The Wabash Railroad Company

With its superb and magnificent new train service, is now acknowledged by all travelers to be the most perfect railway system in America. It now runs four trains each way daily, between Buffalo, Chicago, St. Louis and Kansas City, passing through Niagara Falls, Welland, Simcoe, Tilsonburg, St. Thomas, Chatham and Detroit. The "Continental Limited" is the most beautiful train ever seen in this country, all its cars have the new modern wide vestibule. All Wabash passengers trains have free reclining chair cars. Full particulars of this wonderful railroad from any R. R. Agent, or J. A. Richardson, District Passenger Agent, Northeast corner King and Yonge-streets, Toronto and St. Thomas, Ont. d

Cucumbers and melons are "forbidden fruit" to many persons so constituted that the least indulgence is followed by attacks of cholera, dysentery, griping, etc. Those persons are not aware that they can indulge to their heart's content if they have on hand a bottle of Dr. J. D. Kellog's Dysentery Cordial, a medicine that will give immediate relief and is a sure cure

It requires expert knowledge to blend and produce a first-class tea.

THE WALLA GALLA TEA

is the only one that comes up to the standard of excellence that pleases everybody.

ANOTHER SLUMP IN WHEAT.

Futures Again Break at Liverpool and Chicago.

Big Supply of Cash Wheat on the Other Side of the Atlantic, and Fine Crop Reports Said to Be the Cause— Available Supply—Gossip.

Tuesday Evening, June 28.

European wheat markets experienced another slump to-day. On the Liverpool board spot wheat sold 2d lower than yesterday, July wheat closed ½d lower for the day, and the September delivery went off 1⅜d per cental. The December option was unchanged. On the Paris market, wheat was 25 to 50 centimes lower than yesterday, and Antwerp reported a similar condition of affairs. The weakness is attributed to an over-supply of cash wheat.

Cable advices to the above effect surprised the Chicago market this morning, and a decided depression occurred, helped by the excellent reports from the harvesting sections of the West. The June and July deliveries each declined 1⅜c, while September and December options fell 1½c and 1⅞c per bushel, respectively. Bradstreet's report that in the past week the world's visible wheat supply has decreased nearly 11,000,000 bushels, lent the market a slightly better tone, and futures recovered a portion of their loss, July closing at 71⅝c, September at 66⅝c and December at 67c.

There is nothing doing on the Toronto grain board. Ontario and Manitoba wheat incline lower, Oats are cheaper.

Sympathy with wheat, large receipts and small clearances depressed the Chicago corn market to the extent of ¼c to ½c per bush. to-day.

In Liverpool to-day spot maize declined ¾d per cental, and futures ¾d to ½d.

Flour declined 6d in Liverpool to-day and 40 centimes to 2 francs at Paris.

Lard declined 3d in Liverpool to-day and tallow 6d.

September wheat puts at Chicago, 65⅜c; calls, 67⅛c. September corn puts, 31⅞c; calls, 32½c.

Exports at New York to-day: Flour, 3000 barrels and 550 sacks; wheat, 142,127 bushels.

Receipts of wheat at Minneapolis and Duluth to-day, 65 cars, against 387 cars the same day last year.

Car receipts of grain at Chicago to-day: Wheat 9, corn 358, oats 340.

At Liverpool, the past three days' receipts of wheat were 377,000 centals, including 240,000 centals of American. Corn receipts, 298,000 centals, all American.

A Broomhall cable says: Weather in England warmer. Market lacks support. Our Paris agent telegraphs that the French Government has decided not to prolong the free importation of wheat.

Total clearances to-day: Wheat and flour equal to 295,000 bushels; corn, 27,271 bushels.

Primary receipts of wheat to-day, 146,000 bushels, against 312,000 bushels the corresponding day last year; shipments, 201,000 bushels, against 870,000 bushels.

Primary receipts of corn, 460,000 bushels, against 415,000 bushels the corresponding day of last year. Shipments, 253,000 bushels, against 739,700 bushels.

Chopin's estimate of stocks of provisions at Chicago on June 30 is: Contract pork, 73,000 bbls.; old pork, 31,000 bbls.; lard, 145,000 tierces; short ribs, 35,000,000 lbs.

Live stock receipts at Chicago to-day: Cattle, 2500; sheep, 8000; hogs, 24,000.

Big Decrease in Available.

According to Bradstreet's returns, last week's decrease in the world's available supply of wheat was 10,556,000 bushels. The decrease in the American available east of the Rockies was 2,456,000 bushels and the decrease in the European available was 8,100,000 bushels.

The world's available supply of corn last week increased 547,000 bushels, while that of oats decreased 165,000 bushels.

Cheese Higher in England.

The cheese market continues to gain strength on both sides of the Atlantic. Cables to-day report an advance of another 6d in colored and white, which are both quoted at 37s.

British Wool Market.

Mr. John S. Fisher, wool merchant, Toronto, received the following cablegram to-day: The auctions of colonial wools opened to-day. Prices are about 1c per lb. higher on merinos; other qualities unchanged.

Leading Wheat Markets.

Following are closing prices to-day at important centres:

	Cash.	June.	July.
Chicago	$....	$0 77	$0 71⅝
New York	....	....	0 77½

Toronto Fruit Market.

Receipts of fruit to-day were fair, about 2000 packages arriving by boat and rail. Trade slow and prices easier.

Strawberries sold at 2½c to 4c; gooseberries at 15c to 30c for small and 50c to 75c per basket for large varieties; raspberries, at 15c per quart basket; cherries, at 60c to $1 per basket for ox-hearts, and 60c to 85c per basket for common red; red currants at 50c to 75c per basket. New potatoes (Canadian) sold at 40c per 12-quart basket.

LOCAL LIVE STOCK.

The run of live stock at the Cattle Yards to-day was large—80 carloads, all told—composed of 1440 cattle, 300 sheep and lambs, 1800 hogs and 100 calves.

Trade was not as brisk as on some days during the past two weeks.

Several lots of very choice stall-fed export cattle were offered, and buyers and sellers were wide apart in many instances. Grass cattle having commenced to come in, have a tendency to pull down prices.

Stall-fed exporters sold from $4.50 to $4.80 per cwt., and 10c more was offered for some very choice cattle, but refused. Light export bulls, $3.50 to $3.60; heavy export bulls, $3.75 to $4.

Mixed loads of good butchers and exporters were easier, selling at $4.35 to $4.45 per cwt.

Butchers' cattle, stall-fed, and not on grass, sold as follows: Choice picked lots, $4.45 to $4.55; loads of good, $4.50; medium, $4.30 to $4.40; common, $4 to $4.20; middling and inferior cows, $3.50 to $3.75.

Cattle that were in good condition when put on grass are beginning to come forward and sell in the different classes named at 10c to 25c per cwt. less than above prices.

Feeders weighing from 900 to 1000 lbs. sold at $3.90 to $4.

Stockers—Prices easier at $3.50 to $3.75.

There was a large number of milk cows—about 50—and prices were inclined to be easier for those of poor quality, while good ones sold well. One choice milker sold at $50, and average good cows went at $35 to $45, but the bulk sold at lower prices, even down to $25.

About 100 calves sold from $2.50 to $6 each, some choice heavy veals going up to $8.

There was a large run of sheep; trade slow. Ewes sold at $3 to $3.25; bucks, $2.50 to $2.75. These quotations include the yearlings, which should be regarded as sheep.

Spring lambs sold at $2.75 to $4 each.

About 1800 hogs sold at $5.20 to $5.37½ for best selections off cars, unfed and unwatered, and $4.75 for thick fats and light. It must be remembered that corn-fed hogs from Essex and Kent are not included in these quotations, and sold to-day at about $4.70 per cwt.

William Levack bought 160 cattle, mixed butchers and exporters, at $3.87 to $4.50; several bulls at $3.25 to $4 per cwt.

George Tucker, Drayton, sold one load mixed butchers' cattle, heifers and cows, 1025 lbs., at $3.50.

J. G. Dawes sold 27 choice sheep at $3.25 per cwt.

P. Holland sold for R. McCowan of Scarboro, eight export cattle, 1340 lbs. each, at $4.75. These cattle were bought from Mr. Holland on this market by Mr. McCowan, and weighed when put in the stable 970 lbs.

Crawford and Hunnisett bought one load butchers' cattle, 1050 lbs. each, at $4.45, and another load of the same weight at $4.40; about two loads of stockers at $3.50 to $3.60, and some heavy feeders at $4 per cwt.

Zeagman & Maybee bought 25 stockers at $3.50 to $3.60; 22 extra butchers, 1108 lbs. each, at $4.35; 25 cows, 1000 lbs. each, at $3.25.

Alex. Levack bought 10 butchers' cattle, 986 lbs. each, at $4; 3 cows, 1150 lbs. each, at $3.50.

Rountree & Halligan bought 120 cattle, butchers and exporters, at $3.25 to $4.25; average price, $4.

A. M. Buck bought one load mixed butchers and exporters, 1100 lbs., at $4.40; also one load butchers' heifers and steers, 1050 lbs., at $4, less $5 on the lot.

S. Levack bought 26 spring lambs at $3.40 each; 10 steers and heifers, 1000 lbs., at $4.10, and 5 cows, 1050 lbs. each, at $3.30.

William McClelland bought one load butchers' cattle, 980 lbs. each, at $4.20; five heifers, 850 lbs., at $3.50, and two heifers, 800 lbs. each, at $3.60.

W. H. Dean bought two loads exporters at $4.45 and $4.60.

Total receipts for last week were 3414 cattle, 1637 sheep, 3796 hogs, and 146.03 for weigh scales.

Shipments per C.P.R.: M. Vincent, 5 cars; R. Ironsides, 2 cars; Rountree & Halligan, 3 cars; Montreuil, 2 cars; W. Lunness, 1 car, and I. Black, 1 car to St. John; also one load of horses in bond to England, shipped by T. Harkness.

Chicago Gossip.

Henry A. King & Co., 12 King-street east, received the following despatch to-day from Chicago:

Wheat—The Liverpool cables this morning were a surprise to the trade, who expected that the market would sympathize with our advance yesterday. The surprise, however, was not pleasant to longs, for the advices indicated a very weak feeling in the English market. Nor were the reports more favorable, July showing a drop of 4d at the close, with Sept off 2½d. This weakness is thought to have been produced by the pressure of syndicate wheat on that market. This and very fine weather throughout the harvesting sections in the country were the main depressing influences during to-day's session. The clearances were rather small at 412,000 bushels. Bradstreet's decrease of about 10,500,000 bushels in the world's available supply was the most important bull feature of the day, being about double the most sanguine estimates. There were also advices from Broomhall that the French Government had decided not to extend the period for free importation of wheat. The former imparted to the market a slightly better tone. Closing continental cables showed indifferent markets in Paris, and Antwerp. Cash demand is rather slow, with small volume. Final quotations show concession of ⅞c in September and 1⅜c in July.

Corn opened at a slight concession in sympathy with wheat, and on weak foreign advices, though the extremely fair weather was an important consideration. Early there was a good deal of liquidation, and some stop-loss selling, and considerable changing from July to more deferred futures. There was no improvement in shipping demand, and clearances very disappointing, about 115,000 bushels. Receipts overran estimates in local market by 40 cars.

Provisions—Have held firm, notwithstanding the yellow fever reports and weak grain markets. The strength comes from ribs, which is the strongest article on the list. The cause for that is the reported sale of 1,000,000 pounds yesterday afternoon to Kansas City.

East Buffalo Cattle Market.

East Buffalo, June 28.—Cattle—Receipts light and all consigned through, but several loads of sale stock. Market closed up very dull and weak for all grades but the few choice dry-fed cattle on sale, but all these sold at full strong to higher prices. Tops sold at $4.95 to $5.10 per cwt.

Veals and Calves—Tops sold at $6 to $6.25 and fair to good ranged from $5.25 to $5.75.

Milch Cows and Springers—Receipts heavy. Choice to fancy springers, $38 to $42.

Hogs—The market ruled about steady at yesterday's close up to noon, with but few good weight hogs on sale. Good to choice Yorkers, $4.05; light to good, $4.05; roughs, $3.25 to $3.50; stags, $2.75 to $3; pigs, $4 to $4.05.

Sheep and Lambs—Nothing doing; feeling nominally unchanged. Yearling lambs, choice to extra, $5.50 to $5.65; fair to good, $5.15 to $5.40; culls to common, $4.25 to $5. Native sheep, choice to selected wethers, $4.80 to $4.90; good to choice mixed sheep, $4.40 to $4.75; common to fair, $4 to $4.40; culls to common sheep, $3.25 to $3.85.

CANADIAN STOCKS QUIET,

Except War Eagle, Which Sold Up Again to 280

And Closed at 264 Bid at Montreal —C. P. R. and Richelieu Weaker— Wall Street List Irregular Yesterday—Gossip and Notes.

Tuesday Evening, June 28.

War Eagle continues to be the notable feature among Canadian securities. After closing at 252 bid yesterday, it opened strong this morning on the Toronto Board, selling up to 275. This brought out some 10,000 shares, and the lowest sale was made at 259. The last sale took place at 260, and at the close 262 was asked. On the Montreal Board the stock sold up to 280. Some 12,000 shares changed hands, and the close was at 265 asked and 264 bid. C.P.R., which was off ¾ in London to-day, sold down to 83 on the Toronto Board and closed at the same figure bid. Richelieu and Cable were fractionally lower. The list was inactive, except for War Eagle.

Wall-street showed irregularity, and the most active stocks covered good ranges. The opening was strong, but realization sales depressed the market. B.R.T. sold up to 55⅛ on good earnings, despite elevated competition, and dropped back to 52⅞ at the close. Sugar, after covering a range of 2 points, wound up at yesterday's final figure. Tobacco gained a point and then lost 4⅝ points. People's Gas, Con. Gas and Pullman all made good strides forward and then slumped. Among the Grangers, Rock Island rose 1½ points, and retained half of the gain, while St. Paul and C.B.Q. were very heavy. L.N. and Southern Railway were weak on account of spread of yellow fever.

American rails closed ½ lower to ¼ higher than yesterday in London.

Consols closed ⅛ higher in London.

In Paris, 3 per cent. rentes were at 102f 50c.

French exchange on London, 25f 25½c.

Spanish fours closed at 34, both at Paris and London.

Bar silver in London firm at 27 5-16d per ounce.
