CLOSER TO THE PENNANT

Toronto Beat Buffalo on Monday, Bruce Pitching Against Magee.

MASSEY HIT IN THE WINNING RUN

The Score Was 1 to 0, While Crossing the Plate in Last Half of the Ninth.

Toronto gained nine points on the enemy by Monday's victory, and now has a comfortable margin of 21. It was a great game and Barrow's men are this morning considerably closer to the championship. The new fielder from Binghamton made a correct impression and here's that his companion will also make good on the slab this afternoon. The record:

Club.	Won.	Lost	Pct.
Toronto	74	41	.643
Buffalo	76	46	.622
Worcester	64	56	.534
Providence	65	57	.533
Jersey City	67	59	.532
Rochester	52	69	.429
Montreal	52	72	.419
Newark	38	88	.301

Games to-day: Buffalo at Toronto; Rochester at Montreal, Newark at Worcester, Jersey City at Providence.

Toronto 1, Buffalo 0.

The invincible Louis Bruce, backed up by almost perfect support, took the second game of the home series from Buffalo Monday afternoon. The hard-hitting Bisons were unable to make a single tally, the six hits which they obtained being of the punkiest kind. Bruce had the batsmen completely at his mercy. Only once, in the third innings, was he in any great difficulty, and he extricated himself with the greatest of ease. Magee did splendid work for the visitors, and allowed only two hits up to the ninth, when he weakened, and the Torontos scored the winning run.

A couple of changes were made in the teams from Saturday. Wiedensaul, Toronto's new right fielder from Binghamton, made his initial appearance, and made a good impression by his attitude in the field. Francis replaced Nattress at shortstop for Buffalo.

Both teams worked their hardest to win, and clever plays abounded on both sides. The errors that were made were due to the eagerness of the men, and to the strain to which the hard contest subjected them. An overflow crowd saw probably the best game of the season, and the garrison finish of the Torontos sent them home happy.

In the first and second innings Buffalo went out on easy flies. Shaw was first up in the third and hit out a nice single. Magee bunted, and Massey ran in to field the ball, Bruce failing to cover first. Getman also sent up a little fly, which should have gone foul had not Bruce with too great eagerness attempted to catch the runner at first. The bases were thus filled on fluke, and with no one out it looked dangerous. Brain, after having three balls given him, foolishly struck at the fourth one and hit to the pitcher, and Shaw was forced out. The next two men up went out easily on pop flies, and the game was saved. Bruce received an ovation for his clever work.

In the fifth Magee singled after one was out; Gettman forced him at second, and a moment after was himself caught trying to steal. Brain led off in the sixth with a single and was sacrificed to second, but got no farther. In the next, after two went out on flies, Shaw hit out a hot one, which Downey could not stop, and before it was returned Shaw was on second. Magee drove a grounder to Carr, which the latter fumbled, but all Gettman could do was to send up an easy fly. In the last two innings they failed to reach first.

In Toronto's first Downey hit a safe one out over second, advanced a base on Wilfley's sacrifice, but was put out at third on Bannon's hit to short. Massey flied out. Up to the sixth they could not solve Magee's curves. In that innings Bruce was first up, and sent out a hot liner that Brain could not stop, and Downey sacrificed him to second. White went out, short to first, but Bannon waited for four bad ones. Then the two on bases tried a double-steal, but Bruce was put out going home. There was nothing more doing until the ninth, Magee holding them down by his good work in the box, and the excitement of the 0-0 contest worked up the crowd to a high pitch.

In the last innings the spectators were all on their feet, shouting and cheering. This seemed to unnerve Magee, and he lost his effectiveness. White was first up, and lined out a good one between second and third. Bannon sacrificed him to second, and Biz Bill Massey, who has so often won the game this year in the last pinch, came up and drove the ball out to centre field, and before the ball could be returned White had crossed the plate, scoring the only and winning run, with one man out. Southpaws in To-Day's Game.

To-day's contest at Diamond Park between Toronto and Buffalo will be the final of the season between these teams and will likely have a great bearing on the championship. Monday's magnificent contest is sufficient evidence that to-day's game will be another death-and-death struggle. It will be a battle of left-handers, Wolfe, the new southpaw pitcher, secured from the champion Binghamton team, will be on the rubber for Toronto, and opposed to him will be Doc Amole, the veteran. As the free list has been entirely suspended for the entire Buffalo series, ladies will be required to pay the usual admission fee. To-morrow, Thursday and Friday, Jersey City will play Manager Barrow's team and there will be three more great games for Exhibition visitors to see. Games are called every day at 3.30 p.m.

Rochester Beat Montreal.

Montreal, Sept. 8.—In the ninth innings, with a man on second, Kelly hit a liner to Shearon, who found it too hot to hold. He recovered the ball and threw wild to first, the ball bounding into the stand and into a woman's lap. She threw it out and O'Hagan recovered it. The man on second scored, but the umpire refused to allow Kelly to do likewise, claiming the ball was in play again. Montreal had a patched-up team, and Raub's errors were costly. Score:

FIRST AUTUMN RUN OF THE HOUNDS

About 20 Hunt Club Members in the Saddle on Monday Morning.

The first run of the Toronto hounds for the fall season came off Monday morning at 6.30 sharp from the kennels. The master, Mr. G. W. Beardmore, on Cockatoo, was in charge, assisted by Capt. Miller as whip. About 20 mounts started, and a dozen finished. Among those in the saddle were Major Forrester on Term Day, Mr. Clinch on a pony colt, Mr. Louden on Woolgatherer, Mr. Sanford Smith on Ten Below Zero, Mr. Lough on Prince, Mr. Maclean on Japanese, Mr. Hendrie on Maple Sugar, Mr. Holland on Grey Cloud, Mr. Proctor on Beecanut, and Dr. Capon on Othello.

The horses were most of them in good condition, and the fencing, for a first performance, was excellent. The hounds will probably be in better shape soon, as they, too, were fresh to the work. The run was north, west and south, thru Scarlett farms, with a finish near Dentonia, at 8.15.

There will be a meet again on Thursday morning, and a big turnout on Saturday afternoon. There is an excellent prospect for a good autumn's sport.

RUGBY FOOTBALL AT VARSITY

Will Have Strong Team in Line—Practice Begins Next Week.

At present things point to a strong Varsity Rugby team this year. Many of the old players will be back. The half-back line will be much the same as last year; in fact, practically all last year's defence men will be on hand.

Casey Baldwin, Harold Beatty and Earl Gibson are coming back to college again, and will be on the half-back line, and Geo. Biggs will play full. But Varsity scrimmage is an uncertainty as yet, and practically a new scrimmage will have to be found. Some new wing men will have to be found. Some old wing men who will be back are Jack McCallum, E. R. Patterson, German, Biddy McLennan and Baldy Campbell. It was rumored that Jack McCallum, formerly captain of Varsity, and the speediest and surest outside wing in the Intercollege League, would play with the Argonauts this fall, but that is incorrect. Jack is eligible to play on Varsity, and will most probably be seen in a blue and white uniform again. He is quite willing to play. E. R. Patterson is the heaviest outside wing in Canada. He weighs 190, but is very speedy. He is thru Varsity, but is still eligible for a place on the Varsity team, and will turn out. Gilbert, the fast wing man, will be back again. Percy Biggs (captain) will play quarter, and Gordon Fleck will be manager.

Everything points to a strong Varsity team. Practice will commence on Sept. 17, when the boys return. There are many promising medical students who intend to turn out this fall.

Rugby Football.

There will be a meeting of the Toronto Juvenile Rugby League to-day at 8 p.m. at the Y.M.C.A. St. Alban's, North Toronto and any others wishing to join are requested to send delegates.

The members of the Oriole Rugby Club and those wishing to join are requested to turn out to practice this evening in Jesse Ketchum Park.

Veterans to Bowl on the Green.

Weather permitting, an interesting match will be played on the Victoria lawn, Huron-street, this afternoon, between a quartet of bowlers from Harriston, whose ages aggregate 250 years, and another like number of Toronto bowlers, whose years run up to the highly respectable total of 308.

As the skill, vigor and courage of these gentlemen still remain undiminished, a well-played game is expected, and it will be a rare sight to witness the keen rivalry of these elderly men in the exciting competition of a keenly contested game of bowling on the green.

Rosedale's Team for To-Day.

Rosedale's team to play McGill (Montreal) all day at Rosedale to-day will be: W. H. Cooper, J. H. Forrester, J. L. Hughes, E. J. Livingston, R. C. Reade, J. L. Counsell, A. W. Mackenzie, A. E. Millican, C. H. Wright, Casey Baldwin, W. R. Whitaker.

Good Boys

Are the bad boys very often. The boy that's good for anything is generally pugnacious. He's a healthy animal, and the healthy animal will always fight for his rights.

When a boy shuns the rough sports of his companions he is apt to be a weakling, and to be conscious of the fact.

Just the thing for Children.

Angier's Petroleum Emulsion is remarkably effective with delicate children. They like it and take it readily when they cannot be induced to take Cod-liver Oil. It is an excellent tonic and just what the little ones need. It makes them eat better, sleep better, and gain in weight, strength and color. Give it to the children if they have a cough or cold; if they are pale and thin; if they are scrofulous or rikety; if their food does not digest or their bowels are out of order. It is pleasant to take.

All druggists sell it.

O'Neil's Suspicious Ride.

Buffalo, Sept. 8.—The weather was fine and the track fast at the Kenilworth Park track to-day. The racing was also of a good quality, except in the fifth race, when there was a suspicious ride by O'Neil on Jessie Jones. Mr. M. Goldblatt, the owner, requested that he be allowed to withdraw his horse before the race, giving as a reason that she had bled in her workout. A steward of the Jockey Club examined the horse and decided that she could complete. She was given a very doubtful ride in the race, and as a result the owner and jockey were suspended for the rest of the meeting, and the case will be laid before the Jockey Club for consideration. The betting ring was hard hit in the fourth race, when the talent bet heavily on Lampoon to win and Enue for place and show. They ran first and second. The summaries:
