Music and Drama

An event looked forward to with more than ordinary interest theatrically is the coming of Wm. H. Kibble's world's greatest revival of Harriet Beecher Stowe's lovable story "Uncle Tom's Cabin." Not only do they promise to bring a company of over fifty people, but a carload of scenery, ponies horses and blood-hounds in the piece. Uncle Tom's Cabin" will hold the boards at the Grand Opera House Good Friday, matinee and night.

AT THE GRAND TO-NIGHT.

"An uproariously funny comedy, intermingled with tantalizing tunes," is an adept description of 'Miss Modiste' the new vehicle in which Hal Johnson, the female impersonator and comedian who scored such a tremendous success last season in "The Arrival of Kitty" which will appear at the Grand Opera House to-night, Wednesday, April 19. Excellent characterization and sparkling language, a cast that misses no point and keeps everybody moving crisply and a splendid production, are among the characteristics that made "Miss Modiste" conspicuous as the greatest comedy success of the year. Its many ludicrous situations and complications are said to keep the audience in peals of laughter from the rise of the curtain to the fall in the last act.

COLONIAL.

The last performance of "The Little Girl He Forgot" will be given at the Colonial to-night by the Princess Players. Be sure and see it. The "Broken Coin" will also be shown in connection with a number of other feature photo plays.

The Stratford Finance Committee were empowered to bring in a report on the matter of increasing the poll tax from $1 to $5.
