable, but the fast work of his fielders saved him. This was true, especially in the seventh, when the Leafs went after the game with a vengeance and pounded Sline for a pair of doubles and a triple.

Rock's great stop of Dalton's wicked drive and deadly throw home, nailing Fitzpatrick at the plate, was the feature of the game, and possibly robbed Toronto of a victory, as the hit was apparently good for a single at least, and came when Sline was up in the air.

After the disastrous first session Lush steadied wonderfully and grew better as the game grew older, sending the local batsmen back to the bench with painful regularity in innings after innings, until the seventh, when a couple of lucky doubles sent the last run over. In the last two innings Sline resorted to a slow out-drop, that worked all right for the length of time it was used.

The Leafs fielded like demons, cutting off hits right and left. They also showed up strong in the base-stealing line, pilfering no less than six. The locals woke up, also, and did the best work on the sacks they have shown this year, landing four on Fischer, who was most deadly in pegging them out on Saturday.

The day was cold, and a high wind blew off Narragansett Bay, that kept the attendance down to 3500.

The visitors made no trouble in the opener, going out in order.

Tutweiled opened for the locals by striking out. A pitched ball landed on Lathers' ribs and he took second on Drake's out, Lush to Jordan. Elston whaled the ball over Shaw's head for three bases, scoring Lathers. Atz was plugged in the back and followed with a steal of second. Gillespie singled thru Jordan, Elston scoring and Atz taking third. A double-steal was started, Atz scoring and Gillespie covering the ground away around to third. Rock was hit with a pitched ball and started to steal on the next pitch. He turned back, and, while Holly was chasing him, Gillespie carried the fourth run across.

Fitzpatrick walked in the third, went to third on Dalton's single and crossed the plate on a double-steal.

Fischer opened the seventh with a double, and went over on Fitzpatrick's triple. Sline threw out Shaw. Dalton shot a fast one between Rock and second, that was nailed on a great stop, and sent home in time to get Fitzpatrick. Jordan's double scored Dalton.

In the second half of the act, Schmidt hit for two bases and was sent home when Tutweiler duplicated it.

Bisons Beat Leaders.

JERSEY CITY, April 28.—Buffalo made an even break with Jersey City by taking to-day's game from the Skeeters by a score of 7 to 2. An overabundance of passes by Swift and Justus, the local pitchers, combined with some liberal batting by the visitors, made the Bisons' success possible. Stroud pitched a steady game for the Bisons, holding the leaders safe in all but the eighth round. Score:

Beaches Baseball League.

The Beaches League opens on Saturday with games at 2 and 4 p.m. Prominent civic men will be present to lend their prestige to the opening occasion, and everything is being put under way to make this event the big noise in local baseball. This league would like to hear from any good scorer who would act during the season and also would be pleased to hear from some one who would be willing to act as secretary, as the present holder of the position will not be able to continue, owing to a change of business. Address all letters to A. Gore, 98 Maitland street. A meeting of the executive committee will be held this evening in the Royal Canadian Club rooms on Broadview avenue and every member is urged to be on hand at 8 o'clock, as business of great importance will be brought up at that meeting.

Inter-Association Lacrosse.

The Interassociation Lacrosse League will meet to-night at eight o'clock at the Broadview Y.M.C.A. All last year's clubs are requested to have two delegates at the meeting, also any new clubs who intend to enter the league and go after the gold watches, which are to be given for the senior championship.

It is more than likely the Maitlands will enter a team in the Interassociation League this season.

U. of P. Runners Win 2 Out of 3 Relays

Interesting College Team Races at Philadelphia—McGill Drops Out.

PHILADELPHIA, April 27.—The University of Pennsylvania won two of the three blue ribbon events at the annual relay races here this afternoon, and Syracuse University took the other one. The two and four-mile relay championships of America were captured by the Philadelphia institution after a hard struggle, and the one-mile national championship was won by Syracuse after Reidpath, her fast quarter-miler, had extended himself to the limit to beat out Sanders of Illinois. Some of the best quarter-mile men in college were in this event. Both of Pennsylvania's victories were also hard won, her runners having to extend themselves right up to the tape.

A hard rain fell during the afternoon, and the track in many places was half an inch deep with water.

McGill University scratched its team in the mile.

While the west did not fare very well in the relay races, the athletes from over the Alleghanys showed up well in the field events and hurdles. In the 100-yard hurdle race, Nicholson of Missouri won in the good time of 14 4-5 seconds, considering the condition of the track.

A feature of the afternoon was the performance of Al Gutterson of Vermont University, who won the broad jump by leaping 24 feet ¾ inch from a muddy take-off. It is probable that he will be a strong contender for a place on the American Olympic team.

One-mile championship—Won by Syracuse; second, Illinois; third, Pennsylvania. Time by quarters: 53 sec., 1.44 4-5, 2.36, 3.24 4-5. Massachusetts Tech. and McGill University scratched.

Two-mile championship—Won by Pennsylvania; second, Princeton; third, Minnesota. Time by half-miles: 2.04, 4.06 4-5, 6.08 4-5, 8.09 1-5. Indiana University scratched.

Four-mile championship—Won by Pennsylvania; second, Michigan; third, Dartmouth. Time by miles: 4.42 2-5, 9.20 4-5, 13.53 2-5, 18.20 2-5.

Cornwall's Guesses.

CORNWALL, Ont., April 28.—Some surprise was expressed here when it became known that there was a likelihood of Newsy Lalonde going with Bob Fleming at a salary of $5000. It was expected that Newsy would go back to Vancouver again, even despite the big figure he was supposed to be getting from Mr. Kennedy. The fact that Con Jones is in the east or expected any moment leads the knowing ones here to believe that Jones will yet have a finger in the pie and take Newsy back safely tucked under his wing. John White is reported as signed with the Irish-Canadians, but when asked for a confirmation of the report the genial John donned a broad smile and that is all he said. John will say little at any time and the safest way to find his whereabouts is to await the first line-up.

BIG YACHT RACES FOR THE R.C.Y.C.

Club Will Defend Fisher and George Cups and Go After New L. R. U. Trophy—Committee Elected.

The annual meeting of the Royal Canadian Yacht Club was held Saturday night at the King Edward Hotel, when the flag officers, elected by acclamation, were installed, and the sailing committee balloted for. The club is spending considerable money on enlarging the island clubhouse, and on the new sister launch to the Hiawatha, which will be called the Winona.

The financial report was most satisfactory.

There will be many interesting races the coming season, outside the club events, including the international contest at Chicago, about Aug. 10, for the new L. R. U. trophy, that takes the place of the Canada's Cup.

The R. C. Y. C. also hope to again successfully defend the Fisher and George Cups.

The following are the officers and committee:

Commodore, Ae. Jarvis; vice-commodore, W. C. Brent; rear-commodore, J. Campbell; hon. treasurer, D. G. Bremner.

Committee—D. G. Bremner, C. A. B. Brown, S. B. Brush, C. O. Mariatt, Dr. Macdonald, J. M. Lyle, A. M. Smith, A. W. Roberts, A. W. Smith, E. P. Stanton.

Ottawa Hockey Players Go West.

OTTAWA, April 28.—Albert Kerr of the Ottawa hockey team left last night for Winnipeg, where he has accepted a position in the contracting business. Dubbie Kerr, as he is best known, has been with the Ottawas for three years, joining the team in 1909, when he was the sensation of the N. H. A. This is the first of the exodus of hockey players for the west. Marty Walsh and Joe Dennison will also go west for good within the next few weeks, while Hamby Shore, Skeene Ronan, Fred Taylor and Jack Darragh are all going to the coast to play in the Patricks' league with the new Seattle team next winter.

It is understood that a Seattle man connected with the artificial ice rink in that city will come east in August and will sign up a team, with these four Ottawa players as the nucleus. He will also visit Montreal, Quebec and other cities in the east. Frank Patrick is also coming east about the same time.

The loss of these players will leave the Ottawas with only Fred Lake and Percy Lesueur of the old team. They will very likely fill in next season with some of the best amateurs in the city.

"HAVE you Tuckett's Cigarettes?"
"Yes, sir, what kind?"

"Club Virginias, please. May seem like a strange thing, but nearly all you tobacco men keep Tuckett's, and what's more, you never seem to offer substitutes for them."

"Is that so? Well, I guess 'twould be 'bout as much as our trade is worth. Customers as a rule know what they want, and ask for it by name
