VICTORIA SCHOOL WINS THE STRATHCONA SHIELD FOR 1916

Ranked Yesterday as Best Company of Public School Cadets in the City—Inspection Was by Major Wayling and Public School Lads Showed up Well Under the Test.

"Be prepared!" That Canada is prepared or is at least preparing, was demonstrated yesterday afternoon in very pleasing and interesting fashion, when the inspection of Public School Cadet Battalion 104, of Brantford, took place in Agricultural Park, with probably the largest turnout yet obtained for an occasion of this nature.

"The Public School Cadet Movement," said Major Wayling of Toronto, the officer inspecting "is proving itself a valuable one in the present war by training the boys of the nation for life in the army. It has been found everywhere that the men who drilled as Public school cadets six years ago or more—though they may never have rehearsed it since—make the best soldiers. Their early training comes back to them instinctively."

Thoroughly excellent in every way was the showing made by the cadets. Major Wayling pronouncing it one of the finest battalions he had yet inspected, and complimented the teachers, officers and boys upon their performance.

With a muster roll of 333, representing seven Public schools, the grand march past took place shortly before three o'clock, the salute being given the officer inspecting in true military manner. Company drill was then indulged in by the companies from the different schools.

For about an hour company drill was indulged in successively by the various companies, and deep and heartfelt was the interest and anxiety as the moment came for the ranking of the various companies to be announced. The order in which they were placed by Major Wayling was as follows:

1. Victoria School, Company Commander Fallis Feely; Instructor, G. C. White.
2. Alexandra School, Company Commander, Willie Bissett; Instructor, W. E. Foster.
3. Dufferin School, Company Commander, Bruce Kitchen; Instructor, J. S. Gamble.
4. Central School. Company Commander, Reg. Hall; Instructor, Capt. Joyce.
5. King Edward School, Company Commander, Frank Foster; Instructor, Sergt. Holdsworth.
6. Ryerson School, Company Commander E. Suddaby; Instructor, A. A. McIntyre.
7. King George School, Company Commander, Alex. Scott; Instructor, C. L. Gamble.

Victoria school thus becomes the holder of the Strathcona Shield, held by Central School last year, for the coming year.

Large as was the muster roll for the inspection, it might have been even larger, for some 27 of the cadets were absent with leave. And, excellent though the showing made was in every way, there can be no doubt that had the inspection been a few weeks later, or had the weather of the past few weeks been more pleasant, an even better standing might have been obtained. The inspection came earlier than usual this year, and found the cadets with practically no outside drilling done this year, the wet weather having necessitated indoor work. A few weeks more drilling in the open air, and there can be no doubt Brantford's cadets would have proved to be the finest in Canada.

Besides the instructors of the various companies some members of the Board of Education were present at the inspection, in the persons of Dr Gamble, Mr. W Lahey and Mr. A. Coulbeck Public School Inspector Kilmer, colonel of the cadet battalion, was also present.

Too much praise cannot be bestowed upon the instructors of the cadets for their earnest and conscientious work in drilling the lads to such a stage of perfection, while it is worthy of note that two of their instructors have enlisted for active service, they being Captain Joyce and Sergt. Holdsworth, both of the 215th Battalion.

The Mohawk Cadets, some 40 strong, and directed by Sergt. S. Niblock, were inspected by Major Wayling yesterday morning, their showing being also an excellent one.

This afternoon the inspection of the Collegiate Institute Cadets is being held on the school grounds.

FIRE! FIRE!!

"Midnight! A spark smoulders in YOUR building—it blazes, it is now a flame—it has passed unnoticed—the policeman and the late home-goers discover it—the alarm is rung in—firemen spring to life—they arrive—the sky is fiery red, aglow. The roof soon falls in. The firemen came too late. Result: A pile of ashes. Luckily everyone is rescued, but their monetary loss is great." Sounds like melodrama, but it is happening somewhere every hour of the day. Sound business methods demand that you be prepared to meet such a calamity. I sell fire insurance policies from $2.00 and upwards—policies that will stand the "ACID TEST." They cover losses by Smoke, Water, Lightning and Gas.
