Citizen Walker.

Our WALKER is a citizen
Of very great renown,
His "Weekly Payment System"
Is well known throughout our town.

He aims to sell on credit, goods
That satisfaction give,
And show how all at slight expense
In comfort now may live.

All kinds of household furniture
May at his store be found
In every style at lowest price,
Well finished, strong and sound.

Whose'er he takes his walks abroad
The children round him throng,
His popularity is such
You'll often hear this song:

"A cisco is a kind of fish,
A cuckoo is a bird;
But Walker's Weekly Payment Store's
The best thing I've heard."

Yes, our Walker still lives, and has enlarged his store and stock to meet the needs of his largely increasing business. Come and see his new show rooms and enquire his terms.
