Inter-Collegiate Rugby.

FEILDIANS DEFEAT M.C.

The first game in the Intercollegiate Rugby series was played in the Tannery yesterday afternoon between the Methodist College and Bishop Feild College, teams, the latter winning by 11 points to 9. The game was a fairly good one but there were several faults to be found, particularly the failure of practically all the players, to tackle low. The "scrums," too, rarely got down well and there were always men on both teams pushing sideways. The scoring was opened by Quinton who kicked over the Methodist line and touched down. Withers converted with a fine kick putting the Feildians 5 points up. Not long after Crummy touched down for the M.C. They, however, failed to convert. Before half time Smith and Withers each obtained a try for the Feildians, neither of which were converted. The second half opened with the score 11-3 in favour of the Feildians. Play was very much of a give and take nature until very near the end when the M.C. scored another try. With very little time to go Herder brought off the best bit of play for the game. Picking up the ball in his own twenty-five line he ran clean through, shaking off the Feildian back, and scored. The M.C. failed to convert and the final whistle ended with the score 11-9 in favour of the Feildians. The next game will be played on the M.C. ground on Saturday.

Harbor Grace Notes.

Schooner Randolph C., Captain Arthur Parsons, went on dock on the 20th ult. and came off again yesterday, all repairs having been effected.

Miss Mary Cron, Nurse at the General Hospital, St. John's, and daughter of Mr. and Mrs. James Cron of this town, has been here for the past few days spending awhile at her home. Her many friends are pleased to see her and wish her a successful career at her chosen profession.

A son was born to Mr. and Mrs. C. Alex. Stevenson of Victoria Street a few days ago. Congratulations.

The pupils of the Methodist Superior School are holding a Concert in Coughlan Hall to-morrow, Thursday, night which will consist of Songs, Recitations, and an amusing Play entitled "The Doctor." We trust that a goodly number will attend and swell the proceeds to a large amount.

Mr. Thomas LeGrow of Bay de Verde, is in town to-day on a short visit.

Mr. Edwin Quinn has been in town the last few days, spending a short time at his home.

Schooner Dorothy G. Snow, Captain Parsons, having been on dock and all repairs completed, left port again yesterday.

Messrs. Munden Martin and Norman Hatcher went out by Tuesday morning's train enroute for Montreal to seek employment in the land of the Maple Leaf. Mr. Martin has been carrying on a tinsmith business here for some months, but the depression existing, no doubt, accounts to a large extent, for his closing up business and taking his departure, where we hope he will meet with abundant success.

Mr. W. H. Kennedy of the Post Office, went out by Monday morning's train to the city, where he will spend a little time.

The schooners Duke and Maxwell Roy are on dock at present, undergoing repairs.

Messrs. Munn & Co.'s schooner Olwen, Captain D. Burden, having finished loading fish at Mr. E. Simmons' wharf yesterday, left port this afternoon for Carbonear, where Mr. Moore will complete her cargo, from hence she sails to Italy.

Mr. James Fleming, one of the assistants at the Railway Station here, having been transferred to Brigus Junction Station, left town by Monday morning's train for that place. Mr. Robert L. Stevenson is supplying his vacancy here.

Station Master, Mr. D. F. Meaney and family, who have resided since their coming to this town on Harvey Street in the house owned by J. Munn, Esq., of St. John's, have now taken up residence in Makinsons' house on Victoria Street, formerly occupied by Capt. R. F. W. Strong and family.

Mrs. Moses Yetman of Woodville Road, went out by Monday morning's train to spent the summer months in Boston.

Miss Winnie, daughter of Mrs. and the late Isaac Benson, of this town, passed away at St. John's on the 30th ult., where the funeral took place yesterday, interment being made in the General Protestant Cemetery. The sympathy of the town goes out to the bereaved family.—COR.

Glencoe's Report.

NO SIGN OF FISH.

A message to the Reid Co., from the Captain of S.S. Glencoe which returned yesterday to Humbermouth from the Straits, states that all ports of call were made on both sides of the Straits, and that Whiteley's crews and gear were landed. There is no sign of codfish in any part of the Straits. There has been no ice about for the last couple of weeks. Two schooners were sighted on Saturday bound for Labrador.

Sudden Death at Bell Island

MRS. JOHN RYAN PASSES AWAY

On Thursday, May 26th, there passed to her eternal reward, at East Wabana, Bell Island, Margaret Ryan, aged 52 years, beloved wife of Mr. John Ryan of Bell Island, but formerly of Spaniard's Bay. Mrs. Ryan was well and favourably known at both Spaniard's Bay and Bell Island, and her funeral, which was held on Friday morning, after Requiem Mass had been sung by the Rev. Fr. Rawlins, was very large and testified to the esteem in which deceased had been held on the Island. Her death came as a very sad blow, both to her husband, family and friends, as she was ill but a few hours, being taken with a stroke of paralysis on Wednesday evening and passing away Thursday morning. The late Mrs. Ryan was noted for her charity amongst her neighbours, and surely no better virtue could she possess. It was while on a charitable mission that she was stricken. It appears that a neighbour's child met with an accident while playing, and Mrs. Ryan ran across the street to render assistance; but the rush proved too much for her, and as she reached the neighbour's house she fell and never regained consciousness. Mrs. Ryan was a great Church worker and was a member of St. Peter's Guild at the Mines R.C. Church. She is survived by four sons, Messrs. James, Edward, Richard and Thomas, all at home; by three daughters, Mrs. Duggan, New York, Mrs. Thos. Fitzpatrick and Miss Katherine on Bell Island, and by her husband, Mr. John Ryan, to whom we join in expressing our deep sorrow. Interment took place on Bell Island, and there, in the quiet little R. C. Cemetery overlooking the Bay of Conception, is laid to rest the remains of a devoted wife and mother and good Christian, charitable woman.—R.I.P. COM.

Make the Best of It.

In life you'll find there's every kind
Of care and all the rest of it.
The only way to make life pay
Is to smile and make the best of it.

To those in pain advice seems vain,
Yet sometimes they are blest of it.
It's hard to bear an extra share;
But try to make the best of it.

If things are bad, don't look so sad.
Cheer up! and make a jest of it.
It's worth your while to force a smile
And, smiling, make the best of it.

With some intent, all grief was sent,
And this is but a test of it.
Life's not too long. You'll not do wrong
To always make the best of it.
