A TERRIBLE CRIME

Homesteader Makes a Revolting Attack on Woman and Children.

Craik, Sask., July 31. — One of the most horrible crimes in the history of the west was committed near here Thursday by Alvin Neff, homesteader, who went to the house of a neighbor named Federshill during the absence of the man and after forcing his way into the house knocked the woman insensible and then outraged her. He also terribly abused her two little children. Later he returned to the house and dragged the unfortunate woman out on to the prairie while in a nude condition, and threatened to kill her and her children if she told. His victims are now in a very serious condition. Neff has been arrested and is now feigning insanity, although he is believed to have committed the crime while under the influence of liquor. He is a married man with a family.
