An elevator is to be soon erected at Milwaukee, which will eclipse in size and capacity any grain warehouse in the world. Its length is to be 280 feet, width 88 feet; height 133 feet; height to lower eaves, 78 feet. It will contain 112 bins, capable of holding 11,000 bushels each, without heaping, making the whole capacity of the warehouse 1,200,000 bushels in round numbers. In winter this would be increased to a million and a half by filling the bins as they are filled in other warehouses. This warehouse will be provided with nine receiving and five shipping elevators, capable of taking in 45,000, bushels, and giving out 25,000 bushels per hour.

SINGULAR TYPOGRAPHICAL ERROR.—A ludicrous blunder appears in a Ripon paper, caused by a line which properly belonged to a meeting report having accidentally placed between two announcements of births. The records read as follows:—"On the 3rd inst., at Ellington, the wife of Terry, schoolmaster, of a son. He spoke indistinctly, but was understood to say that, on the 5th inst., at Bondgate, Ripon, the wife of Joseph Lonsdale, tailor of a daughter."

THE GREAT EASTERN PURCHASED BY FRENCH.—The *Daily News* is informed that the Great Eastern has been purchased, on account of the French government, for a sum approaching to a quarter of a million pounds sterling. The sale, however, is not to interfere with her present engagements, which include the submersion of the Atlantic cable.

THE NEW INTERNATIONAL BRIDGE.—For the new International Bridge Co. stock the subscriptions reached 165,000 shares at $16,500,000, when only $1,500,000 was wanted. The subscriptions seem to have been made chiefly in the interests of the Atlantic and Great Western Railway and the Buffalo and Lake Huron Railway, each, it appears, seeking to obtain control of a majority of the stock. In the later subscriptions the first was for double the whole amount of capital stock authorized, viz.:—$1,500,000; and another subscriber, after putting down his name once for the whole capital, wound up the list by subscribing again for five times that amount.

THE VOLUNTEERS.—We are given to understand that the Government have decided to pay the Volunteers for drill this year, and that Parliament will be called upon to make an appropriation for the purpose. This is only right and proper. The country must have an effective Militia force, and that being established, there is no reason why the Volunteers should not be paid for their valuable services.—*Montreal Gazette.*

A young lady who has the misfortune to know little of music, and yet who is vain of her singing, was recently entertaining a party of friends with a somewhat difficult song, in a shrill voice, when an old bachelor, lodging in the same house, rushed out of his room to the head of the stairs, and shouted, 'What are you hurting that pig for? Turn him into the yard.' 'What pig?' asked the lady, so astonished that she stopped singing. The old bachelor descended the stairs, looked into the room, and said:—'I thought I heard a pig squealing in this room!' The young lady thought him a wretch, and said so.

The Exports of breadstuffs to Great Britain and Ireland since September 1, 1863, have been as follows: 841,310 bbls of flour, a decrease compared with last year of 84,000 bbls; 1,141 bbls of meal, a decrease of 1,055 bbls; 9,633,175 bushels of wheat, a decrease of 6,130,739 bushels; 240,220 bushels of corn, a decrease of 6,194,188 bushels. The exportations to the continent have also been much less than usual, being of flour 33,676 bbls; of wheat 214,474 bushels; of corn, 9,000; of rye, 13,956.

MISCEGENATION.—Miscegenation, as it is called, is very common in this city. Not only do negroes live with white women, but white men keep, or are married to negresses. Even women of rank are married to negroes. A late case has come to light of a very wealthy and beautiful woman, who resides and owns property in Fifth Avenue, who is married to a negro, and he is as black as a raven.—She was thrown out of her carriage some years ago. He picked her up and took her home. An attachment sprung up, and having property in her own right she married him. She had a right to do it. The mob last summer did not know where this interesting couple lived. At present such a couple as I have described do not parade the streets, but before the year is over it will be quite common. Let the coloured regiments behave gallantly, and come home heroes and eight or ten of our leading belles and heiresses will marry negroes, and it will become so common that it will cease to be talked about.—Judge Barnard married a daughter of John Anderson, a retired tobacco merchant, said to be worth three millions of dollars.—[Letter from New York.

POWER'S PATENT, AUG. 3, 1863.

THE VICTORIA WASHING MACHINE!

Obtained the FIRST PRIZE at the Provincial Exhibition in London, in 1861.

THIS

LABOUR-SAVING MACHINE

WAS tested by the *Bureau of Agriculture*, and declared to be the best yet brought under their notice. It is simple in its construction, easily worked, and not subject to get out of repair.

The cleansing process is effected by the rapid action of the water in the Machine, and not by *pressure or rubbing*, thereby avoiding the slightest injury to the finest fabrics, with a much less quantity of soap than under the hand-washing system. Persons who have used them are satisfied that the machine is capable of doing as much work in two hours as can be accomplished in a day by the ordinary process, thus

Saving 4-5 of the time and Labour

And two-thirds of the Soap generally used.

The undermentioned persons purchased Machines, and having given them a full trial express their entire satisfaction:

J. J. Wright, Huron Hotel; Isaac Frederick, Jeweller; W. T. Cox, *Signal* office; Alex. Nasmyth; H. Horton, Esq.; Peter Nolan; D. Cummings; Robt. Gibbons, Esq. Warden; Peter Gibbes; R. Runciman, Esq.; Rev. Chas. Fletcher. Many other names might be added, if necessary.

CASH PRICE ONLY $6.50.

The Subscriber having purchased the Patent Rights for the County of Huron, is now prepared to supply the machine of which he solicits a trial, feeling assured that all who test it will be pleased with the rapidity and ease with which as others wise tedious and laborious wash is performed.—Ladies will confer a favor by allowing the machine to be tested at their residences, to which it will be conveyed by the proprietor, and removed again should it not be purchased. All the subscriber desires is that the merits of the Machine should be thoroughly tested. Parties wishing to try it will communicate with the proprietor.

WHEREAS the Corporation of the United Counties of Huron & Bruce, has resolved to grade, gravel and improve certain roads and highways, with the necessary Bridges for the same, within the said County of Huron.

And whereas the said improvements are entirely within the County of Huron, and the expense of making the same to be defrayed by the said County, irrespective of the County of Bruce, the loan or debt will be paid by the said County of Huron, and the rate hereinafter mentioned will be raised solely upon the rateable property within the said County of Huron.

And whereas to carry into effect the said recited object, it will be necessary for the said Corporation to raise the sum of Twenty Thousand Dollars in the manner hereinafter mentioned.

And whereas it will require the sum of Three thousand two hundred dollars to be raised annually by special rate for the payment of the said loan or debt and interest as also hereinafter maintained.

And whereas the amount of the whole rateable property of the said Municipality irrespective of any future increase of the same, and irrespective of any income to be derived from the temporary investment of the Sinking fund hereinafter mentioned, or any part thereof, according to the last revised assessment rolls, being for the year one thousand eight hundred and sixty three; was eight millions, three hundred and ninety six thousand three hundred and forty-five dollars.

And whereas for paying the interest and creating an equal annual Sinking fund for paying the said sum of Twenty thousand dollars and interest, as hereinafter mentioned, it will require an equal annual special rate of four tenths of a mill in the dollar, in addition to all other rates and taxes to be levied in each year.

Be it therefore enacted by the Corporation of the United Counties of Huron and Bruce:

I. That it shall be lawful for the Warden, for the time being of the said last mentioned Corporation, to raise by way of loan, from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the Debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of Twenty Thousand Dollars, and to cause the same to be paid into the hands of the Treasurer of the United Counties aforesaid, for the purposes and with the object above recited.

II. That it shall be lawful for the said Warden to cause any number of Debentures to be made, for such sums of money as may be required, not less than one hundred Dollars each, and that the said Debentures shall be sealed with the seal of the said Corporation, and signed by the said Warden.

V. That for the purpose of forming a Sinking Fund, for the payment of the said Debentures, and the interest at the rate aforesaid to become due thereon, an equal special rate of Four-tenths of a mill in the Dollar shall in addition to all other rates and taxes be raised, levied and collected in each year solely upon all the rateable property within the said County of Huron, during the continuance of the said Debentures or any of them.
