SUCCEED IN MOVING CRIB

Mass of timber taken into Sand Point slip after hard fight with current.

The crib which has been lying in the harbor since it was blown from its place at the site of the new wharves at West St. John, was taken away at one o'clock this morning by workmen in the employ of the Maritime Dredging and Construction Company, which has taken over the contract for the West Side wharf construction.

Considerable difficulty was experienced in moving the crib, three tugs, several scows and a large number of men being employed at the job. The scows were placed alongside the crib and lifted it as the tide raised, then the tugs Falmouth, Lord Kitchener, and Beresford succeeded in moving it down the stream to Sand Point slip where it was tied up for the time being.

Great difficulty was met with in controlling the crib, owing to the swift current caused by the freshet. On the way down the harbor the tow side swiped a schooner tearing the vessel from its moorings and taking it along into the slip. Luckily the craft was not damaged.

Manning W. Doherty, managing director of the Maritime Dredging and Construction Company personally supervised the operation.

URGES CO-OPERATION IN SOUTH AMERICAN TRADE

Secretary Armstrong of the St. John Board of Trade has received the following letter from H. R. Poussette, the South American Trade Commissioner:

It is a great pleasure to me to learn that the St. John Board of Trade is interested in the question of export trade with South America. I trust that this attitude of mind is not held merely towards St. John as a seaport, but also towards St. John as a great manufacturing centre. If your members will work unceasingly to make your city a centre of indutsry, and you can secure the backing of the people and the co-operation of the press, I am sure you will succeed. Most things have to give way before determination, and we need plenty of that in Canada; it is a thousand times more valuable than subsidies and all other artificial helps.

RUN OVER BY WAGON, DIES FROM INJURIES

J. P. Atherton of Sussex Receives Word of Accidental Death of Little Marjorie Mills of Joliet, Ill.

Special to The Standard.

Sussex, May 11.—J. P. Atherton is in receipt of a telegram from Poliet, Ill., announcing the death of little Marjorie L. Mills, daughter of D. Walton Mills, formerly of Nova Scotia.

The child was playing near her home and was run over by a loaded cart and her back was broken. Only last Friday her grandfather died very suddenly here of heart disease, and the double fatality comes as a great shock to members of the family who are receiving much sympathy.

Mrs. Mills is a daughter of Mr. Willis and is well known in Sackville, N. B., Moncton and Amherst, N. S. Last summer she visited Sussex with her little daughter and was the guest of her sister, Mrs J. P. Atherton.

LEFT PULPIT TO BECOME PUBLICITY COMMISSIONER

Vancouver, B. C., May 11—Dr. Elliott S. Rowe, for many years a well known clergyman in various Canadian cities, died today, following a long illness from dropsy. He came to Victoria ten years ago as pastor of the Metropolitan Methodist church, retiring he became publicity commissioner of Vancouver.

Troubled With Weak Back and Kidneys For 10 Years.

Many people fail to understand the significance of a lame, weak, sore or aching back.

When the back aches or becomes weak it is a warning that the kidneys are affected in some way.

Take notice to the warning and cure the backache on the first sign, for if you don't do this, serious complications are sure to arise and perhaps develop into Dropsy, Diabetes or Bright's Disease, the three most deadly forms of kidney trouble.

Doan's Kidney Pills will strengthen the weak back, and prevent any form of kidney trouble entering the system.

Mrs. Ed. Boyer, Nokomis, Sask., writes:—"I have been troubled with weak back and kidneys. I had terrible dizzy headaches, and could not sleep at night. In this way I suffered for ten years, until I read about Doan's Kidney Pills. I purchased two boxes, and as they helped me, I sent for two more; they put me on my feet, and I have been able to work ever since."

Doan's Kidney Pills are 50 cents a box, or 3 boxes for $1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

If ordering direct specify "Doan's."

FIRST PHOTOGRAPHS OF THE LATEST TRAGEDY OF THE SEA.

THE COLUMBIAN BURNING AT SEA. PHOTOGRAPHS TAKEN FROM DECK OF THE NORTH GERMAN LLOYD STEAMSHIP SEYDLITZ

The Columbian caught fire on Sunday night, May 3, when about three hundred miles south of Cape Race. A series of violent explosions followed almost immediately, killing some of the crew. Captain McDonald gave orders to the wireless operator, James Drohan, to send out calls for assistance, but one of the explosions put the wireless apparatus out of commission, cutting off the Columbian from communication with nearby vessels which might have gone to the rescue.

With the vessel belching flames and torn by the explosion, it soon became evident that the crew could do nothing to control the fire, and the order to abandon ship was given.

The men left the Columbian in three boats, two of which were picked up by the steamship Franconia. The accompanying photos were taken from the deck of the Seydlitz, of the North German Lloyd line.

C.N.R. Proposals Will Be Taken Up Wednesday

(Continued from page 1)

the government by an official of the C. N. R.

More Senators For British Columbia

The prime minister introduced a bill to grant British Columbia increased representation in the senate. Sir Wilfrid Laurier explained that while not opposed to the merits of the legislation, he did not think that parliament had power to pass it. He thought that the imperial sanction should first be obtained and necessary dominion legislation enacted afterwards.

Premier Borden said that he would confer with Sir Wilfrid regarding this matter, but would like in the meantime to have the bill given its first reading. This was agreed to.

Hon. C. J. Doherty introduced a bill to amend the Juvenile Delinquents Act. Briefly, its object is to give to clerks of courts the power of sitting magistrates.

Hon. J. D. Reid's bill to amend the Customs Act was given third reading. It provides for a drawback of the duty paid on pig iron and steel when used for the manufacture of goods exported to other countries.

During question time Dr. Molloy asked if it was open to the members of any provincial legislature to accept pay for services from the Dominion government. Premier Borden said that this was a class of question usually not answered because it involves a matter of law. Any legislation allowing an M. L. A., to accept such payment would be passed by the provincial legislature.

Government to Reimburse Farmers' Bank Depositors.

When the house resumed at three o'clock the finance minister moved his resolution to authorize the government to reimburse the depositors in the Farmers' Bank. The amount covered by the resolution is $1,200,000.

Mr. White stated that the government founded its proposals on the report made by Sir William R. Meredith in regard to the failure of the bank. That report, he submitted, established that the certificate of the treasury board—without which the bank could not have opened its doors—had been by "false and fraudulent representation."

Charges of Irregularities Should Have Been Looked Into.

The report of that commissioner, Mr. White also argued, made it clear that the treasury board had been guilty of negligence in not investigating the charges that there had been irregularities in connection with the deposit of $250,000 of fully paid up stock. If an inquiry had been held it would have been found that General Manager Travers had perjured himself and the bank would not have opened its doors or if it had done so Mr. Travers would not have been manager. In either case the bank would not have failed.

Hon. Rodolphe Lemieux said he had received letters from Rouville, St. John and St. Hyacinthe from depositors who had lost money through the failure of Banque Ville Marie and Banque St. Jean. These people who had been affected would find it difficult to understand the difference in their case and that of the Farmers' Bank. There had been the same recklessness in connection with these banks as in the Farmers' Bank.

Mr. White in reply said that it was not the policy of the government to reimburse depositors of banks which had failed. The difference of this case from others was that the treasury board was negligent.

Sir Wilfrid Laurier protested against the charge that the treasury board was guilty of negligence. There was no cause to make such a charge against the former minister of finance. He might have been guilty of error in judgment but not guilty of negligence.

Mr. White in reply said that he had not imputed anyone moral guilty. An error of judgment might be negligence. The point he wished to emphasize was that his predecessor had not done what it was incumbent upon him to perform and therefore it was perfectly proper to state that the treasury board in the issue of a certificate was guilty of negligence. That did not mean that Mr. Fielding was morally lax.

Mr. J. H. Burnham of Peterboro, said people had put their money in the Farmers Bank because the government had granted it a certificate. They depended upon the government to safeguard their interests. Parliament should not let it be known abroad the people who had relied upon the government's honesty and reliability and who had suffered loss would have no recourse. If it should be shown that those who had lost money through the failure of the French-Canadian banks were in the same position as the Farmers Bank depositors then they too should be looked after by the government.

The resolution was reported out of committee without amendment and Mr. White introduced the bill founded upon it.

No Further Indian Scrip.

The house then proceeded to consider in committee the amendments to the Indian Act. In this connection Dr. Roche announced that no further Indian scrip would be issued and said that there had been none issued within the last two or three years.

An amendment was also made with regard to the removal of Indian reserves. Legislation was passed in 1911 providing for the removal of Indians from the vicinity of towns of 8,000 population by referring the matter to the Exchequer Court, having a report there from the governor-in-council and having the whole matter endorsed by parliament. This said Dr. Roche provided every safeguard and it was now proposed to remove the limitation of population and to provide that wherever lands were required for a similar purpose they should be dealt with in the same way.

Hon. Charles Marcil made a plea on behalf of the Indians who occupy a reserve across the river from the town of Campbellton, N. B. He said they had been on this land for nearly 200 years and it would be an injustice to remove them. He was afraid that an effort would be made to secure the reserve for private interests. The proposed law he considered would make it easier for speculators to get possession of Indian reserves.

The house rose at 12 midnight.

STARVED NERVES

The Cause of Neuralgia—It Must Be Treated Through The Blood.

Neuralgia is a cry of the nerves for more and better blood. It literally means that the nerves are being starved. Like every other patr of the body the nerves receive their nourishment through the blood. There is therefore no doubt that Dr. Williams' Pink Pills will cure the worst cases of neuralgia. They actually make new, rich blood, carrying to the starved nerves the elements they need, thus driving away the sharp, torturing pains which nearly drives the sufferer wild. So many cases of neuralgia have yielded to treatment through Dr. Williams' Pink Pills that every sufferer from this dreaded trouble should lose no time in giving the pills a fair trial. Mrs. Sophia H. Johnson, Mozan, Sask., says: "For upwards of ten years I was a periodical sufferer from neuralgia. It located in the side of my face and in the jaw, which would actually click every time I opened or closed my mouth. At times the pains would be almost unendurable, and as time went on, my whole nervous system seemed to be affected. I was constantly doctoring, but the doctor did not seem to be able to give me permanent relief, and at last I decided to try Dr. Williams' Pink Pills. I got a half dozen boxes, and before they were half gone I felt much better, and by the time I had used them all every symptom of the trouble had gone, and I was enjoying a comfort I had not known for years. I have since remained in the best of health, and can only say I owe the joy of living without pain to Dr. Williams' Pink Pills."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Unpleasant Company

"Alcohol ties queer kinks in the brain," remarked a minister when the subject of intoxication arose. "As I was going home on a recent Saturday evening I noticed a fellow walking with slow and unsteady gravity just ahead, from time to time mumbling to himself.

"As I overtook him I caught his words, and this is what he was repeating over and over to himself, anxious, no doubt that he shouldn't forget his line of defense:

"'Been drunk, an' ain't been home for three days, hic! Goin' home now, an' if dinner ain't ready I'm goin' t' raise old Harry. If 'tis ready I ain't goin' t' eat a got-darned thing!'"

FREIGHT RATES ALSO TO BE CONSIDERED

Commission Will Have Expert Take Up This Phase of the Georgian Bay Canal Project

Ottawa, May 11.—The secretary of the Georgian Bay Canal Commission announces that in addition to the arrangements reported last week for the compilation of statistics relating to the movement of traffic on the Great Lakes the commission has formed its plans for the collection of important facts and statistics concerning freight rates in respect of all classes and routes of traffic entering into the problem, and that under the direction of an expert, work on this branch of the investigation will begin at once.

SYDNEY HAS LATEST SNOWSTORM ON RECORD

Sydney, May 11.—This city was visited by the latest snowstorm on record this evening. The rain which has prevailed for the past two days changed to snow and a heavy fall resulted. The streets were completely covered to the depth of about one inch. The storm while it lasted was severe.

A Coincidence.

Minister (announcing from pulpit)—I will add that a lady's watch has been found in one of the aisles, which the owner can have by applying at the vestry. We will now sing the 117th hymn, "Lord, Her Watch Thy Church is Keeping."

"When I want a little extra money from my husband," remarked the humorist's wife, 'I always get him to read me some of his jokes."

"What then?"

"Why, I laugh heartily, and the rest is easy."

P.E.I. INTERESTED IN HOME FOR DELINQUENT PROTESTANT GIRLS

Public Meeting Held at Charlottetown Last Night and Nearly Five Hundred Dollars Subscribed.

Charlottetown, P. E. I., May 11.—An appeal was made at a public meeting here tonight by Rev. V. M. Purdie of Halifax and Rev. Dr. Fullerton of Charlottetown on behalf of home for delinquent Protestant girls of the Maritime Provinces, the home to be located near Truro.

Mr. Purdie in explaining the proposition in detail stated that a site had been purchased, matron, assistant matrons and farm manager engaged, and that a start would be made with about twelve girls in about a month. The sum of $30,000 is required to establish the institution. After that with aid from the various provincial governments it will be almost self sustaining. So far $12,000 is in sight. Tonight $480 was subscribed at the meeting as a beginning and as Mr. Purdie will be several days yet soliciting on the island it is expected this amount will be increased considerable.

At tonight's meeting Premier Mathieson presided. A resolution endorsing the movement was moved by Rev. Dr. Fullerton and seconded by Hon. W. S. Stewart, member of provincial government.

MARRIAGES.

BAIRD-TABOR—At the Methodist parsonage, Exmouth street, St. John by Rev. Robt. S. Crisp, Harry D. Baird, of Bathurst, to Mrs. Lizzie Tabor, of Woodstock, N. B.

OVER THIRTY MILLION ACRES GRANTED TO RAILWAY COMPANIES

C. P. R. Has Received Greatest Portion from Government, About Twenty-five Million.

Ottawa, May 11.—A return tabled in the Commons this afternoon shows that the total amount of lands granted by the federal government to railway companies in Canada is 30,426,817 acres. No details are given as to the companies receiving the various grants, but the major portion, of course went toward the C. P. R. construction. This company received twenty-five million acres. No estimate is given as to the cash value of the lands granted.

One More Woman Speaks Right Out

She Tells How She Found New Health.

Mrs. McArthur Gives Dodd's Dyspepsia Tablets and Dodd's Kidney Pills all the Credit for Her Cure.

Rockaway Valley, Que., May 11th. (Special)—Mrs. Robert McArthur, well known and highly respected here, has joined the great army of Canadian women who are shouting the praises of Dodd's Kidney Pills and Dodd's Dyspepsia Tablets.

"Last autumn I had a severe attack of Dyspepsia, which left me very nervous and ill," Mrs. McArthur says. "I tried several kinds of medicine and derived no benefit from them till one evening I happened to read one of Dodd's advertisements and decided to try Dodd's Dyspepsia Tablets and Dodd's Kidney Pills. The result was that my nervousness vanished and I can now enjoy my meals.

"My daughter also used two boxes of Dodd's Kidney Pills and found them very beneficial.

"On another occasion when troubled with sore back I found a cure in Dodd's Kidney Pills."

If you keep your stomach right with Dodd's Dyspepsia Tablets and your Kidneys in order with Dodd's Kidney Pills, you can laugh at the ills that make the lives of so many women a burden to them.

Spring Skin Blemishes

ARE REMOVED BY ZAM-BUK.

Why suffer the humiliation of unsightly skin blemishes, such as pimples, obils or eczema, when they are so easily cured by Zam-Buk? Even the most advanced cases of eczema yield to Zam-Buk's great healing powers. Mr. Jos. Johnson, of 584 Broome Street, New York, writes: "I suffered untold misery for twenty years from eczema. Medical treatment was of no avail. I spent hundreds of dollars on salves and treatments, and all I got was mere temporary relief. At last I tried Zam-Buk, and I am pleased to say that perseverance with this remedy and Zam-Buk Soap has effected a complete and permanent cure."

Mr. Jock Snow, the Scotch comedian, of 47 Abbott Avenut, Toronto, writes: "I have used Zam-Buk for boils, and found it very soothing and a quick healer."

You want to end your suffering? To remove those unpleasant face or body sores? Then buy Zam-Buk. Sold by all druggists or store-keepers at 50c. per box. Zam-Buk Soap 25c. per tablet.

Zam-Buk is also best for cuts, sores, bruises, piles, and as an embrocation for stiffened muscles, rheumatism, sciatica.

THE PAVING PROGRAMME

Commissioner Potts yesterday submitted to the City Council his programme for street paving. The estimated cost of the improvements to be made aggregate $129,553, and are as follows: Market Square, $26,442; Charlotte street, between Dufferin Hotel and Queen street, $24,121; Chipman Hill from Market Square to Union street, $7,510; Main street from Acadia street to Paradise Row, $20,629; Princess street between Germain and Charlotte, $6,020; Princess street between Charlotte and Sydney, $7,353; Duke street between Germain and Sydney, $13,970; Sydney street from No. 2 Engine house to Mecklenburg, $23,508.

The programme was submitted but on account of lack of time the consideration of it was laid over till the next meeting.

Captain Cardiff Ill

Captain Cardiff of the S. S. St. George was taken suddenly ill last evening and will be confined to his home for a few days. Captain Potter, formerly of the Prince Rupert will command the steamer during Captain Cardiff's illness.

Found By Police

The police report the finding of a bunch of keys on Market square, and a small parcel of gingham on King street. The owners of the articles can obtain them on application at the Central Police Station.
