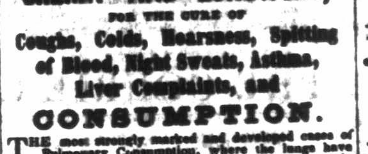
JUDSON'S CHEMICAL EXTRACT OF



CHERRY AND LUNGWORT, FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

THE most severely marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless, as to have been pronounced by Physicians and friends to be past all possibility of recovery, and at times thought to be dying, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medicines which are peculiarly adapted to, and essentially necessary for the cure of

COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men, and the inventions of kind and sorrowing friends and nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives; but this medicine is not only a palliative, but a cure for ulcerated lungs. It contains no deleterious drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing Consumption and all diseases of the lungs, such as spitting of blood, coughs, pain in the side and chest, night sweats, &c., &c.

About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like a Quackery, (will show them to any person calling at our office.) This medicine will speak for itself and enough in its own favor wherever it is tried.

Caution.—This medicine is put up in a large bottle, and you must find the name of Comstock & Brother, Proprietors, New York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John Street, New York.

TO THE PUBLIC.

BUTCHART'S RESTORATIVE BALSAM.

THIS invaluable Medicine has been sixteen years before the public, and has invariably been attended with unparalleled success,—indeed it may be justly considered INFALLIBLE in the cure of Bloody Flux or Dysentery, and all Looseness of the Bowels, in old or young. Its effects are palpable. Within a few minutes after a full dose has been taken complete relief is obtained. This Medicine is the invention of the late Doctor Butchart, Dundee, who, from long experience and extensive practice, has brought it to its present state of perfection in the cure of the above diseases. The ingredients of which this Medicine is composed are most salutary and beneficial to the human system. A single trial will satisfy any one as to the truth of this statement, and we can with the greatest confidence recommend it to the public as a sure and safe remedy.

To be had only of WM. LYMAN & Co., Montreal, and JOS. BOWLES, Quebec.
