hole out of a piece of cloth, jump into the fifteen years that I have been doseen in the water. That time we were dren and myself, in an daily exhibition n Boston, My youngest child, Twinnie, that is Barbara, was only four years old. Twinnie, by the way, does years old. Twinnie, by the way, does not remember the time when she did not remember the time when she not swim. There was a splendid sun-not swim. There was a splendid sunors in the sky, was a million colors. Exactly in line, their gleaming arms rising rhythmically above the water in perfect overhand strokes, eight of my children swam abreast. I followed close behind with Twinnie on my back or occasionally swimming along at my side. It was really one of the prettiest things we ever did.

I have several grandchildren, but none are yet old enough to carry on the Berlo tradition. Soon, however, their training will begin. They will be taught that to be a Berlo they must be able to swim and dive with the best of them.

Flaked halibut is nice creamed, ser ved in scallop shells and decorated with mashed potato put through pastry tube.
