LIMIT HOURS OF WORK

Ralph Smith Introduces Bill in Behalf of Railway Telegraphers.

OTTAWA, Feb. 19.—(Special).—In the house to-day resolutions were amended by increasing the number of standing committees by three, on marine and fisheries, on mines and minerals and on forests, waterways and water powers.

The house will adjourn over Ash Wednesday.

Ralph Smith (Nanaimo) introduced a bill to amend the Railway Act, by limiting the hours of work of telegraphers and despatchers on railways to eight hours a day.

E. N. Lewis introduced a bill to provide for government inspection of vessels. Under the present act there is no provision for the inspection of barges not self-propelling. His bill provides for the inspection of these as well as of all steam vessels over five tons. Another requirement is that all vessels towing others must carry a rocket gun.

America's John B. Gough.

On Sunday afternoon the speaker at the Canadian Temperance League meeting will be John R. Clarke of Chicago, who is one of the celebrities of the American platform to-day. Mr. Clarke will deliver his famous address "Moral Heroism of Reform Movement." The home jubilee singers, eight in number, will be the musical attraction. The chair will be occupied by John A. Paterson, K.C.

Headache? Then Try This Cure!

Headaches are caused by the accumulation of poisons in the blood, which congest the brain and irritate the nerves.

These poisons are absorbed into the blood from wastes that accumulate in the intestines.

The cure is not difficult.

First, cleanse the entire intestinal tract.

Second, stimulate the action of the kidneys and liver.

Third, keep the pores of the skin open.

Lastly, regulate the bowels and avoid constipation as you would the plague.

The remedy is Dr. Hamilton's Pills of Mandrake and Butternut, which cure the dizziest headache ever known.

In fact, people who use Dr. Hamilton's Pills never have headaches, because they regulate the system so thoroughly that no chance is given for a sick condition to develop.

Away with your headaches, be done with dizziness, languor and biliousness—use Dr. Hamilton's Pills, and enjoy the health that they alone can bring. Contain nothing but vegetable extracts and juices, and are absolutely safe for children, women or men. Get the genuine Dr. Hamilton's Pills in yellow boxes, 25c each, or five for $1.00, at all dealers.

Crown Attorney "Ruba" Magistrate.

Crown Attorney Corley and Magistrate Denison crossed swords in a brief melee in the police court yesterday morning when Louis Glass was charged with theft of junk and rubber from Joseph Osolky. His worship said "It's only one man's word against another's, I'll dismiss the case." Mr. Corley wanted a remand and retorted: "This is all because of your worship's unfortunate habit of taking things into your own hands. You put the defendant into the box, altho his counsel did not ask it."

"I would not have convicted the man anyway," retorted the bench.

"You would not have dared," retorted the crown attorney, "for fear of having your judgment upset."

"Dismissed," finished the magistrate.

ELECTION LISTS ENQUIRY

Premier Roblin Grants One to Disprove Laurier Statement.

WINNIPEG, Feb. 19.—In the legislature Premier Roblin, in reply to the opposition request for a committee of enquiry into alleged grave irregularities in the preparation of the provincial voters' lists used in the late Dominion elections, said he would grant a committee of enquiry, not because of the opposition's demand, but because of Premier Laurier's allegation that the provincial lists were the cause of the Liberal defeat, and because of Hon. Clifford Sifton's subsequent statement to the same effect.

The committee nominated consists of Premier Roblin, Hon. Messrs. Campbell, Coldwell and Mickle and Messrs. Lyons, Bonnycastle, Laurence, Bernier, Morris and Walton.

The committee has been given power to take evidence under oath and send for all persons, papers, etc.

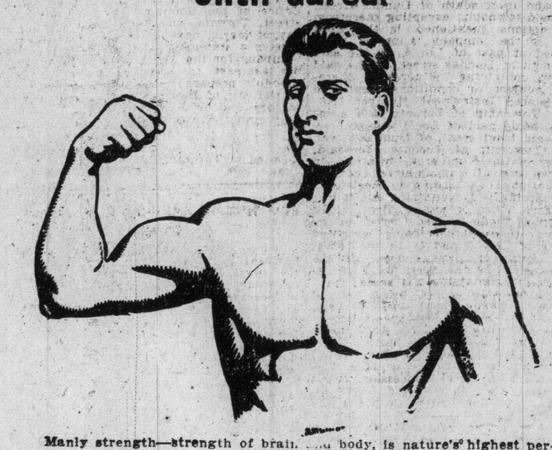
MANLY STRENGTH.

How to Regain it Without Cost Until Cured.



Manly strength—strength of brain, nerve, body, is nature's highest perfected work. With it man is success; without it failure. Nearly all men have been fitted with a constitution to build such a structure upon, but through foolish dissipations have wasted the material nature gave them. Men live too fast these days. The search for imaginary pleasure, trying to squeeze the happiness of a lifetime into a few years, exhausts the strength, and they are wrecked in man's grandest ambition—robust strength of brain and body. There are thousands of these weak, timid, puny men—half men—who can be made perfect specimens of manhood when the grand element that has been drained from their system is restored. This element is Electricity. We know there is no strength, no vitality, in fact, no life, without it. This being the fact, can there be a more natural remedy? I say there is not, and tens of thousands of cures during my forty years' practice in Electricity say the same. I have the greatest invention for self-treatment by Electricity the world has ever known, and so sure am I of what it will do that any responsible man who needs it can have the use of my latest model Herculex

Dr. Sanden Electric Belt Free Until Cured

I don't ask one cent in advance or on deposit, but upon request I furnish you the belt, and if you are well or satisfied in, say two months, pay me my price. If not satisfied return it, and the transaction is closed. To those who prefer to buy outright for cash I give wholesale discount.

What would you not give to have your old vim back, to feel as you did a few years ago; to have the same snap and energy; the same gladsome, joyous, light-hearted spirit and the physical strength you used to have? You might as well have these blessings, for my offer must convince you what I feel I can do for you. I will give you the use of the best Electric Belt the world knows—and you probably know I am the father of the electric appliance system of treatment—and advice gathered from the experience of nearly forty years' success in my line. But this does not mean that I am giving belts away, but does mean you are not to pay one penny until you are cured. By this method I do tenfold the business and good I would were I trying to sell "a pig in a bag." It pays me and it pays my patients. Of course, imitators imitate my goods (what good thing is not imitated?), but my great knowledge, gained from long, successful experience, is mine alone and free to my patients.

This offer is especially to men who want more strength and vitality, who suffer from Nervous Debility, Varicocele, etc.; but my belt also cures Rheumatism, Lame Back, Stomach, Liver and Kidney Troubles, General Ill-Health, etc., and I give it on same terms. It is simply worn around the body while you sleep; in the morning you wake up, full of strength and vim, prepared to face the world however you find it.

Call or write to-day and let me assist you to health and happiness, as I have so many thousand others. I will at once arrange to give you my belt on terms mentioned above, and two best little books ever written upon Electricity and its medical uses. Free, sealed, by mail. Address,
