The Wise Man Knows

That he must spend money in order to make money. He also knows that he must spend it judiciously.

During Hard Times

The merchant who makes money is the one who advertises. The advertisement is at work ror him while he sleeps and brings him business from places where he would never go.

To Make Money,

He selects the best medium for his advertisement; the one that reaches well-to-do people who are likely to become his customers. He also selects a medium where his advertisement will be seen.

Experience Proves

That the newspaper is the best advertising medium, and that among papers the weekly is the most profitable. If you would be prosperous, carefully ponder these facts.
