The morning office of Good Friday commenced at the same hour as on Holy Thursday, his Lordship the Bishop officiating, assisted by Rev. J. C. McDonald as Arch-priest, the other officers being the same as on the previous day. On Saturday the services commenced at half-past seven in the morning, the Rev. J. C. NOTICE.

ACCORDING to the terms of the challenge made by Mr. Hugh Cummiskey in the HERALD of the 14th inst., I went to Mr. Alexander Jenkins for the purpose of arranging as to the time and place, and depositing fifty dollars with Mr. Jenkins for a trotting match between my horse and Mr. Cummiskey's. I met Mr. Cummiskey at the appointed time and place. He however refused to make a match for a trot, excepting on the following conditions, that the trot should take place on Upton Park next July twelve-month, or on the River Ice next winter. An extension of time, such as this condition implies shows clearly that Mr Cummiskey did not intend to act honorably or in good faith, and I therefore decline to take further notice of him or of his wordy advertisements.

MEMORABLE WORDS OF A GOOD OLD COMMANDER.

"Will Fight it out in this Line if it takes me all Summer."—U. S. Grant.

WE adopted last Spring a very low scale of CUT-RATE PRICES, which were duly acknowledged by the general public. This year we intend "fighting it out on the same line," and will put forth greater efforts than usual to sustain the reputation already earned for "LOW PRICES AND HONEST GOODS." Last year we labored somewhat in the dark as to the requirements of our customers, but have now the knowledge of the wants of our patrons, we have purchased (part of which have arrived), a large and well-selected Stock of DOMESTIC AND FOREIGN GOODS, those who may again favor him with their Garments. Just opened, 50 Men's Suits, Navy-Blue Serge, only $6.00; worth $10.00. 50 Suits All-Wool Gray Oxford, would be cheap at $12.00; only $7.50. 50 Suits Assorted Tweeds, in neat patterns, $8.50 to $10.00. 50 Suits All-Wool Tweed Pants, in new patterns, $2.00. Our Tailoring Department is still under the management of Mr. Barron, whose reputation as a First-class Cutter is now well established, and he intends using spasmodic efforts this Winter to please his customers. Just opened, 50 Men's Suits, Black Worsted Suits made to order, only $20.00; worth $27.00. Scotch Tweed Suits made to order, only $18.00; worth $22.50. A very large stock of Children's Suits, at $1.75 and up. A large stock of Youths' Suits, (to measure), $4.00; worth $6.00. French Worsted Pants, in new patterns, $5.00. A large stock of Ladies' 4 Clasp and 4 Button Kid Gloves, 05 and 85 cents and up. 2 cases Straw Hats, in Sailor, Tourist, Yachting and Regatta Shape, 10 cents and up. SANDFORD'S

Patent Cutting Apparatus

—FOR—

Mowers and Reapers.

THE object of this Invention recently Patented, is to provide a Simple, Durable and Efficient CUTTING APPARATUS for Mowers and Reapers in which is employed a finger bar adapted to receive and securely hold a removable stationary cutting bar, and also receive and hold a reciprocating cutter bar for co-operating with the stationary cutter bar and to permit both cutter bars to be readily removed and replaced at the operator's will.

FIRST.—Said patented improvement can easily be placed on any Mower or Reaper manufactured.

SECOND.—It tends to sharpen itself.

THIRD.—It is impossible to clog it.

FOURTH.—It lessens the draft on teams from 25 to 33⅓ per cent., thereby greatly decreasing the wear on gear of machine.

FIFTH.—It gives a clean, handsome shear cut, and by far superior to any cutting apparatus ever before known, and works to perfection in all kinds of grass.

FARMERS, TRY IT,

After once using you would not do without for three times its cost.
