A CURE BOTH OF BODY AND MIND—*BY DR. JAYNE'S MEDICINES.*

Philadelphia, May 29th, 1845.

Dr. Jayne—Dear Sir: I feel bound to the afflicted to give publicity to the extraordinary effects of your valuable Medicines.

I have suffered for several years past with Liver Complaint, and the train of diseases which follow—a complete prostration of the system—so that it was with great difficulty that I could walk, and at times I was confined to my room. To add to my misery, a Scrofulous affection appeared in my throat, with Rheumatism in my arms, so that I could not raise my right arm to my head. In the hottest weather my feet and hands would ache with the cold, and perspiration had almost ceased. I now became afflicted with a dry hoarse cough and gave up all hopes of ever getting well. I had night sweats, and got little or no sleep, with frightful dreams and morbid headache. I seemed to be bordering on INSANITY, and was denied all study or mental exercise. I could not read a small paragraph in a newspaper without great difficulty. I had great soreness in my stomach, which caused it to swell so much that I was unable to lie down, or even to recline, but had to be propped up in a chair.

I had the advice of some eminent physicians, and tried nearly all the remedies used in such cases, but continued to grow worse, and it appeared as though a speedy dissolution was taking place.

I now heard of your Medicines, and determined to try your SANATIVE PILLS, and to my surprise the soreness left me, so that I could walk about the house. I continued to improve from that time. Shortly after my wife called at your store, and stated my case to you, and you sent me a bottle of your ALTERATIVE, and also word to come and see you, and you would investigate my case, and cure me. This I did not believe, as I felt I was beyond the reach of human skill.

After taking your Alterative and Pills for three weeks, there was a decided change for the better, so that when I called upon you, you said that I would get well, and that your ALTERATIVE would cure me effectually. With no hopes, however, of getting well, I still continued to take your ALTERATIVE, until I had taken the fourth bottle, when there was a sudden change in my whole system, as though I had got rid of some great burthen, and I could draw my breath as usual. My nerves gradually became strong, and my appetite returned.

It has been about four months since I commenced taking your Medicines, and at this time nearly every vestige of disease is eradicated from my system. I am as active, and nearly as strong, as at any period of my life. I have now gained nine pounds in two months.

I have good reason to believe that the use of your valuable Medicines, by the blessing of God, has saved me from a premature grave.
