

A GREAT LUNG MEDICINE.—There is one medicine, which has been prepared for the cure of affections of the lungs, which has been very largely used and tested, that we wish to recommend to the public for the reason that we can do it in all truth and sincerity, believing as we do, that it is not, and never has been surpassed for excellence and thorough efficiency. That medicine is "ALLEN'S LUNG BALM." It is prepared by a chemical process and apparatus of more than ordinarily costly nature, and it is beyond all question a never failing and thoroughly complete cure for coughs and affections of the lungs, even when the latter are of a very serious and threatening character. One excellent physician goes so far as to state publicly over his signature, that he has a perfect conviction that deep-seated pulmonary consumption has been cured by the use of Allen's Lung Balm; and there are abundance of the most respectable testimonials, that it has in innumerable instances effectually cured very severe coughs of long standing, accompanied with chills, night sweats and diarrhoea—the system of the sufferer being in many cases very much prostrated.—*Providence Advertiser.*

A WELL-MERITED NOTICE.—The Rev. Mr. Spurgeon, in speaking of the Alleghenians, says:—"The most worthy songsters that ever visited Britain's shores. Their singing is worthy of all the commendations so heartily bestowed upon it: and no human tongue could discourse more mellifluous music than is uttered by the metal tongues of their magical bells." The troupe will appear at the Town Hall, on Friday evening, Nov. 20th, and we are requested to extend an invitation to the clergy of all denominations, who will be admitted, as usual on presentation of their names at the door.

The Erie Railroad, within the past few months, has laid down 9,000 tons of steel rail.
