IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so completely meets the wants of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list, as a truly scientific preparation for all blood diseases. If there is a lurking taint of Scrofula about you, AYER'S SARSAPARILLA will dislodge it and expel it from your system.

SCROFULA

For constitutional or scrofulous Catarrh, AYER'S SARSAPARILLA is the true remedy. It has cured numberless cases. It will stop the nauseous catarrhal discharges, and remove the sickening odor of the breath, which are indications of scrofulous origin.

CATARRH

ULCEROUS SORES

"Hinto, Tex., Sept. 22, 1882.
"At the age of two years one of my children was terribly afflicted with ulcerous running sores on its face and neck. At the same time its eyes were swollen, much inflamed, and very sore. Physicians told us that a powerful alterative medicine must be employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendency, and no treatment of any disorder was ever attended by more prompt or efficacious results.
Yours truly, R. F. JOHNSON."

500 STEM-WINDING WATCHES FREE.

In order that we may positively put the 40,000 more subscribers required by the 22d of February, the publisher has bought 500 Stem-wind Ladies' and Gents' 900 Watches will be given away to the first 500 people who answer this advertisement. If you send us 50 cents you will be entitled to one of these old, well known and reliable watches and one receipt good for one present. These watches are warranted to be good time-keepers.

We will publish the list in the February issue of THE POULTRY KEEPER the names and addresses of the winners of the 500 Stem-winding Waltham Watches. This offer is open to all and will be carried out to the letter. Send now, don't wait.

THE POULTRY KEEPER is well established, has been already 40,000 subscribers, and is backed by people capital so we could not afford otherwise. Understand some who read this may be doubtful about our ability to give every 500 Watches as promised, but we are able to do so and prepared to do so, anywhere from $25 to $100, and to secure a large circulation in a paper. The power of a publisher that spent $5,000 in one week in giving away free every and advertising his paper, and the money was well spent, for it proved to be a substantial circulation that paid good interest on the investment. Publishing advertisements must either be done on an extensive scale or not at all. It took just as much for matter, and just as much for illustrations, whether paper, editorial services, rent, and for setting up the type for a paper of 16 columns as it does for a paper with 300,000 circulation. On small editions each one of the above items results the cost of a similar paper circulating, but on large editions the expense is spread over so many papers that it is almost entirely lost. Then you see that large profits can be made only by doing a large business. This is precisely what we propose doing with THE POULTRY KEEPER. We will send a Printed list of the Awards free, and all presents will be forwarded to holders of receipts as they may direct. OUR OLD PATRONS AND SUBSCRIBERS, upon whom we have by thousands, should go to work at once and help us to increase our list by this grand and generous offer.

ONLY 50 CENTS between THE POULTRY KEEPER one year and one receipt good for one present. One number of the paper is worth double the subscription price. Act at once, positively, no price shall not be lower than 50 cents. Remember, dispatch.

REMEMBER these are Presents to our Subscribers given to them absolutely Free. Old-fashioned Postage Stamps taken.

Money in sums of $1 or less may be sent in an ordinary letter at our risk; larger sums should be sent by Registered Letter or Money Order, and addressed to THE POULTRY KEEPER, 89 Randolph St., Chicago, Ill.

An Old Soldier's EXPERIENCE.

"Calvert, Texas, May 8, 1882.

"I wish to express my appreciation of the valuable qualities of

Ayer's Cherry Pectoral

as a cough remedy.

"While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try AYER'S CHERRY PECTORAL.

"I did so, and was rapidly cured. Since then, I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases. J. W. WHITLEY."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily.
