**After the N.A.A.C. Regatta.**

Baltimore, Nov. 5.—Altho the time for holding the championship races of the National Association of Amateur Oarsmen is ten months away, there is already keen competition among the rival clubs for the privilege of having next year's races.

The oarsmen of Philadelphia, Baltimore and Worcester, Mass., are anxious to get the regatta for their respective cities, and some preliminary canvassing has already been done, presumably with the object of influencing the executive committee of the National Association, who will decide the matter next March.

Local oarsmen are not particular as to which city is selected as the scene of the annual struggle. There is a strong belief that Baltimore will be the successful bidder, as that city has not had a regatta in many years.

**Cuban Giants Back From Cuba.**

New York, Nov. 6.—The Cuban X Giants, with their manager, E. B. Lamar, jr., returned yesterday on the Monterey from a three-weeks' invasion of Cuba. They won six games out of nine played against the Cuban championship team and the Lynn (Mass.) nine. Another American nine will follow the Lynn Club to Havana. On Jan. 1 the Cuban Giants will go to Florida in two picked teams.

## GALT KICKERS WON 2 TO 0 SCORED GOAL IN EACH HALF

### University Teams Showed Clever Individual Work, But Lacked in Combination.

The Galt-Varsity Association game at Varsity field Saturday afternoon drew over 300 spectators. The game was a good exhibition and Galt won by 2 to 0.

About five minutes after the opening Galt secured their first. This was obtained by the best combination rush of the day. The ball came south along the left wing, was passed to right, in again to centre. Hall scored the goal by a beautiful 20 yard shot. The Galt team were fast individually and had better team play than their opponents. Galt's defence was invincible. The backs and halves were strong and heavy. Lane was always a safe player.

Galt excelled in their combination play. It was easy to see that they have been playing together for some time. Galt's two backs have been together for years. But on the other hand, Saturday was the first time the Varsity team have played together. One thing noticeable about the Galt forward line was they never played the ball without making an advance. Varsity on the other hand did some back passing that lost them considerable ground. The Galt forwards always passed to the spot where the forward player should be. But Varsity usually passed to the man.

In the first half, at the end of it Varsity scored a goal, which was disallowed for an off-side. At the start Galt had the best of it, their play became rather even, but at the conclusion of the half Galt were having things their own way. Varsity had a tendency to kick in the air; Galt kept the ball on the ground much better. Varsity in the second half had several good chances to score, but poor shooting rendered scoring impossible. Varsity forward line was very weak in combination, especially the left wing.

Referee Armstrong was thoroly impartial in his decisions and gave general satisfaction.

Galt's second goal was the result of good work by the left wing, Henderson and Macdonald. The ball was dribbled down the left wing and scrimmaged near the goal. Macdonald put it thru.

Varsity play in Galt next Saturday, Nov. 12, on their way to St. Louis. Galt leave on Monday for St. Louis. The teams:

Galt (2): Goal, Linton; backs, J. Gourlay (capt.), Tucker; halves, Fraser, Chrisman, Lane; forwards, Henderson, Macdonald, Hall, Steeps, Twaits; spares, Parnell, Gourlay.

Varsity (0): Goal, Robert; backs, Dowling, Blackwood; halves, Fraser, Green, Patton (capt.); forwards, Slemin, Williams, Meimes, Macdonald, Phillips; spares, Richardson, C. D. Williams, Fowler.

Referee—S. H. Armstrong, Toronto. Goal umpires—J. Scott, Galt; E. V. Ruddell, Victoria.

**Teachers and Arts Tie.**

City Teachers and Arts played a tie game in the Intermediate Inter-College Association League Saturday morning on the Varsity campus. City Teachers scored one in the first half and Arts evened the score in the second half. The teams:

Arts II (1): Goal, Wright; backs, Cameron, Kersey; halves, Panton, Carrey, Motherwell; forwards, Bell, Gilchrist, Macdonald, Jack DeLury, L. Gilchrist.

City Teachers (1): Goal, Armstrong; backs, Elliott, Watson; halves, Colvin, Smith, Reddick; forwards, Reid, Brown, Bulmer, Baird, Humphsett.

Referee—Dowling, S.P.S.

**Broadviews Beat All Saints.**

The Broadviews beat All Saints in the junior series of the City League 1 to 0. Dick Kingdom scoring in the second half. This gives them the west section. The winners were: Goal, Cheetham; backs, Roberts, Craven; halves, Knowlton, Oliphant, Gregory; forwards, Gill, Tillar, Kingdom, Flesher and Blane.

**Eureka A.C. Win Two Games.**

The Eureka Athletic Club played two games at the corner of Rusholme-road and Dewson-street. In the first game the juveniles played the Ivanhoes and defeated them by 1 goal to 0. Altho the score was close the Eurekas outplayed them at every point, the Ivanhoes' goal being in danger several times. The line-up: Goal, Currey; backs, Fowler, Penny; halves, Team, Myles, Curzon; forwards, Kyle, Mackey (capt.), Hunter, Pringle, Loury.

In the second game the Eureka Juniors defeated the St. Stephens by 2 goals to 1. In this game the St. Stephens had many narrow escapes from the many rushes of the Eurekas' forward line. Fowler played in his resignation to Aldermen. St. Goal, Brash; backs, Allan, Fowler; halves, Hatton, Henry, Clarke; forwards, Pringle, Woodhouse, Mawhinney, Pringle, Turner.

All players of the juniors are requested to be out for practice Monday, Tuesday and Friday nights for Saturday's game with the Broadviews. Players please take notice.

**Chalcrafts Beaten at Mimico.**

W. E. Chalcraft's football team visited Mimico Asylum Saturday afternoon to play a return match and were again defeated, the score being 1 to 0. The teams lined up as follows:

Asylum (1)—Goal, Whitaker; backs, McGuire and W. Houston; half-backs, Rutan, Messinger and Campbell; forwards, G. Evans, Maxwell, Murray, Gerrans and Bert.

Chalcraft (0)—Goal, Clarke; backs, Davidson and Reid; half-backs, Thompson, Stewart and Bush; forwards, Fraser, Cressell, Arnold, Mahany and Berkley; spare man, Warden.

Referee—A. Finnie.

**Cooke's, 7—Chalmer's, 0.**

In a scheduled game of football in the Toronto Presbyterian League, Cooke's Church team defeated the Chalmers' Church team to the tune of 7—0. The game was not so one-sided as the score would indicate, there being some specular plays on both sides, especially on the winning team, their defence being perfect, their shooting accurate and a grand feature of the game was the fast following up of the forwards, who were all "Johnny-on-the-spot" to do the necessary. It was pleasing to note the gentlemanly manner in which the teams played ball, as these teams were the hottest of rivals in baseball, and it was only after some of the most stubborn games that Cooke's displayed their superiority. The above will prove, they have shown it in football, and from the blow of the whistle the result was never in doubt. The winners lined up as follows:

Goal, McIntyre; backs, McKay, Gowland; half-backs, right Bruce, centre J. Dunn, left Porter; right forwards, Joe Dunn, Brooks; centre, McKendrick; left wings, Hardy, Perkin.

Referee—Fred McClennan of the champion Junior Scots.

**Association Football.**

The Gutta Perchas of the Senior League won from the Thistles on Saturday by default.

The Royal Canadians played a tie game with the Canada Foundry, Saturday afternoon, at Sunlight Park, in the senior city series. The score was 1 to 1 at the finish. All the scoring was done in the first half. The foundrymen's goal was easy, the Royal's goal-keeper misjudging the ball. The Royals' line-up was: Goal, Chandler; backs, Maddocks, McIver; halves, Dick, Gibbons, Barkey; forwards, Murray, Reesor, Cowie, Brown, Gill.

Saturday afternoon at Westmorelands' grounds, the Capital F.C. defeated the Westmorelands by a score of 1 to 0. The game was fast all thru. The feature was Marter's playing. Shaw and Connie Reid also played well. The Capital's line-up was: Goal, W. Stewart; backs, Shaw and Blain; half-backs, Marter (capt.), Spurgeir and Lourey; forwards, Smith, Hackett, Connie Reid, McManus and Dowson.

The final game in the Intermediate League of the Toronto Football Association was played Saturday at Wychwood between the Little Yorks, intermediate champions of Ontario, and the Wychwood team.

The game started at 3.45 with Herb Evans as referee. The Wychwood team were stronger than when they played at York three weeks ago, but the east end boys were out for the game and set a merry pace. They had the better of the play in the first half and succeeded in scoring two goals before half time was called.

On changing ends the grounds favored York and the play was much in their favor. The score in this half was 2 to 1 in favor of the champions, the game ending 4 to 1 in York's favor.

The Little Yorks this season have not lost a game. They won three games and drew one, scoring in all 17 goals to their opponents' 2. They will keep in form for the Ontario championship with the winners of the University League. They now hold the championship cup for the province and by their win to-day win the Mack Cup and are city champions.

Little York Juveniles won the championship of the Juvenile Eastern League Saturday, defeating the Broadview Juveniles at East Toronto. The score, 2 to 0, is a fair indication of the play.

The Don Rovers defeated the Riverside Clippers in the first of a series of three games for a silver cup presented by Albert Hall, the score being 2—1, features of the game being the playing of Brown, Cassidy, Back and J. Moran for the winners and Walsh, Sheathe, R. Moran, Boyer and Bell.

A fast and interesting game of football was played Saturday at Bayside Park between the champion Scots and Parkdale Albions, resulting in a tie and one goal each. A large crowd of spectators was present and enjoyed one of the fastest games of the season. The game was a little rough at times, but Referee Y. Brown kept the players well in hand. The Albions to a man played good ball and showed the champions that they were as good a team, as the last two games have been ties.

**Turf Gossip.**

Never Such captured the Club Members' handicap at two miles and a quarter at Latonia, beating Reservation, the 1 to 5 favorite, which finished second, a length behind. Favorites took three of the events carded.

Dan Patch failed at the Delmar track Saturday to equal his wind shield record of 1.56, made at Memphis two weeks ago, but succeeded in making a mile in 2.01.

A large attendance, good racing and several surprises characterized opening day of the running meet at old Pimlico on Saturday. The favorites and four outsiders carried off the money. The feature race was the sixth, for 3-year-olds, when Woodblade beat the favorite in a driving finish. Eophone, the favorite, had no trouble in winning the steeplechase. She took the lead at the start and was never headed. Delphie proved the disappointment of the day. He was made a big favorite, but did not even finish in the money.

James R. Keene's Israelite won his third straight victory at Aqueduct Saturday afternoon when he beat Ascension in the running of the Bayview Handicap at seven furlongs. Incidentally, he broke the track record, running the distance in 1.26, beating Lux Casta's mark of 1.26 1-5. Only these two of the four originally named responded to the bugle call. Israelite was a prohibitive favorite, being backed from 2 to 5 to 7 to 20. Ascension broke first and like a flash opened up a lead of three lengths in the first sixteenth. Schilling sent the 3-year-old after her quickly, however, and, nailing her at the top of the stretch, won ridden out by three lengths. Foxy Kane and Young Henry were the withdrawals from the opening race, leaving eight selling platers to contest for the long end of the purse. It was for 3-year-olds and up at 6½ furlongs. It was an excellent contest, with Emergency the favorite. Invincible, Counterpoise, Right and True and Ettu Brute were all well backed. Invincible, the winner, ran the race in 1.20, which is also a new track record. Kickshaw, Israelite, Grenade and Blucher were the winning favorites. The other two winners, Danseuse and Invincible, were well played second choices.

**Amateur Boxing Entries.**

## MONTREAL'S CHIEF QUITS.

### Sends in His Resignation Following Revelations in Court.

Montreal, Nov. 6.—(Special.)—In consequence of the sensational revelations made in the recorder's court in connection with the disorderly houses of the city, Chief Legault's position became no longer tenable and so on Saturday afternoon he handed in his resignation to Aldermen St. Denis, chairman of the police committee of the city council. Ald. St. Denis at once transmitted the letter of resignation to Mayor Prefontaine, who immediately wrote to accept the resignation of the chief, to take effect until the appointment of a new head of the force.

The following is the text of Chief Legault's letter of resignation:

Montreal, Nov. 5, 1904.

Ald. A. J. St. Denis, chairman of the police committee, Montreal:

Dear Sir,—I have the honor to transmit to you my resignation as superintendent of the police department of Montreal. The reasons which prompted me to do this may be detailed. You must have noticed since I took charge of this department that there were annoyances to which I was subjected in addition to the untenable position which was created for me, and which rendered it difficult, not to say impossible, for the efficient direction of the police force. In the course of a trial before the recorder's court yesterday and to-day certain revelations were made which attracted public attention and I protested under oath against the charges made against me. I repeat here, most earnestly, my denial of these accusations. I may not, in the course of my duty, have had the faculty of pleasing everyone, but I relinquish my position with the inmost conviction of having fulfilled my duty, faithfully, loyally and honorably.

I have the honor to be

Your obedient servant,

D. Legault.

Sensational evidence in this latest police scandal was given in the recorder's court. The case of Madame Lalonde was held before Recorder Fedrier and ended on Saturday, when the woman was found guilty of the charge of keeping a den and fined the small sum of $30 and costs. Loudly dressed women decorated one side of the room and when they came to testify it was a depressing fact that they were all alleged keepers of houses and witnesses to prove that Chief Legault had done what they called "squaring them." The chief denied all the statements of these women.

## AN UNBIASED OPINION.

### A Visitor to St. Louis Fair Gives His Views on the Judging of Exhibits.

A gentleman recently returned from a visit to the St. Louis Fair, recounting some of the many interesting things to be seen there, dwelt particularly upon the display and demonstration of the many and varied makes of typewriters. He, as well as thousands of others, was interested, as he had to grapple with the problem in his own office and he wished to learn of the best.

"There were something like fifty-seven machines on exhibition which were purely office typewriters," he said, "and they were each given an hour for demonstration. In the final test as to durability, mechanism and general adaptability, the Underwood won the grand prize, and they really deserved it.

"The Underwood, the visible writer, won this prize strictly on its merits. It is the only standard machine giving visible writing and including a billing device as an actual part of the working mechanism.

"There are other typewriters promised in the near future that are as like the Underwood in appearance as are two peas to one another."
