Our prices for these Suits are remarkably reasonable. For special parties, or social calls, we can give you something within your means in a Prince Albert, or Morning Coat. #### Why Not in Cognac?

New York—(By Canadian Press)—  
A United States judge made a decision, subjecting her to petty annoyances and depriving her of personal liberty. Mrs. Christine A. Wessel, wealthy widow of 270 Park Ave., has sailed for France to remain abroad "until" she said, "the United States enacts some sane laws which will preserve the rights of its citizens rather than taking them away." Mrs. Wessel declares she cared for her drink, but it made her fur-

ious for the State to say to her she could not have a drink if she so desired. She said she would buy a villa in Cannes.

## SPORTOGRAPHS

#### CHALLENGE.

On behalf of the St. Bon's Intermediate Crew, I hereby challenge Mr. Hussey and the St. Mary's Intermediate crew to row again on Monday evening with the same crews, strokes, coxswains, and boats. I am informed by the Committee that room will be found on the programme provided we agree to row at 6 o'clock. There would be no objection on our part to the two other crews entering if they so desire.

**JACK DUNPHY.**  
(St. Bon's Stroke).

#### FOOTBALL TO-NIGHT.

It seems so long since that one almost forgets how it's played, but fans are guaranteed an exciting match to-night when teams representing East and West will meet. The teams are made up of the best players of the regular league and the proceeds will go towards defraying the costs of the proposed trip to Grand Falls, when a city eleven goes out to play in the Inter-town series. The line-ups will be as follows:

**WEST**—Goal, Gushue; backs, E. Kavanagh, M. Maddigan; halves, W. Halfyard, W. Drover, Elton; forwards, E. Phelan, J. Young, E. Ewing, MacKinn, Flynn.

**EAST**—Goal, Noseworthy; backs, Thistle, J. Brown; halves, Martin, Constantine, L. Kavanagh; forwards, R. Halley, Donnelly, E. Jerrett, Winsor, Sawyers.

#### A SUCCESSFUL REGATTA.

Ideal weather conditions made it possible to run off the scheduled portion last night of the twice postponed St. Joseph's Regatta. There was a large attendance and the events were interesting and exciting. Unfortunately the strains of the familiar "Banks of Newfoundland," were absent through the Mount Cashel's Band Concert in Bannerman Park on behalf of Child Welfare.

#### DORY RACE.

As all the crews did not turn up on time this item was deferred until Monday.

#### AMATEUR RACE.

Only two boats competed as, owing to the absence of one of the Guard's crew and the Boat Club's inability to secure a substitute, she was left on the "bank." The Nellie R.'s six were comprised of half of Chick Dunder's, and the remainder of Mount Cashel's. St. Bon's (Who won in the Mary on Regatta Day) rowed the Cadet. The latter had the advantage all the way and won by five lengths in 10.35 3/5.

**Cadet**—L. Rodgers (cox), P. Brown (stroke), J. Caul, J. Tobin, H. Gaulton, H. Pedigrew and J. Bell.

#### CARBEN'S RACE.

Three crews had entered. East, West, and Central. Unfortunately the West Enders did not turn up for the Guard. The Eastern men were in the Cadet and the Central in the Nellie R. When both left the boathouses for the stakes it was at once seen that they were "Amateurs" in the strictest sense of the word, as "was" you pull to-day Paddy, I'll pull to-morrow, and "crabs" and splashes was the order of the evening. It plainly demonstrated to the bank the necessity of hard and constant practice for an annual Derby Day in order to have perfect rowing. Much amusement was caused by their efforts to get down the pond, but the Committee were frankly anxious as to their successful rounding the buoys. This they did, however, in regular "pro" style. It was a good race to the Cadet boathouse when, in answer to their supporters, the East End crew erupted and won by about two lengths. Our old friend from Grand Falls, and a veteran of bygone but happy years, Mr. Chas. Hayward, was in the stern, and he showed that he had lost none of his skill and cunning in handling the tiller ropes. The inexperience of the oarsmen made it of necessity a contest in generalship between the coxswains and Charley got the honors in 11.201-5. His crew was:—  
**Cadet**—P. Roche (stroke), W. Clooney, Leo Brown, H. Martin, T. Cantwell, H. Sheppard.

#### INTERMEDIATE.

Four crews were in as follows:—  
**St. Bon's** in the Cadet, Southside in the Guard, Mount Cashel in the Nellie R., and the East End in the Mary. As the Collegians had won on Regatta Day they were naturally the favorites with the Mount Cashel crew runners-up. The four boats went to the buoys together but on the home stretch the St. Mary's boys in the Guard soaked it aboard of the others, and they romped home in good style in 10.47. The St. Bon's were relegated to second place. Mount Cashel in the Nellie R. got third, while the East End crew brought up the rear. The changing of the stroke oar in the Guard apparently made a wonderful difference and they rowed splendidly.

**Guard**—(St. Mary's) J. Hussey, (cox), H. Rodgers (stroke), A. Harvey, T. Cook, P. Whitten, G. Cook, R. Porter. It will be noted that the St. Bon's have issued a challenge that the race be re-rowed on Monday.

#### FOOTBALL.

The surprise win for the Guard in the previous race started the betting on the Football race. The Cadets, C.E.L., and Star manned the Cadet, Guard and Nellie R., respectively. T. Hallett went coxswain for the C.E.L., while in the Star crew Bill Hart was replaced by Duggan. On coming away from the buoys the Cadets were leading by about a length. At the Committee tent the C.E.L. made a gallant effort to wrest their laurels from them but the Cadets had the race too well in hand and finished strong in 10.37.

**Cadet**—L. Rogers (cox); W. Caul (Stroke); E. Kavanagh, J. Readigan, J. Canning, M. Flynn, R. Walsh.

#### CONTINUATION MONDAY.

The balance of the program will be run off on Monday evening as follows:—

6.00—Intermediate.  
6.30—Dory Race.  
7.00—District.  
7.15—Fishermen.  
7.30—Old Commodore.  
7.45—Championship.

Much speculation is ripe as to whether Kearsey's crew will beat the Fishermen in the Championship race and an exciting contest is assured.

#### FAMOUS SHELLE IS BADLY DAMAGED.

The racing shell in which John O'Neill brought honors to himself and to Halifax by winning the championship of America in 1911, was badly damaged Tuesday morning, when it struck the tender of the yacht Iris, which was anchored in the vicinity of St. Mary's Boathouse, Northwest Arm.

Mr. O'Neill was thrown into the water by the collision, was picked up by Leon Pluck and brought to the St. Mary's Boathouse and later the shell was also brought to shore. The bow was badly broken, the tip being torn off, but it is understood that the damage can be repaired.

In this craft, Mr. O'Neill won the single scull championship of America on the course at Springfield, Mass., twelve years ago, setting a record at that time which, it is understood, has never been lowered.

#### MOTOR ASSOCIATION, NOTICE!

"Doris" suggests that autos should be equipped with musical chimes to sound a warning because now if pedestrians don't see sharp they'll be flat.

**LEONARD AND DUNDEE MATCHED**  
NEW YORK—Johnny Dundee, who recently won the world's featherweight title from Eugene Stribling, will meet Benny Leonard, lightweight champion, in a 15-round decision bout at Yankee Stadium, Wednesday evening, September 5th, James J. Johnston, promoter, to-day announced.

Mr. Downey claims he has received an appointment for a job on the Model Farm from a young man on the grounds that he could throw the bull, was fond of calves, had a disposition like a mule, was possessed of horse sense, an eye on his eye, a cowlick in his hair, and was on the fence about half the time.

MR. CHAS. H. HAYWARD.

The above photo shows Mr. Charles H. Hayward, formerly of this city but now proprietor and manager of the Allied Candy Store, Grand Falls. Charley holds the championship of Newfoundland for skating which he won in the Parade Rink. Mr. Hayward is a well known athletic enthusiast. His generosity was evinced last year in presenting a racing cup to the A.A.A. and a cup for inter-town cricket. In addition Mr. Hayward was an expert exponent of rowing and has many trophies to his credit. His "come back" last night when he steered the East End cables to victory evoked the admiration of the "bank" and it is hoped to see his familiar figure in the stern of the boats on Monday night.

## TO-DAY'S MESSAGES. Takes Up Nursing Profession.

**TURKEY WELCOMES PEACE ENVOY**  
CONSTANTINOPLE, Aug. 11.  
Janet Peaba was acclaimed by the populace on his return from Lusanne yesterday. The city was elaborately decorated and belaguered and last night there were special illuminations in his honor.

#### STRIKES RESULT IN CLOSURE OF GERMAN SHIPYARDS AND FACTORIES.

**BERLIN, Aug. 11.**  
The strike movement threatens to become exceedingly serious. However, the strike at the St. Prins Works ended by an agreement yesterday and the presses are again turning out billions of paper marks. Nearly all Hamburg's shipyards are closed because the managers are unable to accede to the workers' demands for immediate increases in wages. Among workers generally there is a disposition to take recourse to strikes unless wages are substantially increased. Workmen in the Vulkan yards at Stetion have adopted passive resistance and workers at the big chemical factory have struck at Danzig. Work has ceased in virtually all factories. The workers are demanding pre-war wages on a gold basis. Similar difficulties are reported from Ruhr, where strikes are spreading and violent incidents are more numerous with a general demand for big wage increases. Thyssen works at Hamburg have closed and miners at Wanne are refusing to enter pits.

#### CIRCULATION OF PAMPHLETS PROHIBITED.

**BERLIN, Aug. 11.**  
A proclamation issued by President Ebert last evening prohibits the circulation of pamphlets demanding overthrow of the Constitutional Government or incitement to acts of violence, or acts that are likely to endanger public order. The penalty mentioned in the proclamation is three months' imprisonment and a fine not exceeding five hundred million marks.

#### MARY G. DUFF ASHORE.

**HALIFAX, Aug. 11.**  
The three master seamen, Mary G. Duff, loaded with lumber from Sheet Harbor for New York is ashore on bar at Sheet Harbor with twelve feet of water in one hold. It is thought she can be pumped out and refloated. She is owned by William Duff, M.P., Lunenburg.

#### INTER ALLIED COMMISSION DECIDE ON VIGOROUS MEASURES.

**COBLENZ, Aug. 11.**  
Inter Allied High Commission has ordered the seizure of mines in occupied territory owing to failure of the Germans to deliver fuel as reparations in accordance with the treaty. The Commission of Control has been appointed to exploit mines and sell output. All expenses or exploitation and transport are to be charged to Germany. Disobedience or interference with working or seized properties will be punished with imprisonment and fines while punishment for sabotage will be twenty years in prison, or, if fatalities are involved, death.

#### DUSSELDORF MINERS RECEIVE INCREASE OF WAGES.

**DUSSELDORF, Aug. 11.**  
The wages of miners in Ruhr pits are to be increased two hundred and forty-five per cent, retroactive to August 6th.

#### RETIREMENT OF CUNO MINISTRY IMMINENT.

**BERLIN, Aug. 11.**  
Early retirement of Chancellor Cuno and ministry seems foreshadowed in consequence of the decision of United Socialists to support no confidence motion introduced by Communists which will come up for vote in Reichstag Monday. Although United Socialists originally concluded they would abstain from voting, the internal situation now is fast drifting to a point where Socialists face the necessity of saving their political prestige with workers in order to prevent workers from deserting to Communists. Socialist leaders are conferring with Chancellor Cuno in the effort to induce him to resign. In the event of his acquiescing, Dr. Gustav Stresemann, leader of German People's Party would be asked by President Ebert to reconstruct government on the basis of a big coalition which would include United Socialists.

#### SIX DEAD FROM SCALDS.

**NYACK, N.Y., Aug. 11.**  
Six women and girls have died so far from burns received last night when a bus carrying sixty employees of the Christian Herald released a stream of scalding water and steam which poured over the women.

#### Equal Rights.

A man seeking a separation from his wife in New York declared that when she ate she made a noise like a horse eating oats. Perhaps it was her false teeth. Even so, are men to be the only ones to make a noise at meals? Is a woman to be entitled to secure a separation because her husband makes a noise like water gurgling out of the bath when he gurgles his soup. Equal rights for both sexes!

## S. A. Maternity Home.

TWO ROOMS WILL BE FURNISHED BY THE RED CROSS LINE BOATS.

Commandant H. A. Hurd, the campaign organizer for the furnishing of the new Maternity Hospital, waited upon Captain Mitchell of the S. S. Silvia and Captain James of the S. S. Rosalind and asked them if it was not possible for them to furnish a room for the new Maternity Hospital by taking up a collection among the officers and passengers of the ship, and both captains thought they could. So Captain Mitchell with his officers arranged a concert last trip and got \$34.27, and this got \$51.00. I have no doubt but that Captains Mitchell and James will raise the \$200 to furnish a room.

This is a splendid chance for any one who wants to help the most useful thing of our Island Home. We shall have great pleasure in placing a brass plate on the door to show rooms have been furnished by you. It's a good investment.

Three little girls held a Garden Party this week among their little friends. Their names were Miss Vienna Stowe, Lorena Tizzard and Rita Rose. They took in \$3.37. Now they did not know what to do with this money, so after a little thought they decided to give it to the new Maternity Hospital to help the Children's Ward. They sent for Commandant Hurd and passed over the money for this purpose. This is a splendid spirit and I trust that many more will follow the same.

A few little girls' names were overlooked in connection with giving out the Tag Day results:

Miss Beryl Warren . . . \$2.03  
Margaret Dunn . . . . . 2.91  
Annie Jaynes . . . . . 1.80  
Annie Escott . . . . . 4.20  
This brings Mrs. Pedigrew's total up to \$243.22.

The date has been fixed for the opening of the Hospital for Sept. 19th. It is hoped by that date that Commandant Hurd will have obtained sufficient funds to furnish the building.

Commandant Hurd will be pleased to call and see any one who can help in any way this great need. Adjutant Geo. French has donated \$100.00 to furnish a Children's Room in memory of his wife. We trust others will follow.
