HOLY WEEK AND EASTER.

Even the Wednesday before the Easter holidays are sacred to the memory of the Lord's last week on earth. Many are the sermons and addresses on the subject of the betrayal, the agony in the garden, the crucifixion and the burial. Perhaps the most impressive of all the services of the Holy Week are those which are devoted to the memory of the Last Supper, the Betrayal and the Crucifixion. Many churches will have special services for the Maundy Thursday evening when the Lord's Supper will be observed. The Good Friday services will be devoted to the memory of the Crucifixion. Many churches will have special services on Easter Sunday morning when the Resurrection will be celebrated. The Easter Sunday morning service is one of the most impressive of the year. This year the Easter Sunday morning service will be held at the Presbyterian church when the Rev. Dr. Lockhart will preach a special Easter sermon. The Rev. Dr. Lockhart is a preacher of great power and his Easter sermon will be a fitting one for the occasion. The Rev. Dr. Lockhart's sermon will be preceded by a special Easter service by the Sunday School. The Easter Sunday morning service promises to be one of the most impressive services of the year
