# DR. RADWAY'S Sarsaparillian Resolvent!

RADWAY'S SARSAPARILLIAN RESOLVENT, a remedy composed of ingredients of extraordinary medical properties, essential to purify, heal, repair and invigorate the broken down and wasted body. Quick, pleasant, safe and permanent in its treatment and cure.

Sold by all druggists. $1 a bottle.

# Radway's Pills

**Always Reliable, Purely Vegetable.**

Perfectly tasteless, elegantly coated, purge, regulate, purify, cleanse and strengthen. RADWAY'S PILLS for the cure of all disorders of the Stomach, Bowels, Kidneys, Bladder, Nervous Diseases, Dizziness, Vertigo, Costiveness, Piles.

**Sick Headache, Female Complaints, Biliousness, Indigestion, Dyspepsia, Constipation and all Disorders of the Liver.**

**True Comfort for the Aged and Others afflicted with Costiveness and Paralysis of the Bowels.**

**One to three of Radway's Pill,** once in twenty-four hours, will secure regular evacuations from the bowels. Persons who, for 20 years, have not enjoyed a natural stool, and have been compelled to use injections, have been cured by a few doses of Radway's Pills.

**Persons advanced** in life often suffer from indigestion, and from paralysis or inability to evacuate from the bowels; likewise from urinal difficulty. We have the evidence of a large number of aged persons, from 70 to 80 years of age, who have been cured of this defect (who were compelled to resort to injections to empty their bowels) by the use of Radway's Pills. Two or three pills every night, in all cases insure a natural evacuation from the bowels and a regular flow of urine. In cases where there is irration of the Bladder, the Resolvent should be used alternately with the pills. If these organs are kept regular, life may be extended to a much longer period. By keeping the Liver, Stomach, Bowels and Kidneys in a healthy condition, the blood will continue pure and dissolution checked. This great desideratum is within the reach of all by the use of Radway's Pills and Resolvent. Drastic Aloetic Pills, in persons of advanced age, hasten dissolution; irritates and wears out the bowels and coats of the stomach, destroys the absorbents, so that these vessels are incapable of assisting in the repair of the body's waste. If Radway's Pills and Resolvent are used by the aged, life will be prolonged to the full measure of time. Another great end is secured by nourishing the body with these remedies—the faculties will remain in a healthy condition. A weak, feeble and decaying body enfeebles the intellect and clouds the brain.

**Price 25c per box. Sold by Druggists or Sent by Mail.**

**Radway & Co., 7 St. Helen street, Montreal.**

**Be sure to get "Radway's" and see that the name is on what you buy.**

# FAREWELL FUNCTIONS

**Receptions at Toronto in Connection With the Departure of Lord and Lady Aberdeen.**

Toronto, Nov. 8.—Two receptions were held yesterday in connection with the farewell visit of the governor-general and Lary Aberdeen to the city. At 2 p.m. they visited the new city hall and inspected it. There was a large turnout of citizens, and among others present was Mr. T. G. Mason, who witnessed the opening of the old city hall 50 years ago. The ceremony took place in the main entrance hall. Mayor Shaw read an address expressing loyalty to the motherland and the person of the sovereign, and regret at the approaching departure of the governor-general and Lady Aberdeen, besides an interesting reference to the relations of the United States and Great Britain.

Lord Aberdeen, in his reply, voiced his appreciation of the kindly sentiments contained in the address, and the regrets of Lady Aberdeen and himself at their approaching departure. Among the sentiments alluded to in his address he said he could not help referring to that mentioned in the concluding portion of the address, in regard to the good understanding and good feeling between that kind of triple alliance, "Great Britain, Canada and the United States." (Applause.) "When I speak of an alliance," he said, "of course you will understand that I speak of those common interests, those mutual concerns which necessarily bring us together, first in a close definite sense between Great Britain and Canada, and also in regard to that great country, the United States, to which we are contiguous." (Cheers.) He closed by thanking the city for its hospitality.

The gubernatorial party then made a thorough inspection of the new building.

The second reception of the day was held at the parliament buildings, from 5 to 7 o'clock. It was entirely informal, and was attended by about 3,000 citizens, who came to wish them farewell. A guard of honor, consisting of 100 members of the Royal Grenadiers, was stationed outside the building, and was renewed before the party entered the legislative chamber, where the reception was held. The party was welcomed by Premier Hardy and several of his colleagues. The reception followed, a continuous stream of visitors calling and shaking hands with the departing governor-general and his countess.

In the evening the vice-regal party attended the performance at the Princess Theater, which was under the auspices of the city regiments. During the day addresses were presented to Lord Aberdeen from the St. George's Society, the Ontario Curling Association and the Canadian Historical Society. The vice-regal party leave town today en route for Quebec.

# How Old She Looks

Poor clothes cannot make you look old. Even pale cheeks won't do it. One thing does it, and never fails. It is impossible to look young with the color of seventy years in your hair.

# Ayer's Hair Vigor

permanently postpones the tell-tale signs of age. It brings back the color of youth. At fifty your hair may look as it did at fifteen. It thickens the hair also, stops it from falling out, and cleanses the scalp from dandruff. $1.00 a bottle. At all druggists.

If you do not obtain all the benefits you expected from the use of the Vigor, write the doctor about it.

Address, DR. J. C. AYER, Lowell, Mass.

# SEASONABLE AMUSEMENT

**Preliminary Round for the Local Golf Handicap Extended.**

**Detailed Score of the Golf Game Played in Cleveland—Turf and Other Sporting News.**

GOLF.

LOCAL HANDICAP.

The preliminary round for the October handicap of the London Golf Club has been extended up to and including Saturday, Nov. 13.

Cleveland Plaindealer: In spite of the rain the match between the golf clubs of Cleveland and London, Ont., was held Saturday afternoon on the links of the Cleveland club at Glenville.

Preparations had been made for guests, but on account of the weather few people attended who were not to play, and none of the ladies of the club were present.

When the two clubs played before over the London links, the Clevelanders were beaten, so this match was looked forward to with a good deal of interest and anxiety, and the Clevelanders were very well satisfied with the score made, which won them back the 18 points lost before and made a tie between the two clubs.

The score was as follows:

Brown, London; Boardman, Cleveland; 4 up first round, 3 up second round; 1 up for Brown for the day.

Betts, London; Crowell, Cleveland; 1 up second round, 4 up first round; Crowell 3 up for the day.

Blackburn London; MacLennan, Cleveland; 2 up first round, 1 up second round; MacLennan 3 up for the day.

Cronyn, London; MacBride, Cleveland; tied first round, Cronyn 2 up second round; 2 up for the day.

Inglis, London; Cary, Cleveland; 6 up first round, 3 up second round; 9 up for the day.

Gates, London; Rainey, Cleveland; 6 up first round, 3 up second round; 9 up for the day.

MacDonald, London; Harvey, Cleveland; 3 up on first round, tied second round; 3 up for the day. Majority for Cleveland, 18 holes.

As the London club is one of the best in Canada, the Cleveland men are proud of their showing in the game.

Mr. Brown, who played first against Boardman, is one of the best players in Canada, and took part in the international contest between the United States and Canada.

Haggin, and will be brought to Ranco del Saco, near Sacramento. St. Gatien, now 15 years old, won every race for which he was started as a 2-year-old, was unbeatable at three, only once beaten at four, and only twice at five years of age. Three defeats in four seasons on the turf.

FISTIC.

BASEBALL.

CHICAGO'S RECORD.

The Chicagos were shut out in fewer games and applied the whitewash brush more times than any other National League club last season. All told 84 shutout games were played, in which 38 pitchers took part. Powell, of the Clevelands, and Platt, of the Philadelphias, lead with six each. Nichols and Tannehill are tied with five such victories, while Rusie, Seymour, Griffith and Hughes each shut out their opponents four times. Six pitchers administered the "Chicago" twice to one club—Powell to St. Louis, Platt to Cleveland, Nichols to Pittsburg, Tannehill to Boston, Seymour to Cincinnati, and Hughes to Boston.

NOTES OF SPORTS.

Joe Gans, having beaten McPartland, is now matched with Jack Daly at Cleveland, Dec. 12, for $5,000.

The annual international field trials will begin Nov. 15 at Mitchell's Bay, Ont., as usual. The split in the association is shown by the absence of Detroit entries, and but one Windsor entry.

First Baseman Decker figures in a dispute between the Chicago and St. Louis clubs. The former claims $2,000 for him from St. Louis.

# WABASH CHANGES

**Probability of the New-Comer Scooping in the Air Line.**

The Toronto street railway has decided to make an experiment in the matter of smoking cars, and will run cars on certain lines during certain hours of the day in which smokers will be allowed full privileges.

Mail Clerk William Black, who ran on the old main line division of the Grand Trunk between Sarnia and Toronto, died in the hospital in the latter city on Friday last. Deceased was taken ill on his run a week ago and was taken to the hospital, where he underwent an operation, from the effects of which he succumbed.

A St. Thomas dispatch says: The probabilities are that it will be only a matter of a few months at the most before the G. T. R. will turn over the entire Air Line division to the Wabash Railway. Indeed, for some time past they have been sending little, if any, freight over this division, other than that carried by local trains. At the present time there are only four freight crews stationed here other than those required to man the local trains, and they have received orders to move to Windsor. This will be a serious loss to this city, as the men have property here, and will mean a loss of about 50 to the population. The Wabash will issue a new winter timetable about Nov. 13, when two passenger trains will be discontinued.

BURNED TO DEATH.

Detroit, Nov. 8.—A blacksmith shop at Chene street and the Michigan Central Railroad went up in smoke on Sunday morning, and Patrick Murphy, the owner lost his life in the burning structure. Two neighbors, Thomas Ferguson and William McKinley, made desperate efforts to save the unfortunate blacksmith. They broke in the door, but smoke drove them away and Murphy was apparently too much overcome by it to save himself.

**A Substantial Gain.**

"I was very weak and hardly able to walk. My blood was thin and I was as pale as death. Being told about Hood's Sarsaparilla I began taking it and in a few months I had gained 20 pounds in weight. I kept on with it until I was as well as ever." Arthur Mills, Dresden, Ont.
