NEW WORLD'S RECORD SET AT CLEVELAND

Peter Manning Steps Mile in 2:00 1-4—Walter K Wins Leader Stake.

NORTH RANDALL, Cleveland, Ohio, Aug. 9.—Trotting the last half mile in :58¾ seconds, Peter Manning established a new world's record for five-year-old gelded trotters here today, stepping the mile in 2:00¼. He was driven by Thomas Murphy, Poughkeepsie, N. Y., reinsman. The record was made in an attempt to lower 2:02¼, the trotting record for five-year-old geldings, established by Uhlan in Columbus in 1909. A few minutes earlier Murphy had established a season's record for trotters, when he drove Arion Guy, four years old, a mile in 2:03 in a trial against time. Arion Guy's former time was 2:04¾. He trotted the last quarter in :29¾ seconds, half a second slower than the time made by Peter Manning in his final quarter. Manning's time by quarters was: 30¾, 1:01½, 1:31, 2:00¼. Arion Guy's time was: :31¾, 1:03, 1:33¼, 2:03.

Walter K., an extreme outsider in the betting, won the Leader $3,000 purse for 2:08 pacers. He is owned by Fred Cline of Indianapolis, and was driven by Seth Palin. Driving finishes marked the day's racing, which drew a large crowd, despite the threatening weather. The first heat of the Leader resulted in a close finish between Jimmy McKerren, Kid Hall and Walter K. Dal Spencer forced the pace to the head of the stretch, where he weakened. Kid Hall, an Iowa pacer, making his maiden start on the Grand Circuit, finished second. The second heat was won by Walter K., which took command when Jimmy McKerron went into a break 80 yards from the wire. McKerron had made a tremendous stretch drive, pacing around his field on the turn, coming from away back and dislodging Kid Hall, the pace-maker. Walter K. was forced to a severe stretch brush to take the third heat. Ray laid back with Jimmie McKerron until straightened for home, but could not overcome the lead, and finished second by a nose.

Prince Loree, the double-gaited champion, broke early in the first heat and was distanced. Favorites won the three-year-olds and the 2:06 trots. Silladar took the former and The Toddler the latter. The 2:14 class trot resulted in a split-heat affair.

More Brilliant Tennis At Niagara-on-the-Lake Tourney.

NIAGARA-ON-THE-LAKE, Aug. 9.—Some magnificent tennis was seen in the international lawn tennis championship today. Lindley Murray of Niagara Falls, N. Y., won a hard game from Fulton of Cleveland. The play was close and exciting, some phenomenar shots of Murray's bringing forth volleys of applause from the large gallery present. Walter Westbrooke, Ohio State champion, showed he was in splendid form by winning from Henderson of Toronto. Westbrooke took the first set, 6—2. Henderson drove very finely in the second set, and had it at one time 5—4, and within a point of the set. Westbrooke was very good in tight spots and pulled the set out, 7—5. Frank Anderson, the American indoor champion, won from Danforth of Buffalo. He played beautiful tennis throughout. He served with terrific force. Carron of Cleveland won his game from Jarvis of Toronto, winning many points with his forceful back-hand driving.

SURPRISES IN PLAYGROUND LEAGUE LAST NIGHT

Queen's Park Boys Still Leading Their League.

The Playgrounds League furnished several surprises last night and the teams are promising several more on Friday night next. The main surprise in the games last evening was the trouncing that the Tecumseh girls got at the hands of the Riverview team. This former team had not lost a game and when the West Siders started out in the first inning and hammered in ten runs, the girls from the south side seemed paralyzed and never got going at all. This game leaves these two teams tie for the lead. Another surprise was the defeat of the Queen's Park girls by the Thames Park team. This latter team have broken up one or two other sure things, and will surely have to be reckoned with later on.

In the boys' games, the chief surprise was the return to form of the Lord Roberts team, who trimmed the fast-going Alexandras by a good score. Queen's Park held their lead of the league by defeating Bottrills in a good game. Following are the scores:

Boys.

Lord Roberts defeated Alexandra 15-13.
Birketts defeated Thames 17-9.
Riverview tied Tecumseh 9-9.
Queen's Park defeated Bottrills 12-6.

Girls.

Lord Roberts defeated Alexandra 19-7.
Riverview defeated Tecumseh 37-9.
Thames defeated Birketts 9-6.
Queen's Park defeated Bottrills 16-4.

Credit must also be given to Tobias, an Indian pitcher.

COUNTY LEAGUE GAME AT BLENHEIM TODAY

BLENHEIM, Aug. 9.—Considerable interest is being taken in through this district in the County League game scheduled for Wednesday between Dresden and the local team.

During the heavy thunderstorm which swept this district the residence of Henry Bragg was struck and fired, but a few pails of water put the fire out. H. Betts' house was also entered by a bolt, but no particular damage was done. J. K. Ross, a farmer, about a mile west of town, lost a $300 horse by lightning during the storm. It was in a pasture field.

Much interest is being manifested regarding the decision of Gas Referee Henderson in raising the price of gas to the consumers to such an enormous extent, and also his disregard for the municipalities' rights of franchise.

At a well-attended meeting of the Cedar Springs Farmers' Club and ratepayers held in the hall at Cedar Springs, Reeve John Cameron, Councillor Goldwin Russell and President Chas. Crummer ably discussed the gas situation. The following resolution was passed:

To Hon. Drury and Cabinet.

"We, the members of the Cedar Springs Farmers' Club and the ratepayers of this district, unanimously oppose the action taken by the present gas referee, Mr. Henderson, regarding the raise in price of gas.

"We feel that his action in breaking the franchise that we had with the gas companies is very unjust and that he should not have given his decision against our rights.

"We therefore, ask for his resignation and a repeal of the present gas act."

(Signed in behalf of club).

U. S. JUDGE ISSUES INJUNCTION TO STOP SEIZURE OF LIQUOR

Action Result of Complaint Filed by Canadian Distillery.

DETROIT, Mich., Aug. 9.—A temporary injunction was issued by Federal Judge Tuttle today against interference by federal officers with shipments of bonded liquor in transit from Canada through United States to foreign countries.

The order is the result of a bill of complaint filed in federal district court here by Hiram Walker & Sons, Limited, Walkerville, Ont., against Richard I. Lawson, collector of customs, and John A. Gregan, collector of internal revenue.

Violation of Treaty.

The Canadian company claims the seizure of whiskey shipments from Canada consigned for transit through United States to foreign countries by Detroit authorities, is a violation of the trade treaty of 1871 between Great Britain and the United States.

The Detroit officers are instructed to do nothing further on the cases mentioned in the bill of complaint until an investigation of the law is made by the court.

The plaintiff claims that February 14, 1921, twenty-five cases of bonded whiskey were delivered to Detroit to be sent through the United States and delivered in Mexico City, Mexico. It is alleged that this liquor was seized by Collector of Customs Lawson, who claimed he acted in accordance with provisions of the prohibition law.

Many Cases Lost.

Six hundred cases consigned to South America and which were to be shipped through the United States and port of New Orleans were not delivered to Detroit officers for transit through this country because of a threat that the consignment would be seized. It is also stated that of 86,815 cases of bonded whiskey in transit through the United States and consigned for foreign countries during the year, 1920, more than 286 cases were lost as a result of seizure. This loss is estimated at $2,330.80.

FIVE DROWNED AS RESULT OF CHILD WADING TOO FAR

Thomas Toohey and Four Children Lose Lives Under Tragic Circumstances.

OTTAWA, Aug. 9.—Five lives were lost in a tragic accident at Lombardy today when James Toohey, aged 53, and his four children were drowned in the waters of Otter Lake, one of the Rideau chain of lakes, situated about four miles from Smith Falls, Ont. After the father and three of his daughters had made a gallant effort to save the life of Laura Toohey, aged nine years, who, while bathing, waded beyond her depth, the tragedy occurred. The dead are, Thomas Toohey, aged 53 years, father of the Toohey family; Bernard, 27 years, his eldest son; Kathleen, aged 25; Dorothy, aged 11, and Laura, aged nine.

Got Beyond Depth.

The accident happened under most tragic circumstances. Laura Toohey, the youngest member of the family, who was bathing, got beyond her depth and cried for assistance.

At the spot where the accident occurred the water is of the uniform depth of about two feet for about thirty feet from the shore. Beyond that there is a sudden drop, and the depth is said to be from twenty to thirty feet.

Went to Her Help.

The sisters, Kathleen and Dorothy, were bathing a short distance from the spot where Laura disappeared beneath the surface of the water, in company with Miss Evelyn Broscher of Toronto. Notwithstanding the fact that none of the girls could swim, the three of them immediately dashed to her assistance. The two Toohey girls, as soon as they got beyond their depth, sank, and Miss Broscher, realizing the situation, made for the shore and sounded the alarm.

The elder Mr. Toohey and his son Bernard ran to the shore and jumped into the water. Neither was a strong swimmer and although they reached the girls in time, were unable to conduct them safely to the shallow waters and safety.

Bodies Found.

A search party was formed and after considerable difficulty, located all the bodies.

Coroner Dr. Anderson of Jasper, Ont., was called and after investigation decided that an inquest was unnecessary.

Surviving the victims of the drowning is Mrs. Thomas Toohey, wife of the elderly victim of the accident and six other daughters.

MISSING BANKER UNDER ARREST

Warren C. Spurgen Located On Ranch Near Chihuahua.

CHIHUAHUA CITY, Mex., Aug. 9.—Elebrio Hermosillo, chief of police, announced today that he has definitely located Warren C. Spurgin, missing Chicago banker, and that he would deliver him over to any authorized Americans as soon as he could be guaranteed $200 expense money.

ARRESTED ON RANCH.

EL PASO, Texas, Aug. 9.—Spurgin was arrested at a ranch a few miles from Chihuahua City. A wire was sent today to President Obregon asking an order for the expulsion of the banker from Mexico as a "pernicious foreigner."

Spurgin had several piece of baggage with him and appeared particularly careful of large suitcases. He told a customs official that the bag contained money with which he intended to buy a ranch in Mexico. Examination by the officer disclosed that the suitcase was filled with United States banknotes.

SETTLE NEWFOUNDLAND RY. PROBLEMS

Private Operation by Reid Company To Be Resumed.

OTTAWA, Aug. 8.—Amicable settlement of the railroad problems of the Dominion of Newfoundland has been reached, and affects some 1,000 miles of track between St. John and New Sydney, owned by the governments, but since 1901 operated by the Reid-Newfoundland Company. Acting on the recommendation of a report by Sir Geo. Bury, Premier Squires has announced the government railroad program. This covers resumption of private operation for one year by the Reid-Newfoundland Company, Newfoundland guaranteeing reimbursement of not more than $1,500,000 of operating loss. Certain large contemplated expenditures are to be postponed, but needed physical betterments are to be made at once.

Since 1904 the Bury report finds operating cost has exceeded earnings by $5,750,000. When the father of the president of the Reid Newfoundland Company undertook to operate the road for 50 years he anticipated it would pay after 15. He was disappointed in expected development. In 1920 a joint commission, composed of owners of the private company and representatives of the Government, undertook operation. The result was a double deadlock, with increasing operating loss.

Private operation is to be restored; an equitable adjustment of accounts has been reached, and it is probable the interests of the Government will pass under the supervision of a public utilities commission suggested by Bury, somewhat along the lines of the Canadian Railway Commission.
