FEDERAL EXPERTS TO WAR ON ELGIN COUNTY CORN-BORER

Larvae of Pest Found To Have Survived Weather Conditions.

BONUS FOR EMPLOYEES

St. Thomas Company Encourages Workers by Profit-Sharing System.

ST. THOMAS, April 22.—Representatives of the entomological department, Ottawa, H. G. Crawford, W. N. Keenan, L. J. Simpson and A. Finnamon, reached the city today, and will start at once to investigate the conditions in the corn-growing districts as to the presence of the borer insect and provide means for its extermination. Tests already made in the near outlying sections show that larvas of the infection have not been affected by the mild winter. Some were found on top of the ground, and others beneath the sod, but none appear to have suffered from climatic conditions. Mr. Crawford will superinted the investigations.

Presented With a Bonus.

At the banquet of the employees of the St. Thomas Metal Signs Company in the Grand Central last night, Vice-President J. T. Stewart presented each of his men with a bonus check of no small amount and thanked them in the name of the company for their co-operation in making the business season so gratifying to the company.

The 56th Anniversary.

The Ladies' Aid Society of the First Methodist Church, which was organized in 1865, during the pastorate of the late W. W. Clark, held a birthday party last evening in the lecture room of the church. A birthday cake, decorated with candles, was on the platform, and an entertaining and interesting program was one of the pleasant features of the evening.

R. McLean Elected.

Robert McLean was elected by acclamation at the recent nomination to fill the vacancy on the Bayham Township Council. The other candidates, W. H. Smyth, D. Gregg and Arthur Ribble, withdrew from the contest..

Rode as Blind Baggage.

Stanley Grosbeck, Emmett Barrett and Clarence Sutton of St. Thomas are held at Blenheim on a charge of vagrancy. The lads were caught riding without tickets on the Pere Marquette and locked up. Grosbeck and Barrett are residents of the city, but Sutton is a recent comer and had been boarding at the Park House, Wilson avenue. His address appears to be 2253 Ontario avenue, Niagara Falls, N. Y. The youth states that his father lives in that city.

An Incipient Fire.

An incipient fire and smoke damaged the goods of Charles Loomis, painter, at his store, corner of Ross and Barnes streets, this afternoon to the extent of $150. The woodwork in the basement caught fire from the furnace, and was put out by the department before it made any headway.

An Excellent Showing.

The taxes collected up to date by City Treasurer Perry makes a record mark in the payments of the ratepayers' liabilities to the municipality, and will permit the payment by the city of the advances made by the banks.

The sum reached $249,228, or 42.29 per cent of the amount on the roll, $574,356. Such a satisfactory situation has not been in evidence in the city for the last quarter of a century.

Pong Ordered To Pay.

In the action of C. F. Clark, Alex Anderson, the Municipal World, Reeks & Co., J. A. McCance and Frank Moore against Pong Ling, Pong Hown, Lee C. Ling, former proprietors of the Elgin Cafe, heard by Judge Ermatinger this afternoon, his honor found for the plaintiffs, Alex Henderson in the sum of $364 for dairy supplies, and C. F. Clark, butcher, $350, and reserved judgment in the others.

Pong denied individual liability, and claimed he had not ordered the goods. His partners could not be found when Pong was sued, and are thought to have left the country. Cameron & Grant acted for the plaintiffs.

Grace Church L. A.

Grace Methodist Church Ladies' Aid has organized for the year and elected the following officers: President, Mrs. J. S. Fraser; vice-president, Mrs. Chant; second vice-president, Mrs. E. F. Miller; secretary, Mrs. C. Clarke; assistant secretary, Mrs. N. Murray; treasurer, Mrs. A. Horton; assistant treasurer, Mrs. Nichol; pianist, Mrs. Peer.

The women decided to hold a rummage sale on May 13 and 14 in the basement of the church, where tea will also be served.

If you want a good attendance at your meeting let Advertiser readers know when it is going to be. The rate is 2c per word or 15c per line.

POSTPONMENT OF ELECTIONS IS NOT PROBABLE

DUBLIN, April 22. — Official indication that the Irish elections will not be postponed, as had been suggested in some quarters but will be held in May was contained in on official notice concerning the election which appeared in tonight's Dublin Gazette.

The elections need not be held until August, but the understanding is that whenever they are held they must be for the north and south together, and the northerners are not inclined to wait.

A new act of Parliament would be required for separate elections.

Nationalists of all shades of opinion, both north and south, desire the holding of elections at an early date as do the northern Unionists. The southern Unionists are those who desire a postponement.

For the northern Parliament Eamonn de Valera is a candidate in County Down against Sir James Craig.

Remarkable Achievement of a Federal Client

IN September, 1920, the Ruggles Motor Truck Company, Limited, placed their entire advertising program in the hands of this agency.

The Ruggles Motor Truck Company, Limited, has successfully completed its financing and the company's modern - truck - building plant, having a capacity of at least 2,400 trucks per year, has been erected.

This building is of a permanent character, of reinforced concrete and trussed steel frame, 87x430 feet, with a separate power plant 40x85 feet.

The Ruggles Motor Truck Company, Limited, is now in production of its four standard models on the basis of 100 trucks per month.

The phenomenal development of this new Canadian industry to its present successful position in the truck-building world has been possible largely because of the thorough co-operation and service given to the management from the very beginning by this agency.

The Ruggles achievement is truly a remarkable performance, in which the value and worth of advertising, judiciously executed, was never more thoroughly demonstrated.
