Racing Yacht for the King.

London, Oct. 30.—G. L. Watson, the yacht designer, is instituting estimates for building a new racing schooner, the intention being to have her in readiness for the trans-atlantic race for the cup offered by Emperor William. It is suggested that the boat is to be built for King Edward, but there is no confirmation of the report. The secret of the ownership of the new yacht is carefully guarded. The specifications and plans show she will be an exceptionally large and powerful boat, with 95 feet water line and canvass said to be full racing trim. Her main boom will be over 100 feet long.

Polo Match To-Day.

The probabilities are that the weather for the polo match to-day between the Royal Canadian Dragoons and the Toronto Hunt at Sunlight Park, the old baseball grounds, will be warm and pleasant. The game begins at three. The reserved seats are on the west side of the field, and general admission on the east, the entrance being on King-street. Tea and refreshments will be served. Both teams have been practising assiduously during the past few weeks, and a fast and exhilarating game will result. The teams are as follows:

Royal Canadian Dragoons—Major V. A. S. Williams (captain), No. 1; Capt. Van Straubenzie, No. 2; Capt. Elmsley, No. 3; Col. Lessard, No. 4.

ROCHESTER WANTS WINNING TEAM

Fans Across Lake Expect to Remain in Eastern Circuit.

Rochester, Oct. 30.—Will Rochester be dropped from the eastern circuit of baseball clubs?

Rochester fans were stirred yesterday afternoon by the report that the local franchise was in danger of being declared forfeited. President Jess Appiegath of the Toronto Club, who recently returned from the baseball conference at St. Louis has been talking to the Toronto newspaper men. He says that Rochester and Montreal will be let out and that Wilmington and Richmond will grab the franchises of these two organizations.

After the meeting at St. Louis the Eastern League magnates got together to discuss baseball matters appertaining to this circuit. Curiously George Stallings of Buffalo, Jess Applegath of Toronto and Judge Nevins of Jersey City were appointed a committee to name the circuit clubs for 1904. It is singular, says The Herald to-day that two members were named from neighboring cities, where whatever jealousy which has been stirred up between the cities would be likely to crop out in the decision of the committee.

The complexion of the circuit will be determined in New York next week when George Stallings calls the sub-committee together. If the bluff or scare which has been sprung on the Rochester stockholders seems to stir them up and make them sign a fast team early it will not have been wasted. Rochester fans have been promised a first-class team and they will hold the local magnates strictly to their word that expense will not be spared to place a winning nine in the field.

One well-known baseball patron said yesterday afternoon:

"It's up to Rochester to hustle and assure the league magnates that it means business and will get together a fast aggregation of ball players. Local patrons are heartily tired of a losing team and look to the present management to deliver the goods in the shape of a nine of real ball players. We must have winners here."

Little credence was placed by fans generally in the report that Rochester would be dropped. The sentiment was strong however, that no grass should be allowed to grow under the feet of the local management and that a move should be made at once to assure a fast team.

Baseball Men Receive Prizes.

Brown Bros.' Baseball Club held their annual banquet last night at J. Kane's Ocean House, there being about 60 present, including Messrs. Norman Brown, Fred Halls, G. C. Wilson, president of the league, R. B. McGill, secretary, and Harry Brown in the chair. There was a musical and literary program supplied by Bert Harvey, C. L. Kenny, C. Musgrave and M. Vanderwater. The winners of the different events during the season were presented with their prizes. Mr. McGill received a valuable parlor lamp. The finale of an enjoyable evening was progressive euchre.

Detroit Gets McIntyre and Ferry.

Cincinnati, Oct. 30.—President August Hermann of the National Baseball Commission, gave his decision in the case of Pitcher Ferry and Outfielder McIntyre of the Buffalo Club, who were claimed by both the Detroit and Pittsburg Clubs. Mr. Hermann finds that there being no evidence to the contrary, the claim of the Detroit Club that it has bona fide deals for the transfer of both these players holds good and that the draft of the Pittsburg Club therefore cannot be allowed. The evidence of the Detroit Club shows that Pitcher Kleinsmith, infielders McAllister and Courtney and either Yeager or Lush of the Detroits had been turned over to the Buffalo Club in exchange for a choice of Buffalo players, among whom were McIntyre and Ferry.

St. Mary's Field Day.

St. Mary's Club will hold their first annual field day this afternoon on McDonnell-square grounds at 2 o'clock sharp. S. P. Grant will act as starter; J. Smythe and J. R. Bennett, judges.

AT WORK AGAIN.

Mr. W. J. Hall, of This City, Cured of Consumption With Psychine.

Mayor Urquhart and Other Prominent Citizens Interested.

MR. W. J. HALL.

As he looks to-day.

Restored to health after hospital physicians gave no hope. Words of sincere and grateful testimony from one who suffered as few people suffer.

Mr. Hall's statement made on the 19th September, 1903:

Dr. T. A. Slocum:

Some months ago I met with an accident in Ingles & Co.'s machine shop, having a marine boiler fall on me, injuring me internally.

Owing to my injuries and my rundown system, I fell a prey to consumption, and was given up by the doctors. I was in the Western Hospital for some time, and physicians there informed me that I was INCURABLE, and that they COULD DO NO MORE FOR ME. In addition to this, I have tried many doctors and different medicines, but nothing to relieve me, or even do me good, until I commenced the use of Psychine, and the improvement since that time has been very marked. Before using Psychine I was too ill to get out of bed, but in two weeks I was able to be out and around, after starting to use it.

The serious nature of my injuries, which had been the cause of consumption in my case, necessitated that I should persevere for some time in the use of Psychine. I therefore continued taking Psychine for three months, and to-day I am completely cured. I am working again.

This statement of my recovery can be verified by Mayor Urquhart and many other people who have known of my case.

WILLIAM J. HALL,
5 Dundas-street, City.

If you suffer from any form of Lung Trouble, La Grippe, Asthma, Bronchitis, Cough, Night Sweats or run-down system, there is no other medicine that will act more promptly or more effectively.

Psychine is pronounced SI-KEEN.

For sale at all druggists in two sizes, or a sample bottle will be given free of charge, if your druggist does not have it in stock. Dr. T. A. Slocum, Limited, 179 King-street West, Toronto, Can.

PLAYED ASSOCIATION FOOTBALL.

Arts Beat Knox College in College Game by 2 to 0.

Arts and Knox College met yesterday in the Intercollegiate Association Senior series, and the Arts succeeded in trimming the ministers by 2 to 0. The game was fast and brisk from start to finish, and at times somewhat ragged, but tho the Knox boys pressed hard after several brilliant rushes by the forwards they failed to score. Arts scored the first by a long shot from the side, and when half time was called it stood as at the finish, 2 to 0, no scoring being done in the second half. The teams lined up as follows:

Arts (2)—Goal, Cameron; backs, Moore and McLean; halves, Jackson, Hayes, Fraser; forwards, Jameson, Phillips, Gilchrist, L. R. Jackson and Dowling.

Knox (0)—Goal, Ledingham; backs, McLeod and Walker; halves, Broadfoot, Hackney, Eadie; forwards, Renwick, Ritchie, Nicholl, Park and Reed.

Referee, W. Green (Victoria).

Varsity to Play at Dundas.

Dundas, Oct. 30.—The Dundas Scotch football team expect a warm game to-morrow afternoon, when they will play the University College team of Toronto in the Dundas Park. It is a long time since the enthusiasm over football reached such a pitch here, over a thousand having attended the game between the Scots and Galt last Saturday, and another large crowd is expected to-morrow.

Intermediate City League.

The Broadviews and Toronto Carpet Co. football teams play their scheduled game this afternoon on the Stanley Barracks grounds, foot of Strachan-avenue, at 3.30 p.m. All members are requested to be on hand early. As these two teams played a draw game the last time they met, and as both are strong in all positions, a fast and exciting game is expected. The Broadviews will be picked from the following: Chandler, goal; Weller and Maddocks, backs; half backs, Barkey, Gibbons (captain) and Clarke; forwards, Lewis, Gill, Tyner, Maxwell, Murray, Summerhays and Booth. The Broadviews will play two games with the Gore Vales on the former's grounds, Broadview-avenue, next Saturday afternoon, and as these games will decide the winners of the eastern section, they will be worth seeing, as both teams are evenly matched.

In the Financial League.

The game between the North American Life and Central Canada teams resulted in a draw, neither team scoring. The result was somewhat of a surprise to all interested, as it was expected that the trophy holders of 1901 would have no difficulty in taking the game from one of the tail-enders. It might be said, however that the North American Life had much the better of the argument in the first half, and only hard luck is credited with the loss of the game, as a good many shots were saved by the merest flukes.

Association Football.

All Saints Juniors will play Little York this afternoon on Broadview athletic field at 4 o'clock. This should prove a very interesting game, as both teams are in good condition and conducive of winning. All Saints' team will be picked from the following: McKeown, Darington, Bricker, Rolls, Patterson, Clayton, Henderson, Hawke, Cumin, Harries, Carroll, Boynton, Quarrington, Mann, Allan.

The Scots Juniors meet the Shamrocks in the Junior City League this afternoon. The following players are requested to meet at the corner of Keel and Dundas-streets, at 2 p.m.: A. Moore, B. Moore, Dunn, Hall, Ledger, J. Dunn, Dowdell, Beatty, Bavington, Marshall, McClelland, Mitchell, Gordon and Innis.

The Euclids will be represented this afternoon by the following players in their game at the Exhibition Park (big ring), at 3.30. RHONA ADAIR WON AT BOSTON.

Around Brookline Country Club in 86 Strokes.

Boston, Mass, Oct. 30.—The closing of the fall golf events at the Brookline Country Club to-day was made noteworthy by the breaking of the course record for women by Miss Rhona Adair, the British champion, in a four-ball tournament, playing with Miss Harriet Curtis of Boston, negotiating the 18 holes in 86 strokes, three strokes less than the previous record, and won the tournament handily with a best ball score of 84. Miss Margaret Curtis and Miss Georgiana Bishop were tied with Miss Elsa Horlburt and Miss F. C. Osgood at 86 for second place.

Yesterday afternoon there was a four-ball foursome competition in which Miss Rhona Adair, Great Britain's champion, took part. She had Miss Lockwood as a partner and played from scratch, doing a 94. Their opponents were Miss Margaret Curtis and Miss Frances Grescom, who won with 91, 4-87.

The play off of the tie of yesterday in the approaching and putting competition resulted in a victory for Miss Rhona Adair who made a score of 9.

Callahan and Lenny.

Lancaster, Pa., Oct. 30.—Eddy Lenny of Chester and Tim Callahan of Philadelphia, clashed before an audience of 1000 persons at the Lancaster Athletic Club last night. The result was a surprise to everybody, as Callahan was a strong favorite in the betting.

In the first round Callahan reached over Lenny's guard and landed hard on the right jaw. The blow floored Lenny, and he narrowly escaped a knockout. Had the blow landed an inch lower the fight would have been over. Lenny took advantage of the count, and when he arose he kept Callahan busy.

The third round was fierce, and both were staggered at different times by the blows rained upon them. Callahan did most of the leading, but Lenny proved himself an adept at dodging his furious left swings.

Eddie Santry Knocked Out.

Anaconda, Mont., Oct. 30.—The bout 'n which Aurelio Herraro, the lightweight Mexican pugilist, last night knocked out Eddie Santry of Chicago in the 12th round was to have been a 20-round fight. Santry forced the fighting thruout and was plainly Herraro's superior in science, but failed to deliver a knockout; and while mixing it fiercely in the thirteenth round received a terrific short-arm jolt behind the ear and went down and out.

Want to Meet Hamilton Boxers.

The winners of the recent boxing tournament are anxious to meet seven or eight representative amateurs from Hamilton in home-and-home contests. It would be necessary to have the bouts held in Toronto before the ice is made in the Mutual-street Rink. If the Hamilton committee are really anxious for the contests they would find it would be very easy to complete arrangements.

This Record Was Raised.

Paris, Oct. 30.—At the Pare Des Princess track yesterday Tommy Hall, the English cyclist, raised the cycling record for one hour by covering 54 miles and 535 yards in that time. The previous record for this time, 52 miles and 918 yards, was made Oct. 16 by M. Dangla.

Mike Ward and Gans.

Port Huron, Oct. 30.—The Athletic Club here is trying to induce Joe Gans, the lightweight champion, to meet Mike Ward, the Sarnia boxer, for ten rounds during November. Ward has beaten Willie Fitzgerald, Otto Sedloff, Joe Youngs and many other top-notchers. Ward has accepted the club's offer, so it is up to Gans.
