Johnson's American Anodyne Liniment,

Or IMPROVED LIQUID OPODELDOC.

THIS is an entirely different article from any other Opodeldoc, being a Liniment prepared for internal and external purposes, and is entirely of Vegetable Extracts. Certificates of its power are in the inside wrapper of each Bottle.

Dr. JOHNSON'S INDIAN DYSPEPTIC BITTERS.

These Bitters are purely Vegetable. They are a Tonic and Laxative to the Stomach and Bowels, and powerfully aid the Digestive Organs—operating considerably on the Kidneys. They contain the Wild Cherry, and other popular vegetable substances. They give a fine appetite, prevent Dyspepsia, and relieve the langour so common in the spring season.
