STANLEY.

BRANCH AGRICULTURAL SHOW AT VARNA.

The Exhibition in connection with the above Society came off at the village of Varna, on Wednesday the 2nd ult. It has been the fate of this Society, several times, to have their Exhibition spoiled by a wet day; and it seemed on Wednesday morning, as if they were going to have a same—the clouds were black and threatening; and a smart shower fell; but it just laid the dust nicely, and ultimately cleared off, and turned a fine day.

We have seen a far better turn out of people at a Stanley Show; still there was a respectable attendance of the most influencial farmers of the Township, and a sprinkling of neighbours from adjoining Townships. The Judges outside were Mr. Spocner of Clinton, Mr. Chessney, of Tuckersmith, Mr. Shiply, of Goderich Tp. The total of entries were fully up to the average of past years. There were some very good specimens of horse flesh on exhibition—still we think we have even been better at Varna. The show of cattle passable, and rather noteworthy from the number of Gallaways, and their crosses, shown. A few good rams, and ram lambs, were to be seen; still there was a deficiency in the sheep line—we miss some of the competitors, in bygone years, altogether. The turn out of pigs was not large, but a few specimens of different breeds were to be seen that was a credit to the Township. A very well got up "Ayr" Reaping and Mowing Machine, shown by Mr. Callaway; and a few good ploughs, made by Simpson, of Varna, Runciman, of Goderich, and others, was all I could find in the implement line worth looking at.

The exhibition of grain, roots, dairy produce, &c., &c., was held in the Temperance Hall; where, upon entering, we found Mr. Wm. Logan, of Bayfield, Mr. Jno. McAllister, of Hay, and Mr. Matthew Westlake of Stanley, busy passing judgment upon the collection.

The wheat shown, was very good, both as to quantity and quality. The barley, and peas, firstrate; but very little of either of them was to be seen here; and timothy seed seems to be at a discount altogether as there was only one sample shown. Of roots.—the show, for Stanley, with the exception of potatoes, was beggarly—one could have carried all the beats and carrots on their back; and put the turnips in their pockets—we hope, for the sake of the animals next winter, that the show of roots was not a true criterion of the Township. Fruit,—the apples were excellent, and assorted, and labelled as they should be—the basket full of fine looking apples, said to contain 18 varieties, was an exception, but I suppose the owner wished to receive the judgment of spectators by letting them find the apple to suit the name. Dairy produce,—not much competition in butter—what was shown appeared to be excellent. The cheese, from Mr. Wells' Cheese Factory, in Stanley, looked firstrate—if they taste as well as they look they are No. 1. The transition from Cheese, to Horse Shoes, may appear incongruous, but the shoes came next under our eye—a bevelled shoe, called a snow-shoe made by Mr. McMullan, of Bruceefield, looks peculiar, and may be an improvement. A Revolving Dash Churn, by Mr. Armstrong, Cooper, of Varna, is a very substantial looking article, and will likely hold its own with the 201 Patent Churns of the day.— Miss Long, showed a very peculiar and beautiful box of fancy artificial Flowers; the flowers being formed of seeds of plants and fruits,—it had a very fine effect. As usual the collection of cloths, blankets, flannels, &c. &c., was very good—we are glad to see that the hands of the good wives of Stanley, have not lost their cunning on the arts of spinning and dying.

Taking the Exhibition as a whole, we are bound to say, that if our memory serves as right, there is a falling off from previous years. We are rather sorry to make this admission, but we hope it will be a means of stirring up the farmers. There is material enough in Stanley, if made available, to make one of the best local Exhibitions in the county.

On fair trial will convince the most skeptical. Sold by all medicine dealers, at 25cts per box.

The Good Times have Come at Last.— And so has that which has heitherto been looked for in vain, namely, a medicine that could be relied upon for curing rheumatism, colds, coughs, neuralgia, tic dalourenx, burns and frost bites, bowel complaints, &c. WHAT a glorious country is the East, where they have no such thrilling winds, and cold, and stormy blasts, to wreck the constitution. But yet, although the climate here is ordered thus, Nature has kindly endowed mankind with the conquering power of wielding an all sufficient weapon against the enemy Disease. Diseases of the Throat, Lungs, Liver, Kidney's Digestive Organs, &c., are here most prevalent, and for their cure we have nothing to compete with the Great Shoshonees Remedy. w36 1m

Among the most important of modern medical discoveries stands the

CANADIAN PAIN DESTROYER!

As a Family Medicine, it is well and favorably known, relieving thousands from pains in the Side, Back and head, Coughs, Colds, Sore throat, Sprains, Bruises, Cramps in the Stomach, Cholera morbus, Dysentery, Bowel complaints, Burns, Scalds, Frost Bites, &c., &c., &c.

The CANADIAN PAIN DESTROYER has now been before the public for a length of time, and wherever used is well liked, never failing in a single instance to give permanent relief when timely used, and we have never known a single case of dissatisfaction where the directions have been properly followed; but, on the contrary, all are delighted with its operations, and speke in the highest terms of its virtues and magical effects

We speak from experience in this matter, having tested it thoroughly, and therefore those who are suffering from any of the complaints for which it is recommended may depend upon its being a Sovereign Remedy.

The astonishing efficacy of the Canadian Pain Destroyer in curing the diseases for which it is recommended, and its wonderful success in still during the torturing pains of Rheumatism, and in relieving Nervous Affections, entitle it to a high rank in the list of remedies for these complaints. Orders are coming in from Medicine Dealers in all parts of the country for further supplies, and each testifying as to the universal satisfaction it gives.

The Canadian Pain Destroyer never fails to give immediate relief. All medicine dealers keep it. Physicians order and use it; and no family will be without it after once trying it!

STOP AND SEE.

THE following remarks on Testimonials of most wonderful and extraordinary cures in Canada by the GREAT INDIAN REMEDY. They are stern, undeniable and incontestible facts, sufficient to convince the most skeptical that the Great Medicinal Compound yearned after for ages is now accessible in the Great

SHOSHONEES REMEDY!

For Diseases of the Throat, Lungs, Liver, Digestive Organs, Kidneys, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from Impurities of the Blood, we boldly state that this great remedy has NEVER BEEN EQUALLED. Where was there ever such a cure as that in the person of Wilson Storms of Brighton, C. W., of Consumption; or that of Peter C. V. Miller, Earnestown, C. W., of Consumption, or that of Ambrose Wood, of Consecon, C. W., of Dyspepsia and Liver Complaint, or that of John Henry, of Napanee, C. W. of Rheumatism, who had actually been on crutches for years, in spite of all treatment heretofore, and is now well. Scores of such cases might be mentioned had we space.

☞ Call at the Drug Store and get a Circular or unquestionable certificates on the GREAT SHOSHONEES REMEDY and PILLS, and satisfy yourselves.

Price of the Remedy in large pints $1.

A GREAT CURE OF LIVER COMPLAINT AND DYSPEPSIA IN CANADA.

Consecon, Prince Edward Co., C. W., March. 1867.

MESSRS. YOUNG & CHAMBERLAIN,—Sirs, having proved within my own person that there is at least a medicine that will indeed cure liver complaint and Dyspepsia, I am induced to make this statement under oath, which is to certify that I have been sorely afflicted for the last three years, according to the Doctors' statements with Liver Complaint and Dyspepsia. I had a feeling of sinking and vague uneasiness about the stomach, worse than pain, eructations of wind, occasional pain, drowsiness, constipation, uneasiness in the right side, headache, a poor appetite, &c., &c., and was greatly reduced in strength. Hearing your new Indian medicine the Great Shoshonees Remedy spoken of so highly, I tried a bottle with your Pills, from these I must say I found but little change, but I took another and then found my health improving. I continued it until I have taken about ten bottles, using the pills, and I find that I have quite recovered. I eat hearty without pain or uneasiness. I am well and have pleasure in attending to my business. The doctor remarked to me I was looking much better. In, if him the Great Shoshonees Remedy was doing it. I have recommended the Remedy in several cases and it has invariably given good satisfaction, and I would strongly recommend it to all afflicted as I was.

AMBROSE WOOD.

Sworn before me at Consecon, C. W. this 2nd day of March, 1867.
