A GIGANTIC BABY

Centralia, Ill.—Mrs. Joe Robinson gave birth to a child weighing nineteen and a half pounds. Two years ago, she bore a baby which tipped the beam at eighteen pounds.

It is easy to see that Mrs. Robinson enjoys perfect health. Many women will envy her, because they go through life wretched and disparaged on account of ill health. Mrs. Mary Shoreham, of Toronto, suffered for years with diseased ovaries, constant pain in the back, headaches, indigestion and sallow, yellow skin. "Seven months ago a lady friend recommended Fruit-a-tives," writes Mrs. Shoreham, "and I decided to try this medicine, though I had little faith in it, because the doctors said an operation was necessary. After I had taken five boxes of Fruit-a-tives I was free of all pain, and was well again."

"Fruit-a-tives" are made of fruit juices and tonics and are the best medicine in the world for women. 50c.

FREDERICTON FAIR HAD SLIGHT SURPLUS

Receipts About $100 More Than the Expenditures

J. J. McCaffrey Donates $200 Trophy for Provincial Curlers to Compete For--Other News of the Capital.

Fredericton, N. B., Nov. 28.—The annual meeting of the agricultural society was held this afternoon and after receiving the reports of officers and appointing some committees an adjournment was made until Monday, December 9th. Auditor McKay's report showed that expenditure in connection with the last exhibition was $16,201.13 and the receipts $16,295.03, leaving a balance of $93.90. In addition to this there is a balance of $300 still due the society and a few small premiums remain unpaid, so the actual balance will not exceed $300.

The amount paid in premiums was $5,961.50, against $4,486 disbursed in this way at the last exhibition. New Brunswick exhibitors captured $3,723.50; those from Nova Scotia, $1,395.75, and $842.25 went to P. E. Island.

Of the New Brunswick prize money York county took $1,953.75; Sunbury, $117.50; Queens, $81.50; St. John, $210.25; Kings, $934.75; Westmorland, $5.50; Northumberland, $100; Carleton, $35.25, and Charlotte, $36.50. This information was given out in the report by Secretary Hooper.

A committee composed of J. W. McCready, G. Y. Dibblee, T. A. Peters, Wm. McKay and Secretary Hooper was appointed to draw up suitable bye-laws for the society. A committee composed of C. F. Chestnut, F. B. Edgecombe and J. W. McCready was appointed to go over the accounts of the last three exhibitions and determine if some means can be found to effect a saving on the expenses. Adjournment was then made until December 9th when reports will be submitted and officers elected.

A meeting of the executive was held this afternoon prior to the general meeting but no matters of great importance were discussed. A protest having been entered by J. S. Neill, one of the exhibitors in the dray horse class, the executive decided to cancel all awards. Mr. Neill protested against awarding prizes to the local fire department. An offer from a local concern to lease the electric light dynamos belonging to the society was declined.

Provincial Curling Trophy.

J. J. McCaffrey, proprietor of the Queen Hotel, with his characteristic interest in sports, has donated a trophy valued at $200 for competition among the curling clubs of the province. It has been placed in charge of a committee from the Fredericton club composed of H. C. Rutter, J. H. Hawthorne, T. G. Loggie, J. A. Winslow, R. F. Randolph and H. V. B. Bridges, who will control the competition. The conditions governing the matches have been prepared and copies will be immediately forwarded to the various clubs. The trophy will be played for once each season by all the clubs entering the competition and the club having the greatest percentage of victories will own it outright after March 20, 1910. In the case of Fredericton, St. Andrews and Thistle clubs, six rinks must compete but in all other cases four will suffice. Entries close with Secretary J. A. Winslow on December 31st. It is probable that the trophy will either be in the form of a cup or shield.

On the Sunday before Christmas a very interesting ceremony will take place at Christ church cathedral, in the ordination of two brothers. On the day named Rev. Richard Bolt, who is curate at the parish church in this city, will be ordained a priest, having been ordained a deacon a year ago, while his brother, Robert Bolt, now a lay reader at Woodstock, will be ordained a deacon. Messrs. Bolt formerly resided in St. John.

The death occurred at Lower Line, Queensbury, last evening, of Harry M. Clark, eldest son of Willard Clark, a well known resident of that place. Deceased was eighteen years of age and death came from Bright's disease. Besides sorrowing parents, three brothers survive.

MANY DOCTORS FAILED

Dr. Hamilton Again Figures in a Case That Puzzled Other Physicians.

Halifax, N. S., Sept. 21—When the statement of Mrs. Stanley, of 148 Argyle street, was first given it caused no small comment and again established that as a physician who understands his profession is Dr. Hamilton. "I feel like saying," says Mrs. Stanley, "I have suffered greatly from a peculiar dragging feeling. This resulted from nervousness and I had tried Doctors prescribed but failed to find anything of real benefit. A friend told me about Dr. Hamilton's Pills of Mandrake and Butternut and I bought five boxes. They gave me renewed strength and energy, toned my stomach, enriched my blood, and supplied just what my system needed. No medicine could have benefited more than Dr. Hamilton's Pills, and I believe every woman would be helped enormously by using these pills regularly. They did me more lasting good than all the prescriptions I took in five years."

No man or woman in poor health ever used Dr. Hamilton's Pills without benefit; the depressed, ailing and weak they uplift and strengthen as a trial always proves.

CAPT. THOS. O'LEARY KILLED AT HALIFAX

Halifax, N. S., Nov. 28—Captain Thomas O'Leary, of the government cable boat Tyrian, lost his life by being jammed between two cars while he was on his way to the steamer at the marine and fisheries wharf. The accident occurred at a spot where the congestion of cars is very great.

This morning Captain O'Leary attended mass at St. Patrick's church and was on his way back to the steamer when the accident occurred. No one saw just how the accident happened, but it is believed he noticed two cars a few feet apart and as he was passing through this space, a shunter came along and shoved the two cars together, jamming Captain O'Leary between the buffers.

He was removed to the hospital, where he soon died. The deceased was fifty-nine years of age, and is survived by a wife, three daughters and seven sons. His sisters are Mrs. L. G. Power, of Halifax; Sister M. Regis of Staten Island; Mrs. E. Kinney, and two unmarried sisters at West Quoddy, where his aged mother is also residing.

ST. JOHN MARKETS

There was little or no change in the local markets last week, but prices in all lines remain about the same. Oats are cheaper by about three cents, as also is cornmeal in bags. It may be of interest just at this time to compare the prices paid here for commodities with those paid in New York. From a wholesale list published in a recent New York paper the following figures are taken:

Beef, 8½ to 11 cents a pound; veal, 10½ to 14½ cents a pound; lamb, 12 to 13 cents; mutton, 10 to 11 cents; pork, 7½ to 8¾ cents. In the New York market all sorts of poultry is quoted by the pound. It is said that wholesalers buy chickens from the farmers in that way, although they retail them again by the pair.

Turkeys are quoted in New York at 13 to 19 cents, while chickens range from 20 to 23 cents a pound and fowls 10 to 15 cents. Venison is very high, being held at 25 to 30 cents by the carcase.

The figures on flour are lower than those that prevail here, although in fairness it should be said that, according to the government analyst reports American flour is not as good as Canadian. Here are the New York figures by the barrel: Spring patents, $5.30 to $6.25; winter patents, $4.85 to $5.35. Butter can be bought wholesale in New York, creamery for 28 to 28½ cents a pound; factory, 18 to 21 cents. Cheese sells for from 11 cents to 15¼ cents. Eggs are higher selling; for choice to extra, 30 to 32 cents a dozen; best refrigerator, 18 to 20 cents. Granulated sugar sells for $4.80 and New Orleans molasses 28 to 35 cents a gallon. Potatoes are quoted at from $2 to $2.25 a barrel.
