ARE YOUR EYES TO BLAME?
Don't try to stop pain until you have found the cause. Get at the root of the trouble first, and remember pain is only nature's message that something has gone wrong.
Take headache for instance; do you suppose for a minute that the tablet or powder you take to relieve it is in any sense a remedy? You merely drug the nerves so that they no longer give their warning.
90% of all headaches are from defective eyes, and it is our pleasure as well as our business to provide you with glasses that stop the suffering once and for all, by correcting the cause.

ENTIRE ROMANOFF FAMILY SHOT IN CONVENT CELLAR

LONDON, Dec. 5. — A despatch to the Exchange Telegraph from Amsterdam says the Kiev newspapers publish a story given by the valet of the former Empress of Russia of the murder of the entire Romanoff family by the Bolsheviki. According to this story, the once royal family was compelled to live in a single room of a convent at Ekaterinburg for weeks before the murder, under guard of Bolsheviki soldiers, who insulted them shamefully.

The valet said that on July 17 all the members of the family were taken to the cellar of the convent and placed against the wall and shot, one after the other. According to the valet, the Grand Duchess Tatiana was only wounded by the shots of the riflemen and was killed by blows from their rifle butts. All the bodies were buried in the outskirts of Ekaterinburg.
