BASE BALL.

PROFESSIONAL GAMES.

The fifth game of the championship series between the Brooklyn ATLANTICS and the BALTIMORE nine was played on the Union Grounds in the presence of about 600 spectators on Monday. The game was exciting, and some splendid play was made by the visitors. A lucky hit on the 9th innings saved the ATLANTICS from a whitewash. McVey made some splendid catching, and Force held his third in superb style. Time 1h. 40. Runs earned, Atlantic 0, Baltimore 1. The following are the

LOCALS.

The *Herald* of yesterday says we get all our base ball locals from the New York *World* and the scissors. Our readers will be able to judge the veracity of that statement by the following:

There was no business of any importance done at the MAPLE LEAF meeting last night, on account of the absence of several important members.

We have been informed by the Secretary of the UNIONS (Mr. Geo. Hadden) that he has received a challenge from the Secretary of the London ECKFORD'S to play in Guelph for the junior championship on Thursday, the 7th of Aug. By advt. it will be seen that a meeting has been called for Friday evening, at which all must be present. The Secretary has accepted the challenge, and expects every man to do his duty. We hope they will secure the MAPLE LEAF ground, and have a good day for the game.

A very exciting match was played at Kingston yesterday between the ST. LAWRENCE Club of Kingston and the SILVER STARS of Cobourg, resulting in a victory for the former, the score being 23 to to 14. The game was well contested, the ST. LAWRENCE Club striving hard to retain the laurels gained over the MAPLE LEAF of Guelph, whilst the COBOURGS fought well to gain the victory. The utmost good feeling prevailed.

The MOULDERS and CARPENTERS are going to have a game on Saturday. They are both getting ready for battle.

A keenly-contested game came off on Monday between the HARRISTON and MOUNT FOREST clubs, resulting in a victory for the former, the score standing 31 to 25.

Our Acton correspondent writes:—

A sleepy one-sided game of base ball was played in Acton, between the Erin Village club and the Victorias, of Acton. The play on the part of the "Vics" was not up to their usual standard. They made a score of 64 to Erin 28, however, the heat was very oppressive, which perhaps accounts for it. The men of Erin will have to practice a little more before they can handle the champions of Halton who want some good club to come along and put them on their mettle.

A correspondent sends us the following fuller account of the match played in Georgetown on Saturday between the REFORMERS and CONSERVATIVES than the one published in THE EVENING MERCURY of yesterday:—

On Saturday afternoon last a most interesting game of base ball was played in Georgetown between the REFORMERS and CONSERVATIVES of that town. It was considered to be the best of the kind ever witnessed in Georgetown. The REFORMERS were under the captainship of Jas. Young, Esq., the CONSERVATIVES under that of William Godfrey, Esq. The playing was sharp all through; but the fielding of the REFORMERS was exceedingly so, and although our CONSERVATIVE friends contested the game worthily the REFORMERS won by 4 runs, laying four white-washes to the charge of their opponents. The score is 22 to 18. A return match is anticipated on Friday, 1st August; a holiday being given by the authorities. A lively time is expected.

CRICKET.

A splendid game was played in Port Hope yesterday afternoon between the TORONTO and PORT HOPE clubs. Owing to a rain storm the match was drawn, only three innings having been played. TORONTO won the toss and took the bat, retiring for 47, Heward being the only man who succeeded in getting double figures, 16. PORT HOPE only got 18. The TORONTO team were put out for 28 on their second innings, thus leaving PORT HOPE 57 to make to win. The fielding on both sides was unusually fine.

LACROSSE.

Practice game on the Fair Ground this afternoon. Meeting to-night at Parker's.

That News.

Our attention was called yesterday to an article in our town contemporary about a "monopoly" in base ball news. Now, if we do publish the American Championship games, it is because we have been asked to do so by some of the lovers of the game in town; but the columns of the New York *World* or the *Tribune* have never been clipped by us to secure this knowledge—we get them through a reliable paper the morning it is published (not an old one), and in several cases have had an account despatched to us from the field of the game. This, our friend of the *Herald* never knew before; and neither does he know now the (old) paper we get them from—so he needn't insinuate. How much did that last base ball tournament cost you, friend? Where the "enterprise" is in asking a gentleman to correspond, finding him paper and a few three cent stamps for postage we can't see. We have PAID MORE for ONE SINGLE base ball despatch than our contemporary has altogether this season.

And now, about those base ball scores, "Were they or were they not ordered to be sent to us after you had put them in type?" We have been informed that THEY WERE, and how is it we didn't get them? Our friends of the MAPLE LEAF, as well as all the other local base ball clubs, have always had our columns at their disposal if they wished, to publish any little item of news affecting their interests, and it is their fault, not ours, if they don't take advantage of it.

A two mile foot-race between Crappin and Nurse has been arranged to come off at Ottawa five weeks hence, for $500 a side.

FEW PEOPLE unacquainted with physiological chemistry are aware of the quantity of iron in the blood, but all *should know* the importance of keeping up the supply, for debility, disease and death are sure to follow when the quantity becomes too much reduced. The Peruvian Syrup (a protoxide of Iron) supplies this vital element, and has cured many chronic diseases.

Iron in the Blood

PERUVIAN AN IRON TONIC SYRUP

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*
