APPOINTED JUDGE.—N. H. Meagher, Q. C., has been appointed judge to the vacancy in the supreme court of Nova Scotia. The appointment was a surprise, as Mr. Meagher never took an active part in politics. He will, no doubt, make none the less competent judge, on that account.

H. Barry.

SPORT AHEAD.—Last week several thousand young white fish were deposited in the Harvey lake. They were brought down from the hatchway at Grand Falls. Good fishing, it is said, is likely to be had in this lake next June. Some good salmon were seen there by the section men last fall, supposed to be of the first lot of land-locked salmon which were sent adrift in this lake by track master Brown and others ten years ago.

"Jerry" was taken totally by surprise, but he made a fitting reply.

TO FILL THE VACANCY.—The appointment of Mr. Landry to a Judgeship has rendered an election necessary to fill the vacancy in Kent county for the Dominion parliament. Quite a number of names are mentioned in reference thereto, among whom we notice those of J. D. Phinney, the present representative in the local house, G. V. McInerney, Hon. Mr. LeBlanc, Gordon Livingstone, Renaud, ex. M. P., C. J. Sayre, ex. M. P. P. Among so large a number of names it should not be difficult to select a suitable candidate.

A LIVELY RACKET.—A young man who "gorged" considerable of the Scott act thick-tougue and leg tangler into his system, sailed down Queen street on Saturday afternoon upsetting signs, chairs, boxes and everything his hands could reach, compelling women and children to flee in terror. THE FEVER RISING.

Base Ball Prospects Looming Up.

It looks as if Fredericton would have another team on the diamond this year. On Thursday evening a largely attended and enthusiastic meeting of the A. A. Association was held in the council chamber of the City Hall. The president, Mayor Allen, presided. It seemed to be the unanimous opinion of the meeting that the sport should not be allowed to die out in Fredericton. The very creditable shewing, after the very heavy expense incurred in organizing and fitting up grounds last year argued success for the present year. The Secretary, Jas. H. Hawthorne, made a statement of the present condition of the club.

The accounts of last year showed a debt of $570, against which the association have assets amounting to $760. After votes of thanks to the management of last year and Secretary Hawthorne, the association proceeded to the election of officers, resulting as follows:

His Worship Mayor Allen, president;
M. Tennant and J. H. Barry, vice-presidents;
J. W. McCready, secretary;
A. F. Street, treasurer;
H. C. Rutter, J. H. Hawthorne, F H. Risteen, L. C. Macuutt, D. L. Babbitt, managing committee.

The meeting then proceeded to consider ways and means and committees were appointed for that purpose, who will report at an early day.

A Good Time at St. Mary's.

Rossmore Loyal Orange Temperance Society celebrated its second anniversary Wednesday evening in the Foresters' Hall, St. Mary's. Long before the hour for the opening, the hall was filled to its utmost capacity. The chairman, Edward Staples, opened the meeting with an appropriate address, giving a verbal account of the growth of the order for the past two years, after which the following programme was carried out:

Violin Duett, - - - - - - - - - - - - Donald Wiley and Moses Jones.

The programme having exhausted, the committee passed around refreshments, after which those wishing to do so, remained and finished the celebration by playing games, etc.

A New Cantatrice.

Many Fredericton people will remember the charming young singer, Mattie Colby, who delighted an audience here a few years ago. She has recently made her debut in London, with very great success. A correspondent of the Boston Transcript thus speaks of the lady under whose care her voice was developed. Mme. de Angells was, as many readers know, a former resident of Fredericton:

Miss Colby was well prepared for her study abroad. From childhood, her voice, which developed very early, was under the care and training of the well-known teacher, Mme. de Angelis, who directed her practice with such rare skill that her delicate and flexible organ was never unduly exercised or brought out otherwise than by a pure and true method. So many exquisite voices have been injured and even ruined by vicious methods of teaching, that an artist who starts out into the broad highway of musical culture with such exceptional preparation as Miss Colby had, may well feel encouraged to go onward in the race.

Married in Montana.

A Montana paper, chronicling the marriage of Miss Sarah E. White to George L. McGibbon on the 6th inst. says:—

The bridegroom is a native of Douglas, New Brunswick, where he entered upon life as a school teacher, for a season after "crossing the line" he still continued in the avocation. But he is now extensively interested in the mines of Neibert. The bride was born at Nashwaak, New Brunswick, in which vicinity she is highly esteemed by a large circle of friends. She was accompanied by Mr. and Mrs. Chas. F. McGibbon, whose marriage took place on the 25th December, 1889, at Douglas, New Brunswick. Chas. F. McGibbon has been a resident of Great Falls for nearly four years and his wife was Miss Mary M. McGibbon of Douglas, New Brunswick.

Send in Your Names.

The New Brunswick Telephone Company, the first of May, propose issuing new and complete lists of their subscribers, and before doing that, desire those intending to become subscribers, to make immediate application, so that their names may appear on the new list. The company have now in use 225 instruments, and as every subscriber will admit, furnish an excellent service and one without which business men and others would be very seriously inconvenienced. The company are more than deserving of the fine patronage extended to them already, but feel that there are very many persons yet in the city who would find a telephone a great convenience.

Concert in the Church Hall.

The entertainment given by the Women's Aid Association in the Church Hall on Thursday evening was very successful and the attendance gratifyingly large. John Black presided. The musical programme comprised selections by the R. S. I. orchestra; solo, by Mrs. Jeffrey; violin solo, Miss Bailey; solo, Prof. Stockley; solo, Miss Stanger; solo, Mr. Gellibrand; piano solo, Miss Bessie Babbitt; solo, Miss Lugrin, all of which were splendidly given. Coffee, cocoa, cake, etc., were served during the evening, Mrs. Bailey, Miss Bailey, Miss Campbell, Miss Akerley, Miss Hunt and Miss Kathleen Gordon acting as waiters.

Marrying a Title.

When Sir Harry Burrard resigned his lieutenancy in the British army, a few years ago, and married the pretty daughter of a St. John dry goods dealer, she was supposed to have made a great catch, says the Chatham World. Now he is a bankrupt, his estates have been sold, and he has only his old father-in-law to look to for a living. Many of those who marry titles have the same experience as this St. John girl.

THEY SHOULD BE TRULY THANKFUL.—The St. Croix Courier says: "No one will regret the prorogation of the legislature." Certainly the opposition should be thankful that the session did not last any longer; from a solid front of fifteen, on the opening of the house, they gradually dwindled down, as the session grew protracted, until on the last division they mustered a rank and file of nine. Whether on reflection, they will be as well satisfied with their conduct in the house, as they ought to be with the prorogation is a doubtful question.

FUNERAL OF THE LATE JOHN LAWSON.—The remains of John Lawson arrived from Toronto by Monday afternoon's train and were conveyed directly to the cemetery above town for interment, followed by a large number of citizens. The chief mourners were deceased's brothers, Charles and George, the latter having come on from Boston, where he is now located. Rev. A. J. Mowatt conducted the obsequies.

MASONIC HALL COMPANY INCORPORATED.—The New Brunswick Masonic hall company were incorporated by act of the legislature just closed.

FREEMASONS IN SESSION.

Meeting of the Grand Lodge in St. John.

The Grand Lodge of Free and Accepted Masons of New Brunswick convened during the week in the Masonic Temple, St. John. The session was a most interesting and successful one and largely attended by members of the craft from all over the province. Grand Master Dr. Walker delivered a very excellent address, rendered unusually interesting by reminiscences of his recent trip to the old country and his visits among the lodges there. The report of the secretary showed the order to be in a flourishing condition. The first and second degrees were beautifully exemplified.

The Short Line.

Sir John Macdonald has laid before the commons the report of Collingwood Schreiber, government engineer, upon the completed survey of the Harvey-Moncton section of the Short Line railway. The route chosen is between Harvey station on the New Brunswick railway and a point on the Intercolonial, near Moncton, via Fredericton, and Mr. Schreiber expressed the opinion that the shortest, best and cheapest line the country could afford has been secured. Owing to the physicial features of the country, it has been found necessary to leave a choice of two lines. One leaves Harvey station and passes through the city of Fredericton running generally in an eastern direction to Wilson's Brook and connecting with the Intercolonial at Berry's Mills station. The other follows the same route until it reaches Wilson's Brook, where it branches off to Salisbury Station on the I. C. R. west of Moncton. From Gordon Creek, for about six miles in approaching Fredericton from the west, there are two locations from which to choose, one crossing the Fredericton branch railway by a high level bridge, the other at rail level from Wilson's creek, eastward. Two locations have also been made, one to Berry's Mills, the other to Salisbury. The route from Harvey to Moncton via Berry's Mills is the shortest of the two by two miles, but it has the disadvantage of needing three and three-quarters miles more to be constructed. The proposed route is described at some length and the following tables of distances are given: From Montreal to Halifax, via Mattawamkeak, Harvey, Fredericton and Berry's Mills, 723 miles; via Mattawamkeag, Harvey, Fredericton and Salisbury, 725 miles; via Mattawamkeag and St. John, 775 miles; via Chaudiere Junction, Campbellton and Moncton, 848 miles.

The cost of the construction of the line via the Harvey-Berry's Mills route is placed at $2,297,000, or about $20,000 per mile.

Cowardly Ruffians.

A young lad named Walter McFarlane of Gibson, was assaulted by two men of the I. S. Corps, near the highway bridge on Saturday night, about half-past nine o'clock. They knocked him down and then commenced kicking him, when his cries of murder brought him assistance. Col. Maunsell gave him an opportunity on Monday morning to see if he could recognize the men, but he could not do so, and they got clear of the punishment they so richly deserved and would have got.
