REPORTS.

BOOTHBAY, Me., July 17—Ard, sch Mattie Winship, Capt. Frost reports that on the northern edge of George's Banks picked up Thomas Lane and Lawrence O'Brien of the fishing schr Sarah H Prior, they having strayed from their vessel in the fog and were eight hours in the surf before being picked up and brought here. They will be sent to Gloucester tomorrow.

BOSTON, July 17.— Capt. Jansen of the steamer Sunbeam, at this port from New Orleans, reports last Sunday afternoon, when ten miles east from Sheinnecock lightship, sighted a sunken vessel, apparently a three-masted schooner. She was lying in about 16 fathoms of water, and all three topmasts were projecting some five feet out of water. As the wreck lies directly in the track of shipping, it forms a very dangerous obstruction.

NOTICE TO MARINERS.

Portland, Me, July 17, 1901.

WASHINGTON, D C, July 17.—Notice is given by the Lighthouse Board that on or about July 30, 1901, light vessel No 51, moored off Sandy Hook, on the easterly prolongation of the axis of Gedney Channel, entrance to New York lower bay, will be temporarily withdrawn from her station for repairs, and the station will be marked by relief light vessel No 16. Light vessel No 16 will show a reflector light, flashing white every 15 seconds (instead of an occulting electric light) from the foremast head. The light will be visible about 10 nautical miles, the observer's eye 15 feet above the sea level. Should the flashing light become inoperative a fixed white reflector light will be shown from the mainmast. During thick or foggy weather a 12 inch steam whistle will sound a signal having the same characteristics as that sounded from light vessel No 51, viz, blasts of 3 seconds' duration, separated by alternate silent intervals of 12 seconds. Light vessel No 16 has two masts, schooner rigged, no bowsprit, and a black smokestack and the steam whistle between the masts, but differs from light vessel No 51 in having a yellow hull, a black cagework day mark at each masthead, "Relief" in large black letters on each side, and "No 16" in black on each bow and each quarter. Light vessel No 51 will be returned to her station as soon as repairs have been completed, and light vessel No 16 will then be withdrawn, of which due notice will be given.

VICE-REGAL PARTY

CHARLOTTETOWN, P. E. I., July 21.—The Island capital was en fete yesterday in honor of the Earl and the Countess Minto. Three addresses were presented to his excellency. They were on behalf of the city, the local government, and the Caledonian Society. All three addresses laid stress in felicitous terms on Lord Minto's services to Canada at the time of the Northwest rebellion. The Caledonian Society's address was in part as follows: "We extend to you, the representative of an old Scotch family, a truly Highland welcome, and express the hope that her excellency Lady Minto and yourself will long cherish pleasing recollections of your brief visit to the 'garden province' of Canada."

SYDNEY, July 22.—The steam cutter Acadia, with the vice-regal party on board, arrived at ten o'clock. Owing to a heavy fog outside, the progress from Bras d'Or was somewhat slow. The Sydney band played The Maple Leaf while the yacht was coming to anchor. It is probable that the party will visit the works of the Steel Company tomorrow afternoon. On Wednesday they are expected at Louisburg, where they will be presented with an address. After this the party will visit the ruins at the old town.

Commander Spain and the Governor General's staff, comprising Capt. A. C. Bell of the Scots Guards, A. F. Sladen, private secretary, and Arthur Guise, landed at 11 o'clock. Mr. Sladen said that the trip down the lakes was a very pleasant one, and one much enjoyed by Lord and Lady Minto. He says they were charmed with the scenery along the lakes and straits. They are enjoying their trip immensely. Their excellencies arrived at Sydney in the government steamer Acadia, having left the Minto at St. Peter's. Lord and Lady Minto will dine tomorrow evening with H. M. Whitney.

DEATH OF H. D. BLACKADAR.

HALIFAX, N. S., July 21.—The death occurred early this morning of Henry D. Blackadar, one of the proprietors of the Acadian Recorder newspaper of this city. Mr. Blackadar's father ran the Recorder nearly eighty years ago, and Henry learned the printing trade, subsequently becoming a writer, and, with his brother Charles, its joint owner. He had amassed a considerable fortune. A widow and two sons survive.

Mr. Blackadar's health began to fail six months ago. A protracted trip was taken to the United States and he seemed to be better, but the improvement was not thorough. A week ago he became dangerously ill, and for two or three days his death was hourly expected.

LYNN, Mass., July 21.—Fred Burrill, 22 years of age, a laborer, living at 120 Wyman street, is under arrest on the charge of manslaughter in causing the death of Thomas Healey, also a laborer, at West Lynn this afternoon during a quarrel, both men being under the influence of liquor.
