SPORTING

HOCKEY

SACKVILLE AND MARATHONS.

A letter signed by officers of the Sackville hockey team has been received here, in which they defend their action in playing the Moncton Victorias, and claim that the Marathons tried to arrange games with the Moncton team.

Frank White, president of the Marathons, gives emphatic denial to the statement and says the Marathons hold the same position they took at the starting of the season, namely, that the Victorias are playing men whose amateur standing has not been proved and that they could not play unless they were assured of their standing.

C. P. R. Men at It.

What proved to be a very closely contested and most exciting game of hockey was played in the Marathon rink last evening between a team from the passenger department of the C. P. R. and the telegraphers team, the game ending with a score of 4 to 3, in favor of the former.

St. Joseph's and Beavers Win.

Two games were played in the local hockey league series last night in the Marathon rink. The surprise of the evening was the defeat of the Marathon II team by the St. Josephs, the purple and white aggregation taking the leaders into camp, 5 to 3. This is the first defeat for the Marathons and the first victory for the St. Josephs. The Bankers-Beavers game resulted in a victory for the Beavers, 6 to 0. By mutual consent, the latter game will not be counted in the league series as neither aggregation had its full team on the ice.

C. Inches refereed both games.

The league standing to date is

	Won.	Lost.	P. C.
Marathons	3	1	.750
Beavers	2	1	.666
St. Josephs	1	2	.333
Bankers	1	2	.333

The Marathon seniors had a work out after the game, in preparation for the N. B. A. H. L. championship game at Marysville Friday night.

CURLING

Thistle Competition.

In the play for the Holly trophy last night in the Thistle rink Skip A. Douglas Malcolm beat Skip W. A. Shaw, 16 to 6.

Moncton, 69; Amherst, 62.

Moncton, March 6—(Special)—Moncton curlers defeated four rinks of Amherst curlers in a close game this afternoon. The score stood 69 to 62.

THE SPEEDWAY

The Torryburn Races.

A large crowd witnessed the races at Torryburn yesterday and two interesting contests were seen. Walter K. won the free-for-all from American Boy, and in the 2.40 trot and pace, the horses finished as follows: Black Diamond, 1st; Ahetna Wilkes, 2nd; Alan MacGregor, 3rd.

The officils were—James Johnston, starter; Wm. Lowe, George Smith and G. Clark, judges; O. W. Wetmore, clerk of course.

Jack Johnson, the American colored heavyweight, fought in Toronto recently with Long, the Victorian pugilist, and easily defeated him in the ninth round. About 1,200 spectators witnessed the contest.

THE RING

Thomas Bests Mellody.

Philadelphia, March 6—Joe Thomas, of California, had a slight advantage over William Mellody, of Charlestown (Mass.), in their six round bout before the National A. C. tonight. Thomas dropped Mellody in the opening round with a left to the chin but the latter was quickly on his feet and rushed to a clinch. The fight was unsatisfactory because of the almost continuous clinching of both fighters.

BOWLING

E. Cowan, the veteran bowler, won the monthly roll off in Black's alley last night with 9 pins. There were about twenty competitors. Tonight, in the league series, the Ramblers and Electrics will play.

CANADIANS GETTING BUSY.

Canadians are just now immersed in the most ambitious plans for the season of 1907. That far-famed trophy, the Canada's Cup, which means as much on fresh water as the America's Cup does on salt, is not engaging Canada's attention this year. For next season, however, there is the possibility of another Hamilton entry for the Lipton trophy at Chicago there is the approximate certainty of a Seawanhaka Cup challenge from the Royal St. Lawrence Yacht Club of Montreal to the Manchester Yacht Club, that has held that trophy for two years, and there is the positive assurance of a determined effort at winning one or more international trophies at the Jamestown Exposition in September. President Roosevelt's Cup for 27-footers and the Hampton Roads free-for-all trophy are the two particular prizes aimed at. It is possible that the Royal Canadian Yacht Club may hold a special series of trial races for the Roosevelt Cup representatives, apart from the Canada's Cup, reserving the best in the fleet for this latter trophy; but this pre-supposes a plentitude of 27-footers, which has not yet materialized.

There is also talk of sending Zoraya, winner of the Fisher Cup in international competition last year.—Yachting.

THE TURF

ABOUT KINGBOROUGH.

The Western Horsemen says:—L. D. Morton, Digby, Nova Scotia, is the owner of a remarkably fast and good son of May King, sire of Bingen, 2.06 1-4, out of Lilly Clay, by Kensington, second dam, Jennie Clay, by Harry Clay, 45, that is called Kingborough. During the past season this horse won six out of the eight races in which he started, was second in the othe two, and closed the season with a record of 2.16. He has never been on a mile track, and that he is nowhere near the limit of his speed is evident from the fact that he has been worked quarters in 28 3-4 seconds. Kingborough is a handsome six-year-old black stallion and his is the fastest record made by a horse in the Maritime Provinces this year.
