Harvard and Cambridge.

Bourne End, Aug. 11.—The Harvard and Cambridge crews worked harder than usual this morning. Harvard followed Cambridge up stream. On the return trip Harvard rowed the entire distance without dropping from a stroke of 28 or 29 to the minute. The English crew took a short spin with an average stroke of 38, making excellent time.

The Harvard crew was out again this evening for a quarter of an hour. The men were unable, however, to do anything more than paddle because the river was alive with pleasure craft.

The morning row of the Harvard crew was the longest undertaken so far. There was no time test, but the results showed that the crew is getting together. Guy Nickalls thought the rowing was slow There will be no practice to-morrow.

Toronto Won First 3 to 2.

The Torontos won the first game of the double-header with Providence at Diamond Park on Saturday afternoon by the score of 3 to 2. The Barrowites took the lead early in the game, and, altho the score was close, they were never headed.

The Torontos both outhit and outfielded their opponents, while McGinley pitched a good game of ball, holding Providence down to four hits and striking out seven men. A couple of hits in the eighth by La Chance and Crist and a bad throw by McGinley to second base to catch the latter, made things look blue for a while, but the best Providence could do was to tally a couple, and the home team finished one up after a clean and interesting game of ball. The score:

Second Easy for Providence.

The second game was captured by Providence by the score of 4 to 2, the visitors having no trouble in scoring a victory, as McCafferty, who was in the box for Toronto, appeared to be in trouble most of the time, and was not pitching good ball. With the score 1 to 1 up to the end of the fifth, it looked as the things might come our way, but in the sixth a base on balls and the bunching of hits netted Providence three runs and the game. Poole pitched first-class ball for Providence, and had the Toronto players guessing all the time. By arrangement the game was called at the end of the seventh innings, to allow the Providence players to catch their train. The score:

Football Kicks.

Representatives of teams wishing to enter the Presbyterian Association Football League are requested to be present at a meeting to be held on Aug. 14, at 8 p.m.

Some of the football men turned up at Stanley Barracks and others at Stanley Park on Saturday and consequently there was no practice of the players, who are to meet the Corinthians.

Owing to a mistake it was announced that the Thistles were to play in Dundas on Saturday, when the date fixed is Aug. 25.

Growth of Friends' Society.

A feature of the meeting of the local auxiliary of the Friends' Society, at 141 College-street, yesterday, was the presence of Henry W. Wilbur of New York, a noted divine, who is making a special tour of the Dominion with a view to founding and establishing the principles of the Friends' Church.

Yesterday's meeting was well attended, and in the course of an excellent address Mr. Wilbur reported the growth of the church as of a most gratifying character.

I.C.B.U. AND MANHATTANS WON AMATEUR BALL GAMES

Clever Contests Saturday in Inter-Association—All the Scores.

The I.C.B.U. team and the Manhattans won their games Saturday afternoon in the Senior Interassociation League series, the Irish lads turning the trick on the Centrals in the first game by a score of 2 to 1, and the Manhattans won from the Sherbournes in the second by a score of 6 to 2.

The I.C.B.U. boys certainly handed out a surprise to the patrons in the first game, but it must be said they had all the luck that was going. Smith and Phelan both pitched steady ball, altho the former had slightly the best of it. Britton played a great game at short for the Centrals. Jordan and Thorne both batted well. The former's lucky home run drive, which grazed the centrefield fence top, practically won the game for his team.

The second game provided some very loose play on the Sherbournes' part, who indulged in some very bad throwing. This mainly accounts for their defeat. Bush and Bond both pitched good ball.

For the winners O'Brien, Hutchinson and Stewart played well, and for the losers Strathdee and Curzon did some nice fielding. Scores:

City Amateur League Games.

The City Amateur League games drew a good crowd to Stanley Park on Saturday afternoon. The first game was won by the Wellingtons, as they hit in timely fashion, while the Park Nine could do little with Williams, who pitched a clever game, allowing them only two scratch singles. The features of the game were the batting of Hickey, Ross and W. Benson and the pitching of Williams. The second game was won by the Saints, as they batted and fielded in clever style, while the Aetnas' fielding was rather erratic, and they could do very little at the bat, a home run drive by Laird being the only hit they got off Hickey, who was in his best form. The batting of Murphy, fielding of Weinaug, running catches by Davis and Murphy, and four double-plays by the Saints, were the features of a very interesting game. Scores:
