THE FASHIONABLE GATHERING AT GOODWOOD.

Orme Wins the Sussex Stakes After a Mighty Struggle—Betting on the St. Leger—Buccaneer and Nunthorpe Matched—General Sporting News and Gossip.

LONDON, July 30.—The fashionable race gathering at Goodwood this week has been a success, both the weather and the sport being admirable. The picnic element was more than ever conspicuous, and the number of elegantly-dressed ladies present has never been surpassed on any previous occasion. The Duke and Duchess of Connaught were among the guests at the Duke of Richmond's and attended the races daily. The Duchess of Portland in a dainty rustic dress of pompadour silk was conspicuous, while the orange colors of the Marchioness of Ormond and the white and green gown of Lady Alington attracted much notice. Nearly all the racing men from the Duke of Westminster down were present on the course.

Orme only won the Sussex Stakes at Goodwood after a mighty struggle with Watercress, a great seventeen hand colt, who improves rapidly. It was a repetition of the struggle with Orvieto, and the Duke of Westminster has been severely blamed for trying his colt again with the St. Leger race within measurable distance.

It is now conclusive that Orme has not recovered his 2-year-old form. He is friendless at six to four against him for the St. Leger, and his position in the betting marked threatens to become weaker.

The great Doncaster race has assumed a much more open character and half a dozen horses are now freely backed.

Lord Rosslyn and Col. North have arranged a match between their respective champions, Buccaneer and Nunthorpe, to race a mile and a quarter at £1000 a side. The race takes place at Newmarket this autumn and is already the subject of much comment. It is much more sportsmanlike in character than any which has been made since the days of the late Admiral Rous.

THEY DIDN'T LIKE CRICKET

The Lacrosse Crowd Were Anxious to See the Twelves on the Field.

A rather amusing incident occurred at Rosedale Saturday. The Toronto Intermediate Lacrosse team were billed to play the Athletics a C.L.A. match, and quite a crowd paid the small admission charged and were in the grand stand. Toronto and Rosedale cricketers still occupied the field. But the crowd didn't want to see them and weren't slow to mention it. Their only applause was when a wicket went down. The men in the long flannel trousers were good naturedly but unmercifully guyed. "Take your hat next time," greeted the unlucky fielder, who muffed an easy fly. Finally the last wicket went down. The crowd did not need to shout "Put them off" any more, but applauded as vociferously as when Billy Gale shot the first goal. After the lacrosse match was over the cricketers went on and finished their game without any spectators.

A lacrosse crowd has not the patience to watch a cricket match. And cricketers will continue to enjoy the noble old game without the incentive of a grand stand full of spectators.

THE CRICKET CHASE.

East Toronto Defeats Scarboro by 9 Wickets—Features of the Game.

East Toronto and Scarboro played on the Bellamy town lots Saturday. The match resulted in a victory for East Toronto by 9 wickets. Jordan batted well, making 18 and ½ not out, also taking 9 wickets for 13 runs. D. Thompson showed good cricket for his 13. The fielding of Le Roy was a feature of the match. Baird, for Scarboro, trundled well, as the score will show:

An Ignominious Defeat for Halifax.

HALIFAX, July 30.—The cricket match between the combined Halifax teams and Germantown ended to-day in an ignominious defeat for the home players. Germantown yesterday made 207 in their first innings. Halifax were all out for 71. In their follow-on in the second innings to-day they made but 103 runs, the victory thus going to the Americans by an innings and 31 runs.

KILLED BY AN INSHOOT.

George Starrett Struck On the Head and Dies from the Result.

NEW YORK, July 30.—George H. Starrett, 19 years old, died at his home in Forrest-street, Jersey City, yesterday, from the effects of a blow with a baseball.

He was playing in a match game last Saturday and was at the bat. The pitcher sent in a swift inshoot. The ball struck Starrett on the head just over the left ear. He fell unconscious and never revived.

Our Only Representative on the Professional Diamond.

William Somers is the only native born Torontonian at present playing professional baseball. He is right fielder of the Chattanooga club that has just won the championship of the Southern League first series. The deciding game was played with Birmingham, when Somers' base hit drove in the winning run.

SHOOTING AT STARK'S.

Mr. McDowall Makes a Remarkable Record—Torontos Shoot.

The second shoot in the Toronto Gun Club series occurred over McDowall's traps at Stark's on Saturday. There were a great many present and the event was by far the most successful one held this season. One of the features of the shoot was McDowall's big run of 75 without a miss.

Toronto's Trio to Race in Hamilton.

HAMILTON, July 30.—The bicycle races here on Aug. 8 promise to be most successful. The program includes a two-mile novice race, half mile dash (open), one mile (2.45 class), one mile (open), quarter-mile dash in heats, one mile (3-minute class), two-mile lap race (open), three mile (open), one mile (consolation), and a special 10 mile race open to A. W. Palmer, G. M. Wells and W. M. Carman, all of Toronto.

Swimming Records Fractured.

PHILADELPHIA, July 30.—The first annual swimming championship meeting of the Atlantic Association of the Amateur Athletic Union was held in the Upper Schuylkill River this afternoon under the auspices of the Philadelphia Amateur Swimming Club. The low condition of the river presented almost dead water, there being no perceptible current. Arthur Thomas Kenny of the Philadelphia Amateur Swimming Club won both events—the 100 yards and one mile—breaking the American record in the first race and lowering the world's record in the latter event.

THEY FOUGHT A DRAW.

Ryan and Wilkes Fought 17 Rounds and Were Stopped by the Police.

OMAHA, July 31.—Tommy Ryan of Chicago and Jack Wilkes of St. Louis, welter weight pugilists, fought last night for the championship and a purse of $3000. The police stopped the fight in the 17th round. Ryan had everything his own way, and he had his man whipped when the fight was stopped. The referee declared it a draw.

The Hall-Pritchard Fight.

LONDON, July 31.—Sporting men in London believe that the Hall-Pritchard prize fight, which is to take place about Aug. 20, will be fought "outside the ring." Abingdon Baird, the wealthy ruffian who was expelled from the late Pelican Club for bringing a crowd of roughs to Bruges to abuse Slavin in his fight with Smith, is backing Pritchard in his drunken moments, which are frequent. He has sworn that he would prevent the defeat of his man by fair means or foul.

Charley Mitchell and Frank Slavin are to be Hall's seconds, and both believe that Baird means what he says, and are prepared for a conflict.

The fight is to take place in private in a place not yet decided upon, so that there will be no danger of police interference.

Onward Beats the Rochester Yacht.

BELLEVILLE, July 30.—The race for the Fisher Cup took place to-day and resulted in an unexpected victory for Norah, the holder. The competing yacht was the Onward of Rochester, which led at the start, was passed on the first round and regained the lead after the second mark was rounded. At the home buoy on the first round Onward was 2 minutes and 37 seconds ahead, but on the next round her topmast went by the board and her gaff broke, throwing her out of the race. Norah went on and finished the race in 5.16.30, only 5 minutes ahead of the allotted time.

WHY HE LOST.

Durnan's Explanation of the Sculling Race That Has Caused Much Comment.

Sporting Editor World: Before leaving for Saratoga I wrote a letter for the papers denying the charges which appeared against me and explaining why I lost the single scull race. I left the day after this and did not send the letter to the papers, as I was advised to pay no attention to the reports as my friends would have confidence enough in me to disbelieve them. During my absence, however, members of the Sunnyside Club and others, who ought to have known better, have repeated these lies about me to such an extent that I am forced now to make a public statement. The cause of my losing the race was overtraining, which resulted in severe illness and cramps in the stomach, of which I had several spells on the second day of the regatta. About half an hour before the race I had a severe attack, which weakened me very much and prevented my reaching the place in time to start, causing me to be over half an hour late. The starting point and left me tired and in no condition to start in the race. I then suffered from an attack of griping pains during the race which caused me to row out of my course and almost foul Ryan and compelled me to drop out of the race. During the morning a number of my friends, who knew I was not feeling well were very anxious to find out if I was going to be able to row in good form, and I told every one who inquired that I was afraid I was in poor condition and they had better not risk their money on me. Some of these, I believe, went over to town and commenced to bet against me, but I am not responsible for them and have nothing to do with any bets that were made nor do I care anything about them. I am sorry that any of my friends lost their money on me and lost. To every one who asked me during that morning I simply stated the fact that I was not feeling well and they had better not bet. I could not see everybody, and if those who got information from me about my condition thought it square to go and bet with those who did not, I could not help it. I simply told the truth about myself to those who enquired without making any distinction. With reference to those who have gone out of their way to slander and injure me, there is no doubt they have succeeded in doing me a very great wrong and injustice, and my lawyer has advised me they can be arrested for criminal libel, and I intend to take proceedings against them. I am also advised that the action of the Sunnyside Club in withdrawing my entry at Saratoga without asking me for any explanation giving me a chance to make any explanation will not permanently injure my standing or prevent my joining some other decent club. After the single scull race I had two hours' rest and a good rub down and felt in much better trim for the double, which I rowed in good form without suffering from any further attack of my trouble. I need hardly say that I have never, either directly or indirectly, received a single cent of money nor the promise of any money or anything else in connection with the race. The charges made against me are absolutely false, and the persons who have made them will certainly be called upon to prove them in court.

EDWARD DURNAN.

Sporting Notes.

Fire destroyed the grand stand on the Toledo baseball grounds last week.

Jack McAuliffe is training in Bangor, Me., for his coming fight with Billy Myer. He is perfectly confident of victory.

The Alert Baseball Club failed to put in an appearance on Saturday at the cricket grounds, thereby giving their opponents, the Crescents, a game by default.

Huron will probably be a starter in the Omnibus Stakes at Monmouth Park Aug. 16. This 3-year-old event will be worth about $18,000 to the winner. Huron will carry but 117 pounds and should be in at the finish.

The battle between George Dixon, the champion featherweight, and Jack Skelly is now assured. Articles have been signed for the fight before the Olympic Club, New Orleans, Sept. 6 for a purse of $7500 and a stake of $5000, the whole amount to go to the winner.

The good work of the New Yorks began with the retirement of "Buck" Ewing. Baseball cranks are now of the opinion that Manager Powers has been handicapped by Capt. Ewing and that in the future Patrick should be allowed to handle the team both on and off the field.—N.Y. Herald.

The Park Nine Juniors defeated the Athletics on Saturday by 12 to 5. Batteries—Wright-O'Brien; Stevens-Delude. Humphrey.

The Bellwoods defeated the Western Stars on Saturday at Island Park by 14 to 12. Batteries—Uniack-Hall; Holden-Chapman.

AN OUTBREAK IN CHINA.

British Assistance Called on to Suppress It.

VICTORIA, B.C., July 30.—The steamship Empress of India brings news of a serious insurrection in Falshau, China, caused by the extortions of the Chinese Customs officers. Many commercial houses had suspended business and the streets were crowded with excited people vowing vengeance upon the Customs authorities. No boats with cargoes were allowed to land, soldiers guard the Custom Houses and have had several encounters with the people. On June 20 several persons were killed and hundreds wounded. Fearing that there would be a general looting of the town, Consul-General Waters, representing the British Government, sent to Hong Kong for assistance and the gunboat Tweed was sent up.

"What Am She?"

The latest story regarding the New York Central's Empire State Express was told at the Albany Press Club a few nights ago. Three colored men employed in one of the large brick yards on the Hudson River had never seen the famous train pass, as before they could get in position to see it go by it would be gone, and all that was visible was a glimpse of the rear signal flags. One day recently they arranged to stand one at the north end of the yard, another at the south end and one in the middle, and as the train approached each would notify the other, so as to secure a good look at her at the appointed time. The train appeared in sight a few seconds later. The man at the south end called out, "Here she comes;" the one at the north end, "There she goes," and the one in the middle cried: "What am she?"—Albany Evening Journal, July 12, '92.

Too Much Speed on the Bay.

Notwithstanding the warning recently given the steamboat captains by Harbormaster Baldwin, there still are many complaints of the rate at which the lake steamers run in the Bay. It is often very difficult for people in small boats to get their boats out of the way, even when the steamers are running at a moderate rate, but when a large steamer is going 8 or 10 miles an hour it is positively dangerous. The time lost in going at a 4-mile rate from the channel to any of the wharves is not so great as to make any appreciable difference in a boat's time, and the safety of boating citizens is certainly of sufficient importance to be considered.

It Skirts the City.

The Grand Trunk has started its new belt line, and the trial trip was made on Saturday. The line extends east to the Don, up the Don valley, and then skirts the northern part of the city and down through Parkdale to the Union Station. Another loop takes in the Humber and Swansea. Each loop is divided into eight sections. Tickets are sold at the same rate as on the street railway, and each ticket carries a passenger over one section of the line.

Long Branch.

This favorite summer resort presented a delightful appearance on Saturday afternoon, large crowds of excursionists going up by the fine steamer Merritt.
