GENERAL SPORTS.

What is Going on in Baseball and Other Athletic Games.

News, Local and Telegraphic, Gathered from Reliable Sources.

Another fast game was witnessed by local patrons of baseball yesterday and although the Columbian Giants again waltzed off with the victory, the Reds had nothing to be ashamed of. The struggle throughout was full of snap and ginger and keenly relished by a good attendance of enthusiasts.

Wagner was in the box for the locals and again pitched good and steady ball, while his support at times was really brilliant, both Ziegler and Nordyke being responsible for phenomenal captures. The outfield, too, also covered considerable ground and played perfect ball.

The batting of the locals continued steady. Capt. Snyder secured three hits yesterday, while Crawford and Conklin each secured two and Royce lammed out a might three-bagger that with slower fielding would easily have proved a four sack shot. Buckner, the Giants twiler, pitched a splendid game, however, keeping these batting displays well scattered. The Giants, too, gave him perfect support.

The score:—

STOLEN BASES.

Crawford got two hits in yesterday's game. This makes fifteen hits he has corralled in the four games played.

Not a Giant attempted to pilfer a base on "Shorty" Sanders yesterday. They must know something of his throwing wing, when it's in shape.

The Giants will return here on Monday and Tuesday and two more good game may be expected.

The Reds put up a good losing game. They never lose their snap and ginger.

Wait till the Saints get at that London aggregation.—St. Thomas Times.

The baseball game at Detroit to-morrow has been cancelled owing to the railway rates.

Ladies will be admitted free at the baseball grounds on Monday and Tuesday, but will have to pay ten cents admission to the grand stand.

It is said Dan Lowney is not averse to playing with St. Thomas if Chatham is agreeable. He will not play in Chatham, he says.—St. Thomas Times. St. Thomas can have Lowney any time they want him, provided they put up the price.

Manager St. Mary, of the Saginaw team, is a bag-punches of renown. He was formerly Kid Lavigne's sparring partner. Besides being a handy man with the mitts, he puts up a good game of ball.

The custodian of the bats and balls at Chicago Sunday figured out that just 34 bats were lost to the management during the game. Hardly a ball that went into the crowd in the outfield or got mixed up with the "fans" back of the catcher was ever found.

Tom D. Kelly, of Boston, Mass., who is on Cal. Davis' staff of Canadian League umpires, arrived in the city yesterday. He has not to report until May 10, and will probably wait here until instructions arrive from Mr. Davis. Kelly is looking well, and will doubtless give good satisfaction in the Canadian towns during the season. He has held the indicator for a number of years, and knows his business from A. to Z.

THE STRATFORD TEAM.

Here is Manager Popkay's team so far as secured:—Herman Habel, of Grand Rapids, Mich., and Bert Miller, of Hastings, Mich., pitchers; Frank Spranger, Detroit, catcher; C. Gallagher, Pontiac, Mich., left field; John Handiber, Columbus, O., 3b.; Frank Hempkill, Granville, Mich., centre field; Fred. Eddy, Rochester, N. Y., right field; Ed. Egan, Detroit, 2b. Popkay is after two or three others, including a shortstop.

THE UMPIRES.

The staff of umpires for the Canadian League has been appointed and will be here next Monday to receive instructions and assignments. The League is fortunate in securing proven men. Two of the three are well known and popular here. One of these is Geo. F. Dafey, of Detroit, who officiated throughout the entire International League series last season, and was with the Canadian League until he left of his own accord to take a position in the letter carriers' department of the Detroit Postoffice, which he is now giving up for the four months of the ball season. The other is George H. England, of Allegheny, Pa., who was with the Canadian League to the close of the season last year. The third man is Thomas B. Kelly, of Brockton, Mass., who has had experience in the Eastern, New York State and other leagues which play as good ball as the Canadian.—Cal. Davis in the Hamilton Times.

CATARRH OF THE STOMACH.

A Pleasant, Simple but Safe and Effectual Cure for it

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating after eating, accompanied with sour or watery risings, a formation of gases causing a pressure on the heart and lungs and difficult breathing; headaches, fickle appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surface of the stomach. To secure prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanson the safest and best treatment is the use after each meal of a tablet, composed of Diastase, Aseptic, Pepsin, a little Nux, Golden Seal, and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets, and not being a patent medicine can be used with perfect safety and assurance that healthy appetite will follow their regular use after meals.

Mr. N. J. Booher, of 2710 Dearborn St. Chicago, Ill., says: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward into the throat reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of the stomach without cure, but to-day I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest as well as the simplest and most convenient remedy for any form of indigestion, catarrh of the stomach, biliousness, sour stomach, heartburn and bloating after meals.

Send for little book, mailed free, on stomach troubles, by addressing F. A. Stuart Co., Marshall, Mich. The tablets can be found at all drug stores.
