December 30th, 1854.

LIVER COMPLAINT,

JAUNDICE, DYSPEPSIA, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered liver or stomach, such as Constipation, inward Piles, fullness, or blood to the head, acidity of the stomach, Nausea, Heartburn, disgust for food, fullness or weight in the stomach, sour eructations, sinking, or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, dots or webs before the sight, fever and dull pain in the head, deficiency of perspiration, yellowness of the skin and eyes, pain in the side, back, chest, Limbs, &c., sudden flushes of heat, burning in the flesh, constant imaginings of evil, and great depression of spirits, can be effectually cured by

DOCTOR HOOFLAND'S CELEBRATED *GERMAN BITTERS*,

prepared by DR. C. M. JACKSON, German Medicine Store,

No. 120 Arch St., one door below Sixth Philada.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of Invalids. Possessing great virtues in the rectification of the liver and lesser glands, exercising the most searching power in weakness and affections of the digestive organs, they are withal safe, certain, and pleasant.

Testimony from Maine.

CAPT. DANIEL ABBOTT, Brooklyn, Maine, July 16, 1843, says: "I was taken sick one year ago, last April, upon my passage from Havanna to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, no sleep or appetite. At last taking up a newspaper having your advertisement of 'Hoofland's German Bitters' in it, I sent for some immediately, this was about 10 o'clock, at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me, that I had a good appetite for supper, did rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it."

Jos. B. HALL & Co., Presque Isle, Aroostook Co., Maine, April 24, 1854, say: "We herewith send you a certificate of a cure performed by the use of *only one bottle* of the German Bitters, we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story."

Messrs. Jos. B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, had been complaining of a pain in her side, for six or seven years, and about the first January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by "Hoofland's German Bitters" I was induced to try it in her case, and sent to your store and purchased *one bottle*. She had taken it but a few days when she began to improve, and now, after taking only *one* bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure *entirely* to the German Bitters. WILLIAM CLARK,

Salmon Brook, Aroostook Co., Me.

You should bear in mind that these Bitters are ENTIRELY VEGETABLE, thereby possessing advantages over most of the preparations recommended for similar diseases.

ACADIAN GEOLOGY:

A popular account of the Geological Structure and Mineral Resources of NOVA SCOTIA,

And portions of the neighboring Colonies.

By J. W. DAWSON, F.G.S. &c.

THE above Work will consist of about 300 octavo pages, and will be illustrated by a large Geological Map, Sections, and Figures of Fossils. It will include a large mass of unpublished notes, referring to Nova Scotia, Cape Breton, Prince Edward Island and parts of New Brunswick, the substance of sixteen papers contributed by the author to the Geological Society of London and other Scientific Societies, and notices of the more recent discoveries of other Geologists. These materials will be arranged in such a manner as to present to the general reader a complete view of the structure of Nova Scotia and the neighbouring districts, as far as at present known, with its relations to the facts and principles of general Geology, and to the present and prospective value of the useful minerals.

With the view of ascertaining the number of copies likely to be required, subscription lists will be left with Messrs. A. & W. McKinlay and E. G. Fuller, Halifax; Messrs. J. Dawson & Son, Pictou; Mr. A. Lawson, Yarmouth; Mr. W. H. Crawford, St. John; Mr. G. T. Haszard, Charlottetown. Price to subscribers, 9s, payable on delivery of the work. Price after publication, 10s.
