JUNCTION QUARANTINE WILL BE A RIGID ONE

Outbreak of Smallpox Calls for Drastic Treatment—General News From York County.

TORONTO JUNCTION, Dec. 4.—An emergency meeting of the board of health was held to-night to consider what action to take in the case of Joseph Cronin, the C.P.R. fireman who has developed symptoms of smallpox. Cronin was released from quarantine at a house on Willoughby-avenue at midnight last Friday evening, where he and Burt Eaton were confined for 14 days, the medical health department having received an intimation that they were in the company of Chisholm in the railway camp at Linwood, where Chisholm was suffering from the disease at that time. When the quarantine was raised on Friday night Eaton left for Linwood and Cronin remained in the Junction. This afternoon he called to see Dr. Hopkins, complaining that he did not feel well and asked the doctor for a certificate that he was sick, in order that he might go to his home in Teeswater. When the M.H.O. had diagnosed the case he immediately sent for Dr. Tweedie, an expert from Toronto, who after examination pronounced it a mild form of smallpox. When the quarantine was raised on Friday night Cronin returned to his former boarding-house on Vine-avenue, where he has since resided. Sanitary Inspector Ward therefore placed the house under quarantine this afternoon when the result of the diagnosis was made known. The board of health to-night gave instructions that Cronin be removed at once to the Swiss Cottage, Toronto, and that three special constables be appointed to watch the house for about 18 days. Alexander Hayes, ex-chief of police, will be in charge of the constables, who will be provided with temporary shelter and be on duty during eight-hour shifts. The inmates of the house are about eight in number and include Mrs. Liske, the landlady, and her daughter, and several boarders, some of whom are C.P.R. employes. The town had to guarantee the $200 fee before the patient was admitted to the hospital. The ambulance arrived from Toronto about 9.30 to-night.

Election of officers took place in Stanley Lodge, A. F. & A. M., last night, the following being chosen:

W.M.—W. D. Thomas.
S.W.—J. T. Jackson.
J.W.—R. Gourlay.
Secretary—William Harris.
Treasurer—Dr. Clendenan.
Chaplain—J. W. Wansborough.
S.D.—Harvey Daley.

Club Endorse Bylaws.

A meeting of the members of the Toronto Junction Curling and Bowling Club, which will have its headquarters at Ravina Park, was held to-night in the town hall, with the vice-president, Herman Heintzman, presiding. The bylaws drafted by the executive were adopted.

A. J. Eaton of 343 Quebec-avenue, a traveler for the Frost Harness Co. of Hamilton, had his leg broken in a runaway accident at Palmerston yesterday. He was brought to his home in the Junction and is being attended by Dr. Perfect.

Mrs. Bender, 26 years old, of 202 Campbell-avenue, died yesterday in the Western Hospital. The funeral will take place from her late residence at 9 a.m. to-morrow, to St. Michael's Cemetery.

The management committee of the curling club will meet on Saturday evening to perfect arrangements for commencing games for the winter.

Good Progress After All.

The Humberside crossing is almost completed and Mayor Baird stated to-night that the cars will likely commence to use the "Y" again on Friday morning. The trolley wires will be changed from Humberside to Keele-street, to suit the altered position of the tracks, and the "Y" at Keele-street is not yet completed. Manager Fleming has not, however, as yet intimated to the mayor or council as to whether he will allow the cars to resume the old route to Humberside. Anyhow, a few days will complete all the work and he will then have a chance to give a practical demonstration of his opinions on the matter.

The election of officers of Wallace Royal Black Preceptory of Ireland took place to-night. Chief Flintoff, W.P.; R. G. Agnew, B.P.; Dr. Hackett, chaplain; J. Findlay, registrar; W. A. Baird, treasurer; T. Goldthorp, first lecturer; T. H. Thompson, first censor; James Keene, second censor; H. Cochran, first standard-bearer; J. W. Dodds, second standard-bearer; F. Bowering, pursuivant; Thomas Moore, Tyler. The following committee was appointed: Messrs. Moon, Sheppard, Linton, Moffitt, Howell, Johnson and Wiggins. Several of the grand lodge officers were present, including members of the County, Provincial Grand Black Chapter. William Milling, past preceptor of lodge No. 292, was also present. Grand Registrar Williams was the installing officer.

WESTON.

Blaze in High School Causes Damage of Twenty-Five Dollars.

WESTON, Dec. 4.—The High School was the scene of excitement to-day thru fire messages, which were sent in all directions for help, and the people quickly responded. However, on account of the cool-headedness of Principal Campbell, his assistants and pupils, the outbreak was subdued before it reached serious proportions. The cause was a large register in one of the class rooms on the ground floor becoming overheated. The woodwork caught fire, and the flames ran along the joist to the flue connecting with the upper storey. The pupils were promptly dismissed and marched out regularly.

The damage will not amount to more than $25.

About Watches

Watches are good, bad and indifferent. Cheap Swiss watches and the so-called non-magnetic watches are properly designated as "rubbish."

High-grade Swiss and American watches come under the head of "good," and they are the only timepieces worth having. They cost a little more at the beginning, but they are infinitely cheaper in the end. Our silver watches for girls, at $8.00 each, are 15-jeweled timepieces, and represent very good value.
