THE ONTARIO HOUSE. The Price and Character of School Text-books Discussed—The Provincial Exhibition Grant.

The proceedings in the Assembly to-day centered on the educational policy of the Government regarding the authorization of text-books in use in high and public schools, the discussion being brought on by motion of Mr. Preston, asking for a motion of the evidence taken be-return of copies of the evidence taken be-fore the arbitrators, in the year 1889, on the prize of school text-books, with the the price of school text-books, when the the price of school text-books, when the award of the arbitrators thereon.

Bills were read a first time: To amend the Bills were read a first time: To amen

Bills were read a life time. It defines the act respecting snow fences, Mr. Master; to amend the Registry Act, Hon. J. M. Gibon. Bills were read a third time and passed: To enable the Metropolitan Bishop of the Church of England, in the ecclesiastica Province of Canada, to confer certain degrees in divinity; to amend an act to incorporate Huron College; to amend the General Metaling Act.

Mining Act.

Mr. Preston asked whether the grant for the Provincial Exhibition being abolisher what disposition is to be made of the \$6,00 placed in the estimates for the Agricultur and Arts Association, and what are treasons why the Minister of Agricultur should not deal with the subject.

Hon Mr. Drury read in reply the following minutes of the Agricultural and Art Association:

The Committee on Finance beg leave The Committee on Thankelessee on the Commend that the association apply he Legislature for the following sums mable it to meet the expenditure for the commendation of the committee of the commendation of th council expenses..... Postage, express, etc.

Mr. Ingram asked if the attention of Government had been called to the dot expressed as to the rights of voters who mames appear on the voters' lists with the letters "M. F." opposite them to v. Is it the intention of the Government propose any legislation designed to remeable doubts?

such doubts?

The Attorney-General replied that he not aware that any difficulty took I under the act. He had never heard the purport of the act was misconstructors and legislation on the matter.

Mr. Preston asked for a return of confidence taken before the arbitry in the year 1889 on the price of se of the evidence taken before the arbitr in the year 1889 on the price of s text-books, with the award of the trators thereon; also all corresponden-the subject of preparing or publis school text-books, with a statement of

trators thereon; also all correspondent the subject of preparing or publication school text-books, with a statement of sums paid in connection with the previous or publication of school text-books and the provided in the schools.

Hon. G. W. Ross, in prefacing had dress, said that he had to reply and to the resolution proposed by Mr. Phe explained that the policy dress, said that he had to reply and to the resolution proposed by Mr. Phe explained that the policy dress and Crooks regime was to the country with a variety of text. The same system is in vogue in E. Ireland and Scotland. California only State in the Union that could be as having adopted the same policy vails in Ontario. When he (Mr. Is une doffice he found that the country with a variety of text-books. Mr. Preston tell the House the new policy in by himself (Mr. Ross.) In fact, rather unfair in that respect. If was to give the country such a systext-books as would enable every provide his children with school the lowest possible cost. The taste case is the text-books had pared with a view of assisting the order of the province. The text-books had pared with a view of assisting the order of the province of had been increased, as could be reference to the report issued by partment on the subject. The apparament on the subject. The content of the partment of the base partment of the partment een increased, as could be note to the report issued by not on the subject. The

had been increased, as could be reference to the report issued by reference to the report issued by reference to the report issued by reference to the report is appointed by the department did it as their opinion that the On books were too costly. After riberation they were only able to that the drawing books should in price. They unanimously dehearing expert evidence, that it the text-books was as low as with the profits of the public Ross concluded by saying that objection to the first part of tand he moved that the mot that way constructed, be subthat of Mr. Preston.

Mr. Creighton followed the Education. He charged that of Education was disingenuous parisons he made as to the phooks. In his estimation, the of school books was not as low cumstances of the country dereferred to the Third Reader, account given of the battle of Heights in the old reader, a maintained should be incorp present text-book. The ob Creighton, as he himself said monstrate that the Minister did not provide articles whip patriotism.

Mr. Harcourt followed

did not provide articles whi patriotism.

Mr. Harcourt followed M and delivered one of the repeated one of the repeated one of the responsibility rested entire to the gentlemen opposite an elsewhere. They had planted and watered it, and were any evils it might cause. The the men to speak in cond monopoly. Mr. Harcourt to the fact that Mr. Creig other day professed himsel sponsible for everything that the paper which he edited. case he was responsible for paragraph which appeared page of the Empire of Aug. the heading of "A Cut in S A cut in the pice of school!

A cut in the price of school cause of excitement in the treat the cut has reached? Practically wipe out all progods. A deptation has publishers, Mesrs, Gage Clark Company and the Company, but tiese firms at matter. The ony lope is ters will themsel es shortly of normal comnon sense.

This extract was read at from the Government increased as M. Harcourt the member for North was willing to accept the this paragrap, to whic Creighton male no repland that in a measure
