NELLY'S FIRST SCHOOL DAYS, by Miss Franklin—Boston—Brown & Taggard.—Halifax—Hall & Beamish.

OUR SUMMER HOUSE—and what was said and done in it—Boston—Brown & Taggard.—Halifax—Hall & Beamish.

Too much cannot be said in praise of the enterprise shewn in the present day in catering for a correct religious and intellectual taste in the young.

The publishers of the above works have done their part in this matter—the works above mentioned may be put in the hands of any young person so as to secure their interest and advantage.

THE HAND BOOK OF WESLEYAN PSALMODY—A selection of some of the choicest Hymns in Wesley's collection set to Standard and appropriate tunes from Handel, Haydn, Croft, &c.—London. Hayman Brothers—pp. 28.

We have received the above with the Editors compliments—and beg to tender our thanks in return—it is a cheap shilling work—containing Tunes adapted to our Hymns of peculiar metre—and in language of the Editors preface—"Every Tune has been selected on account of its intrinsic excellence, and its adaptation to popular and devotional use.

THE CHRISTIAN MAIDEN or memorials of Eliza Hessel- by Joshua Priestly. Boston—J. P. Magee. Halifax—Wesleyan Book Room.

This is a Biography of no common order—a reprint from the second London Edition, and a work which ought to be in every Christian Family—it may be had in extra Bindings—and it is well suited for Christmas Presents.

PRETTY STORIES FOR LITTLE BOYS or mother's gift to her dear boy, Boston, J. P. Magee. Halifax, Wesleyan Book Room.

Another valuable contribution to the Library shelves of the little folks.

THE LADIES REPOSITORY for December—closes well for 1860—and promises better for 1861. Has two admirable steel engravings—one of them being a portrait of Mrs. Anne H. Judson, with a very large amount of interesting reading—we do not wonder at the large and increasing circulation of this very popular monthly.

THE PRINTER for November—Henry & Grearson, N. Y.

A very punctual and very welcome visitor to our printing office—where it is duly studied and preserved for future reference.

☞ The next Lecture before the Young Men's Christian Association will be delivered in Temperance Hall on Tuesday evening the 18th inst., by W. A. D. Morse, Esq., Barrister at Law.—Subject: The influence of the Crusades upon the Civilization of Europe.

The Oxygenated Bitters have no equal as a tonic medicine. They contain no alcohol, and are specially adapted to the delicate constitution of females suffering from debility or from any derangement of the natural functions.

I have used Perry Davis' Pain Killer in my family for several years and take great pleasure in recommending it as a valuable medicine, that should be kept in every family.

DR. WISTAR'S BALSAM OF WILD CHERRY.—In the whole history of Medical Discoveries no remedy has performed so many or such remarkable cures of the numerous affections of the Throat, Lungs, and Chest—of Coughs, Colds, Bronchitis, Influenza, Whooping Cough Croup, Asthma, or of Consumption itself, as this far-famed, long-tried, and justly celebrated Balsam. So generally acknowledged is the superior excellence of this remedy that but few of the many who have tested its virtues by experience fail to keep it at hand as a speedy and certain cure for sudden attacks of cold—fully believing that its remedial powers are comprehensive enough to embrace every form of disease from the slighest cold to the most dangerous symptom of pulmonary complaint.

The following *Certificate from a respectable Lady of Halifax*, exhibits the remarkable virtue of this renowned Lung Remedy:

HALIFAX, N. S., June 16, 1860.—Messrs. S. W. FOWLE & Co., Boston—Being requested by your Agent to state the benefit I have derived from the use of Dr. Wistar's Balsam of Wild Cherry, I have no hesitancy in saying that I have found it to give great relief of cough and pulmonary disease, of which I was some twelve years since so sorely afflicted as to be considered beyond recovery. I therefore take occasion to say that I consider it to be a valuable remedy for coughs and consumptive chmplaints.

Yours respectfully, MRS. J. WEST.

☞ *Caution to Purchasers.*—The only genuine Wistar's Balsam has the *written* signature of "I. BUTTS," and the printed one of the Proprietors on the outer wrapper; all other is vile and worthless.

PAIN KILLER.—The call for Perry Davis' Pain Killer is increasing so very rapidly that I fear I shall soon be unable to keep pace with it. My object in writing now is to beg that on receipt of this you will kindly despatch another shipment, as ordered in my letter of June last.

J. L. CARRAT, Calcutta, E. I.

Mr. Perry Davis—Sir: I have used, in my family, your medicine called the "Pain Killer," for many purposes, and have found it a very useful and valuable article. I therefore very cheerfully recommend it to the public regards.

Rev. HENRY CLARK,

Sometime in December last, my children were taken down with scarlet fever, or canker rash—my only medicine was DRAIS' Pain Killer and Castor Oil, the Pain Killer operating to a charm in cutting the canker, and throwing out the rash, so that in about five weeks my family were entirely recovered.

CORNELIUS G. VANDENBURG, Saratoga Springs.

Having used Perry Davis' Vegetable Pain Killer in my family during the winter past, I would urge its general use for the purposes for which the inventor has recommended it. I think it invaluable, and would not like to be deprived of its advantages.

E. G. POMEROY, St. Louis.

See What Ayer's Sarsaparilla does for Derangements of the Liver.—Strott's Crossing, Talladega Co, Ala, 9th Aug. '59.—Dr. J. C Ayer, Lowell, Mass.—Sir: I take my pen to tell you what your Sarsaparilla and Cathartic Pills have done for me. I had been afflicted with Liver Complaint for six years, during which I was never well, and much of the time very sick. My liver was sore to the touch, and the Doctors said was congested. I suffered from severe costiveness and Diarrhœa alternately. My skin was clammy and unhealthy; my eyes and skin often yellow. Occasionally I had a voracious appetite but generally none at all. A dreadful sensation of oppression on my stomach with languor and a gloomy sensation of sickness all over, kept me in anguish. You cannot know how much I suffered from an indescribable feeling of distress. The long continuance of this condition, without relief, had worn me out so that I never expected to be better; but reading in the Christian Advocate, of your Sarsaparilla, I commenced taking it with occasional small doses of your Pills, to regulate the bowels as you direct. From the first it had more effect upon my disorder than I supposed anything could have. I regained my health rapidly, and now after eleven weeks, enjoy as good health and strength as any other man. May the "Dispenser of all good" shower blessings on you. JOHN W. STOTT.

WHO IS MRS. WINSLOW?—As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a Female physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, so generally overlooked or carelessly treated by the faculty in too many instances; and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrub, for children teething. It operates like magic—giving rest and health, and is, moreover, sure to regulate the bowels. In consequence of this article, Mrs. Winslow is becoming world-renowned as a benefactor of her race: children certainly do rise up and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are daily sold and used here. It has got to be a common remark, "I had rather depend on Mrs. Winslow's Soothing Syrub for my children, than to have the united advice of the medical faculty of the city." We think Mrs. Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No mother has discharged her duty to her suffering little one, in our opinion, until she has given it the benefit of Mrs. Winslow's Soothing Syrub. Try it, mother—try it now.—*Ladies' Visitor, New-York City.*

Holloway's Pills and Ointment.—Wrecks of Humanity—Indiscretions of Youth—No object is more soul appalling than the premature senility of youth daily witnessed among the habitues of our public promenades, where may be seen the terrible results of disease in its most frightful forms of the ghastly and cadaverous wrecks of manhood, the deluded victims of unprincipled scoundrels, who, by pernicious nostrums have impregnated the systems of their unsuspecting and confiding patients with mineral poisons, For all ulcers and impurity of blood consequent on such imprudence, Holloway's Pills and Ointment are powerfully efficacious, being composed of rare balsams and vegetables that are antagonistic to all disorders of the blood and ulcers arising from virus in the body. They contain not a particle of mercury or other mineral poison.

THE TOILET COMPANION.—Is the name by which Messrs. Joseph Burnett & Co., at Boston designate the neat and convenient case in which these famous chemists and perfumers put up their superior preparations for toilet use, viz: "Kalliston," "Cocoaine," "Oriental Tooth Wash" and "Florimel." Burnett's Toilet Companion will be much in demand as it becomes generally known.—]*Providence Press.* Nov. 14. 4w.

MRS. WINSLOW,—An experienced nurse and female physician, has a Soothing Syrup for children teething, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain, and is sure to regulate the bowels. Depend upon it mothers, it will give rest to yourselves, and relief and health to your infants. Perfectly safe in all cases. See advertisement in another column.
