CHARLOTTE CO.

ST. STEPHEN.

ST STEPHEN, March 3—Mr J N Clarke is once more attending to his business after a severe fight with la grippe.

Mrs W H Dunbar, of Cambridge, Mass, is on a short visit to the home of her parents, Mr and Mrs Henry Copeland, Calais.

Cards have been received by friends in this town announcing the marriage of Miss Mollie Clewley at Boston to Mr Nicholas D Baker of Madison, Wisconsin.

All the property of the International Creamery Company of Calais was sold at auction in that city this week to Messrs W C Renne and Mr N McKusick, who had a claim of $280 against the company. The purchasers propose to resume the creamery business, as they have confidence that it can be made to pay under proper management.

The members of the Calais Lyceum held a debate on Wednesday evening in the city rooms, the question being: "Resolved, that an alliance between Great Britain and the United States would be beneficial to civilization." A number of the prominent attorneys of the city took part in the debate, and the vote on the question at the close was in the affirmative by more than two to one.

The border correspondent of the Bangor News has been trying to call down some St Stephen Conservatives for voting the government ticket in the late election, apparently having a special spite against a well-known and popular undertaker, who did not believe in running local elections on dominion lines. But very little attention can be paid to this correspondent as he is a member of the Courier staff, and of course was compelled to vote the opposition ticket, whether he thought it right or wrong. Although at the general election in 1896 this same correspondent posed as a Liberal, attending meetings and caucuses of the party but very few were deceived as to his pretentions of being a Liberal at that time. Under those circumstances many think the attempt by him to read out of the Conservative party any voter is considerably far-fetched and impudent.

KINGS CO.

SUSSEX.

SUSSEX, March 3—The Orioles, of Moncton, and the Sussex hockey team play at the Alhambra rink on Tuesday evening next. This will be the last game in the league series to be contested here.

George Copp, of Albert county, who recently purchased William Hodgins' carriage making business, has sold out his stock and gone away.

G H White has had an arc light placed in his store in the grocery department. It is the first of these lights to be installed here.

Dr J H Ryan and family returned yesterday from Pasadena, California. They came by the southern route and had a pleasant trip. Dr Ryan will remain here permanently.

J Deforest, the "saved minstrel," who is an exceedingly fine performer on guitar, mandolin and banjo, and Brigadier Pugmire, leader of the Salvation Army forces in the maritime provinces, will hold a musical meeting at the army hall here on Monday evening, 6th inst. Mr Deforest has a great reputation as a musician, and as there is no admission fee charged beyond a silver collection to be taken at the door, the hall will probably be more than filled with people anxious to hear this talented artist.

W H White, who has been confined to his home for some months through sickness, is now recovering rapidly, and will be able to be around again as soon as the weather gets a little warmer.

A social function of a pleasing nature was inaugurated here yesterday afternoon, when Mrs. George W. Fowler gave an "at home," at her residence on Court Avenue. The hostess was assisted by Mrs. G N. Pearson, Miss Carrie Roach and Miss Lilian Taylor. About 100 guests were present. Miss Bertha Le Verde Worden, piano soloist, performed during the afternoon, and Mr. Lemuel Titus, of St. John, sang a number of beautiful ballads. Mrs Fowler makes a most entertaining hostess, and the success of her "at home," the first ever held in Sussex, will no doubt make them a popular and permanent social feature.

The Provincial Dairy School is now open and between three and four hundred pounds of butter is being made daily, the cream for which is supplied by six skimming stations. The following pupils are already enrolled and there will be a number more here shortly:—Thomas A Lamb, Chipman, N B; John A McDonald, Orwell, P E I; Henry Clark, Moncton; O W Dingham, Charlottetown, P E I; Norman Adams, Grand River, P E I; L A Gibson, Marshfield, P E I; George Boyer, Florenceville, N B. Walter Nealy, Sussex, N B; Clifton Wilson, Oak Bay, N B; P B Huntingdon, Brooklyn, N S; Adam Cripps, Sussex, N B; Fred Price, Havelock, N B; Wm Fowler, Sussex, N B.

KINGSTON.

KINGSTON, March 2—The Kingston Cornet Band intend having their concert in John O Vanwart's hall on Thursday evening, March 9th.

Mr Frank Northrup has been spending a week visiting relatives and friends in Springfield and Studholm.

Miss Ida A Northrup leaves Kingston tomorrow for New Canaan, Queens county, to take charge of the school there.

KINGSTON, March 6—The concert which was formerly mentioned in THE TELEGRAPH to be held in Kingston hall last Thursday evening by the Kingston Cornet Band drew a very large audience, and when those present were called to order at 8 o'clock by the chairman, A D Northrup, the seats both on the ground floor and in the gallery were nearly all filled, while the crowds still continued to pour in for the next half hour. The closest attention was given to all the performers and the hearty applause to each showed the appreciation of the efforts of the band boys and those who assisted them in making the entertainment a success. Several of the pieces were encored and special mention should be made of the minstrel chorus. The Opposition's Wake, in which consolation was offered to Mr Fowler and his colleagues for having "wasted all their money and drank up all their rum," while the three victorious members for Kings—Scovil, White and Pugsley—were fully represented in the chorus. It brought down the house and was considered by many the best original song yet produced in Kingston. The following is the programme which was well rendered:—

Selection—Band.
Dia ogue—No Lawsuits in Heaven.
Solo—Miss Emery
Duet—I Don't Care If You Never Come Back.
Selection—Band.
Dialogue—Absent Mindedness.
Minstrel Chorus—Coon H llaw Capers.
Instrumental Music—The Beef Eater.
Solo—Miss Annie Lyon.
Selection—Band.
Dialogue—Missionary Work at Home.
Solo—Miss Emery.
Selection—Band.
Minstrel chorus—The Opposition's Wake.
Stump speech—A Colored Gentleman.
Solo—Mrs John Cosman.
Minstrel chorus—Dunderbeck.
Selection—Band.
Chorus—Speed Away.
Song and chorus—I Want a Real Coon.
God Save the Queen—Band.

The band boys feel quite elated over the success of their concert, as the sum of $18 50 was taken at the door, which is pretty good considering the small admission fee.

The concert given in the hall at John O Vanwart's by the Kingston Cornet Band is to be held tomorrow (Tuesday) evening.

APOHAQUI.

APOHAQUI, March 2—The rain on Monday and the moderate weather are spoiling the roads. It has not stopped the hauling of deal yet to Apohaqui.

The warm days may drive away the bad effects of the grip, which has prostrated many of the people here. Among the last sick ones is Mrs Wm McAulay of Lower Milltown, who has been quite seriously ill.

Mr Bickford's family are getting out again. Mrs D Little, who has had a severe attack of bronchitis, is improving slowly.

Mrs Jane Little, of Upper Milltown, has had a serious time with a complication of diseases, but is now getting better.

Mrs James Nowlan, of this village, is better.

Major H M Campbell's children have whooping cough.

This is a fine day for the banquet to the opposition candidates.

NORTHUMBERLAND

CHATHAM.

CHATHAM, March 3—Rev George M Young, the popular pastor of St Luke's church, has accepted the unanimous invitation of the congregation to remain another year.

There is a great deal of sickness in Chatham at present. One doctor has 321 patients.

The many friends of the Rev Father Morrissey are rejoiced to hear that his health is so improved that he hopes to soon be able to go south. His friends have presented him with quite a large contribution of money.

Mr F McCurdy, professor of Hebrew in the University of Toronto, arrived in Chatham Wednesday, being called here by the serious illness of his mother, Mrs Catherine McCurdy.

A number of young people took advantage of the beautiful weather and good roads last night and had a driving party to Loggieville.

Miss Mary Williston, of Bay Du Vin, is visiting friends in town.

Mr R C John Dunn, architect, of St John, made a business trip to Chatham in connection with the proposed new school house and new hotel.

WESTMORLAND.

MONCTON.

MONCTON, March 3—Geo H Steadman has resigned the position of Scott Act inspector for Albert, to which position he was appointed two or three years ago.

Some extensive improvements to the I C R accommodations at Moncton are talked of and it is reported that a new additional round house will have to be built in consequence of the new engines recently purchased and others to come.

Rev E B Hooper, rector of St George's church in this city, celebrates his eighth anniversary as rector of the Moncton church next Tuesday. Mr Hooper is held in the highest esteem by his own congregation and much respected by all classes of citizens and he is likely to remain here for some years to come if the wishes of his friends carry any weight with him.

YORK CO.

FREDERICTON.

FREDERICTON, March 3—The carpenters have nearly finished their work at the quarters to be occupied by the Bank of Montreal in the Y M C A building. The internal fittings and office furniture, which has been manufactured in Ontario, will be shipped for Fredericton on Saturday, and will probably be several days in reaching here. It will then take some time to put the fittings in, after which the painters will be put on to complete the work. It will be near the first of April before the banking office will be ready for occupation.

A hotly contested hockey match was played at the curling rink last evening, and though the number of spectators was small their enthusiasm was frequently aroused to the highest pitch by the many brilliant plays made. The contestants were the Curlers' regular team and a team representing the city. The game resulted in a tie, both sides scoring two goals. The Curlers' team was:—

Goal—C H Randolph.
Point—H R Babbitt.
Cover point—J S Campbell.
Forwards—G R Ferguson, J Tibbitts, C H Allen, J J F Winslow.

The city team, captained by Chauncey Coleman, was comprised of:—

Goal—Harry Walker.
Point—Steve Mrsste.
Cover point—N A McLeod.
Forwards—W Parker, S Staples, F Rowan, C Coleman.

The case of Hibbert W Anderson vs Howard W Shaw was before Judge Wilson at chambers this morning on a motion in behalf of the plaintiff to strike out the notice of defence given by the defendant on the ground that they did not disclose a sufficient answer in law to the action. The action is for damages for false arrest and imprisonment. His honor gave judgment this afternoon ordering the notices of defence to be struck out as moved for. Phinney & Crocket are the plaintiff's attorneys, and W. VanWart, Q C, is acting for the defendant.

Mr E R Burpee, of Bangor, Me, is a guest of Senator Wark, having been called here by the illness of Mrs Wark, Mr Burpee's sister.

F J Sherman, formerly manager of the Merchants' Bank in this city, and who was a short time ago appointed manager of the branch in Havana, has since been appointed to the position of assistant manager of the Montreal branch of the bank. His many friends in this city are delighted with the change, as his new position is one of the most important in the bank's service.

Mr A Gordon Cowie and bride arrived home last evening from their bridal trip, and are guests for the present at Queen hotel. Mr Cowie was today the recipient of many hearty congratulations from his numerous friends.

The cathedral bell tolled at 1 o'clock today because of the death of Archdeacon Brigstocke.

The death occurred at Marysville last night of Mr Moses D Brown, who has been ill for some time with consumption and whose decease was hardly unexpected by his intimate friends. He was in the 26th year of his age, unmarried, and a young man highly esteemed by a wide circle of acquaintances. He leaves a widowed mother, one brother and two sisters, one of whom is Mrs Samuel Clayton of Marysville.

FREDERICTON, March 5—Mayor Whitehead last evening entertained the city council, city officers and a few friends at dinner at his residence. A very happy evening was enjoyed by those privileged to be guests of his worship.

Elections for mayor and aldermen take place on the 13th inst. Civic politics are becoming quite interesting. The principal question before the electorate and the one causing the most talk is rebonus to the new shoe factory. Last fall the question of granting the proposed shoe factory a civic bonus of $10,000 was submitted to vote of the ratepayers and almost unanimously approved. Certain conditions were at that time attached to granting the bonus which safeguarded the city against loss in the event of the shoe factory promoters failing to carry out their project. When, however, it became necessary to prepare the bill for the legislature giving the authority to issue debentures for the purpose named the majority of the city council moved to waive all conditions attached to granting the bonus, and under it the modified terms, it is practically a free grant of the sum named. The council was divided on the question of modifying the original terms by a vote of 6 to 4. It seems the question is to be again voted upon by the people in a different way from the first vote. The shoe factory promoters are bringing out candidates to oppose Aldermen Farrell, Vanwart, Moore and Henry, who are opposed to making a free gift of the $10,000 and will try to have elected in their places members of council who will favor their plans. They and all citizens realize that if the bill comes before the legislature with four members of the city council opposing it there will be but a small chance of its passing. Consequently the present civic contest takes on an interesting aspect.

The death of William Howard occurred today at the age of 70 years, after an illness of several months. He leaves two daughters, one of whom is Mrs W A Lindsay.

Word was received here Saturday that H V Edgecombe had died in Boston at 8 o'clock that morning.

FREDERICTON, March 6—There are to be contests in all the wards but Kings. The full ticket nominated is as follows:—

For mayor—Harry Beckwith, J H Reid.
Wellington ward—W H Anderson, F H Risteen, O Burden.
St Ann's—A H Vanwart, H W Henry, H C Jewett, J M Wiley.
Carleton ward—P Farrell, M S Hall, James Maxwell, Chas Scully.
Queens ward—J Limerick, J Moore, W G Clark.
Kings ward—Wm Rossborough, C F McKendrick.

The two latter are elected by acclamation.

Several friends of the soldier boys who are now doing duty in the Yukon received on Saturday letters from members of the force. All the Fredericton contingent was in good health at the time of writing, January 18, and were putting in the winter as well as could be expected. The most interesting statement made in the letters was that the Yukon force expect to come out of the country and return east in June next.

The death took place at an early hour Sunday morning of Mr William Howard, in the 71st year of his age.

The lamented decease occurred yesterday at Central Blissville of one of the eldest and most highly respected residents of that community in the person of Mr Ralph Seely, who passed peacefully away on Sunday at the very old age of 84 years.

Among the lamented deaths of yesterday is that of Mrs Sarah L Long, of Lower Queensbury, who passed away, at the age of 68 years, of general debility after a lingering illness.

Sir Charles Tupper being interviewed here today, referring to the Ontario legislature going to pass a resolution in favor of Laurier's senate reform scheme, said that such a proposition struck at the very root of confederation.

In fact it was proposed to take the keystone out of the arch of confederation and destroy the very foundation upon which it was built.

As for the Nova Scotia government it might seize upon anything that would undermine confederation and bring it into contempt, but he thought better of the other provinces. He called upon all true Canadians to defend the constitution.

A military general order was issued today as follows: "Officers and noncommissioned officers holding the rank of sergeant attached to royal schools of instruction for a special course of not less than 7 days, or for an equitation course for officers of dismounted units, not exceeding 28 days shall, if they successfully pass the required examination, receive pay for such days as they have been in attendance, at the rate of $1 per diem for officers, and 50 cents per diem for sergeants."

The supreme grand lodge of the Sons of England Benefit Society will apply next month for incorporation.

SMALL LIQUOR WAR.

INSPECTOR COLPITTS MAKES A SEIZURE AT BOUNDARY LINE.

WOODSTOCK, March 3—Scott Act Inspector Colpitts drove to the boundary line on the Houlton road this morning, accompanied by Constables Braydon, McAlpine and John Scott, on a double team and seized a quantity of liquor on the premises of Clarence Hogan who keeps a liquor store there. A man named Belanger, who was in charge at the time, was arrested. Hogan appeared on the scene later on and struck Braydon twice on the face, after which he escaped to the American side of his store. The constables drove to town with their prisoner and a sled load of liquor. Police Magistrate Dibolee fined Belanger $100 and ordered the liquor destroyed.

SHE WAS BELOVED.

MRS. CATHERINE McCURDY DIES AT CHATHAM.

CHATHAM, March 3—The community heard with deep regret of the death of Mrs Catherine McCurdy, one of the oldest and most highly esteemed residents, which occurred after a short illness today, her 85th birthday. Mrs McCurdy was born in Nova Scotia and was the widow of the late Rev Dr McCurdy, who was for some years pastor of St John's church. Two daughters and one son survive her, viz, Mrs William Anderson, of this place; Mrs George Haddow, of Toronto, and Prof F McCurdy, of Toronto University. Her brother, Mr Samuel Thompson, resides in Newcastle. The deceased was ever foremost in all religious and charitable works, and by the influence of her exemplary life it can long be said that "she being dead yet speaketh."

Effects Were Wonderful.

"I had been troubled for years with pains in my sides and kidneys and had aches in all parts of my body, owing to stomach and liver troubles. I began taking Hood's Sarsaparilla and its effects were wonderful. In a short time I was entirely cured." MRS. FRANCES, 209 Ossington Avenue, Toronto, Ontario.

Hood's Pills are non-irritating and the only cathartic to take with Hood's Sarsaparilla. 2

Mr. and Mrs. Robert Sargison Pass Away Together.

APOHAQUI, March 3—Mr. and Mrs. Robert Sargison, an old man and his wife, lived in Queens county, near Marr's corner, about a mile from any neighbor. He died quite alone last week. She was ill and getting worse she left him alone while she went for help. When she got back he was dead. While he was being buried on Saturday, the 25th ult., she took a fainting spell, had to be assisted to the couch, when she expired, before their return from his funeral. She has had heart trouble for the past few years. She was interred beside her at the Keirstead Mountain cemetery on Monday, the Rev. G. Swim attending both funerals.
