WOMEN OF MIDDLE AGE

Need Help to Pass the Crisis Safely—Proof that Lydia E. Pinkham's Vegetable Compound Can be Relied Upon.

Urbana, Ill.—"During Change of Life, in addition to its annoying symptoms, I had an attack of grippe which lasted all winter and left me in a weakened condition. I felt at times that I would never be well again. I read of Lydia E. Pinkham's Vegetable Compound and what it did for women passing through the Change of Life, so I told my doctor I would try it. I soon began to gain in strength and the annoying symptoms disappeared and your Vegetable Compound has made me a well, strong woman so I do all my own housework. I cannot recommend Lydia E. Pinkham's Vegetable Compound too highly to women passing through the Change of Life."—Mrs. Frank Henson, 1316 S. Orchade St., Urbana, Ill.

Women who suffer from nervousness, "heat flashes," backache, headaches and "the blues" should try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound.

MUNICIPAL COUNCIL

(Continued from last week)

The following resolution for encouragement of new industries in the Municipality was moved by Councillor Bishop, Seconded by Councillor Piggott and adopted by Council.

Whereas, one of the greatest drawbacks to the progress, and developments of Nova Scotia is the lack of industrial enterprises in the Western part of the Province, and

Whereas the County of Annapolis is capable of supporting a population of fifty thousand people and

Whereas the natural resources of the County as to Water Power and wood consuming industries are practically undeveloped and

Whereas the development of the resources would result in a material increase of population and afford an opportunity to provide remunerative employment for our young men and women who now seek positions outside the Province, and

Whereas it is the duty of this municipal Council to assist in the introduction of such enterprises as may bring about such changes and development in our conditions as our natural resources warrant, and

Therefore resolved, that this Municipal Council of the Municipality of Annapolis, place itself on record as favouring the establishment of any industry which will tend to increase our population and develop the latent resources of our Province, and as an inducement to the establishment of such enterprises, we offer to any person, firm or corporation who will enter upon such development, taxation for a period of thirty years limited to ten per cent of the new capital expended, provided such new capital expenditure shall exceed $100,000.00, and if such new capital expenditure shall exceed $200,000.00, to limit taxation on such new capital expenditure for thirty years to five per cent of such new capital expended.

A special train containing a number of C. P. R. officials, guests of Mr. Geo. E. Graham, General Manager D. A. R., passed through Bridgetown Monday returning to Kentville the same evening.

REPORT OF COMMITTEE ON TENDERS AND PUBLIC PROPERTY.

To the Warden and Councillors of the Municipality of Annapolis.

Gentlemen:— Your Committee on Tenders and Public Property beg to submit the following report for the year ending, Dec. 31st, 1918.

The great war which for more than four years has been taxing the energy and resources of Great Britain and her Allies has been brought to a successful close and we wish to express our gratitude toward those who so nobly took up arms in the cause of justice. Many sacrificing their lives that our Country might once more enjoy the blessings of peace.

Our County Hospital and Home have maintained their high standard of comfort and efficienty and we feel fortunate in having these institutions under the capable management of Mr. Hiltz and Mr. Myers.

Both Institutions have been full most of the year and surely appreciated by those unfortunates who have needed our assistance.

The increasing prices of supplies have been felt in our department and we have to report an increase in the cost of supplying our Institutions as well as in the expenditure for Outside poor.

The purchase of the Blanchard pasture was completed last spring and the old verandah in front of the County Home which had become unsafe through age was removed and replaced by a modern one.

We have also had hard wood floors put in the kitchen and halls, and a water system in the stable.

We would call your attention to the condition of the colored quarters, which is in need of extensive repairs.

Mr. Myers has again demonstrated his ability as a farmer and the following crops are reported:—

Hay	about	40 tons
Straw	"	8 "
Potatoes		1100 bus.
Turnips		700 "
Beans		20 "
Oats		200 "
Buckwheat		16 "
Barley		20 "
Carrots, Parsnips and beets		65 "
Cabbage		500 heads
Pork killed for home use.		900lbs.

Ward 16, W. J. Spinney, 6 p.c., I. J. Whitman, E. W. Spinney.

The Granville Steam Ferry Co. withdrew their boat in the later part of March and your Committee were compelled to put on a Ferry service which was accomplished with as little delay as possible. A suitable gasoline boat for passenger and freight service being purchased, equipped and in operation in April and which continued to serve the travelling public until lately when the Stmr. John Hancock was rented for one year and which will beused in the service when needed.

Now that the war is over we would urge that every possible endeavor be made to have the much talked of bridge built.

All of which with the attached expenditure for the Hospital, County Home, and maintenance of Outside Poor, Respectfully submitted.

E. C. SHAFFNER
F. W. BISHOP.
J. C. GRIMM.

DOCTOR URGED AN OPERATION

Instead I took Lydia E. Pinkham's Vegetable Compound and Was Cured.

Baltimore, Md.—"Nearly four years I suffered from organic troubles, nervousness and headaches and every month would have to stay in bed most of the time. Treatments would relieve me for a time but my doctor was always urging me to have an operation. My sister asked me to try Lydia E. Pinkham's Vegetable Compound before consenting to an operation. I took five bottles of it and it has completely cured me and my work is a pleasure. I tell all my friends who have any trouble of this kind what Lydia E. Pinkham's Vegetable Compound has done for me."—Nellie B. Brittingham, 609 Calverton Rd., Baltimore, Md.

It is only natural for any woman to dread the thought of an operation. So many women have been restored to health by this famous remedy, Lydia E. Pinkham's Vegetable Compound, after an operation has been advised that it will pay any woman who suffers from such ailments to consider trying it before submitting to such a trying ordeal.
