To Let.

[illegible] Lot on Kingsley, Street, [illegible] in the meadow, blossoming or by

Things that passed in days of yore,
When I mounted my steed [illegible]
Gently pacing [illegible]
Up my foot, like [illegible]
Swaying forward from the [illegible]
To a dashing [illegible] gallop,
Proud of my [illegible]
Only this and nothing more.

All suddenly I [illegible]
It was in that old September,
When the [illegible] of [illegible]
Of creation [illegible] here,
Had for weeks and [illegible] been seeking
In the meadows, in [illegible]
Poppy [illegible] that [illegible] joking,
Who should wear [illegible]
So I [illegible] some [illegible]
Gold and [illegible] the floor—
Very gold [illegible] the floor.

In the meadow, shrieking, gaping,
And feeling quite delighted,
With the [illegible] from [illegible] the floor,
Till I found me growing older,
And the shrieking, laughing holder,
And myself still feeling older—
Older than [illegible] fall's [illegible]
Feeling that my joints were stiffer
Than they were in days of yore—
Stiffer than they'd been before.

All a long may back the creeping
Second gave place to crawling, leaping,
As if countless frozen demons
Had concluded to explore
All the cavities—the warmth—
Of my [illegible] and my nether garments,
Up and down, and downward,
Through my boots into the floor.
Then I felt myself shaking,
Gently shaking more and more
Every moment more and more.

Twas the [illegible] and it shook me
Into heavy clothes and took me
Shaking to the kitchen—every
Place where warmth was in store.
Shaking till the 'china' rattled,
Shaking till my teeth rattled,
Shaking, and with all my warming,
Feeling colder than before;
Shaking till it had exhausted
All its powers to shake me more—
Till it could not shake me more.

Then it rested till the morrow,
When it came with all the horror
That it had the face to borrow,
Shaking, shaking as before;
And from that day in September—
Day which I shall long remember—
It has made diurnal visits,
Shaking, shaking, O, so sore!
Shaking off my boots and shaking
Me to bed, if nothing more—
Fully this if nothing more.

And to-day the swallows flitting
Round my cottage, see me sitting
Mostly within the sunshine,
Just within my silent door,
Waiting for the [illegible],
Like a man forever dreaming,
And the sunlight on me streaming,
Sheds no shadow on the floor;
For I am too thin and sallow
To make shadows on the floor—
Navy shadows any more.

DODS AND ENDS.

Rejoice for a cannibal—"One who loved his fellow men."

Why is a blush like a little girl? Because it becomes a woman.

[illegible] cause the spring brings out the blades.

An old wineibibber says that an empty champagne bottle is like an orphan, because it has lost its pop.

Said an Irish justice to an obstreperous prisoner, on the day of his trial, "We want nothing but silence, and but little of that."

"What kind of sausages is them?" queried an old lady of the young man of Hibernian and peanuts, as he passed through the train selling bananas.

"Sir fast in his hoss?" explained Mrs. Bonnerwax; "what will the impudence of this world come to, I wonder! Why, they might as well tell me that the man had six heads in his hat."

"Say, Pomp, you nigger, what you git that hat?" "Why, at de shop, of course." "What is de price of such an article as dat?" "I don't know; nigger—I don't know—deshopkeeper wasn't dar."

A lady asked a pupil at a school, "What was the sin of the Pharisees?" "Eating camels, marm," quickly replied the child. She had read that the Pharisees "strained at gnats and swallowed camels."

Mr. Lowe is said to be the author of the following in connection with recent events:—"I should be my first to throw my second at the head of my whole." Answer—Gladstone.

A Scotchman went to a lawyer case for advice, and detailed the circumstances of the case. "Have you told me the facts precisely as they occurred?" asked the lawyer. "Oh! ah, sir!" replied he; "I thought it best to tell ye the plain truth. We can put the lies into it yourself."

Some men never lose their presence of mind. In Milwaukee a man threw his mother-in-law out of the window from the fifth story of a burning and "lifted up tenderly" a feather bed, which he carried down stairs safely in his arms.

After several years of reflection, I have come to the konclusion that the three most difficult things in life are—1st, Carrying an arm full of live eels up a steep hill without spilling an eel; 2nd, Aktin as a referee at a dog fight without getting mad; 3rd, Editin' a newspaper.

Canta Diva.—Dick (to friend about to marry)—"Pooty is she? Well, wot's 'er cast o' features?"

Harry.—"She ain't got no cast in her features—that's in her eye. Her features is straight enough."

We expected it would come to this—the poets have tackled the subject of cremation to jingle rhymes upon. Listen to this one:—"No longer let the insatiate worm his dead prerogative affirm; but let us like Elijah rise in fiery chariots to the skies."

Disillusion; or the Searching Season.—Artist (clearing his palette):—Uncommonly obliging person your master! I asked his permission, and he said I might paint my picture in the middle of his field, and stop as long as ever I liked! Most courteous, I must say. Quite as if I was doing him a favor.—Suffolk Cartes:—"Wy' comes o' course so y' do. Wh' yeaon kip the crows off bo'!" (*Exit, on the broad grin.*)

A countryman visiting a theatre, on looking carefully at his play-bill after the conclusion of the first act, read that three months elapsed before the commencement of the second. He at once went to the money taker and said, "Beg pardon, sir, but I must ask you to return my money. I'm obliged to get back home to-morrow, so that, you see, I can't manage to stop for your second act."

"And have you no other sons?" asked a curious lady of a bronzed old sea-captain. "Oh yes, madam. I had one that lived in the South Sea Islands for nearly a dozen years." "Really! Was he bred there, and what was his taste—the sea or the land?" "No, madam, he wasn't bred, he was meat—leastways the natives ate him; and as for his taste—the chief said he tasted of terbacker."

A Paisley weaver, afflicted with the "last infirmity of noble minds," forsook his trade to share in the glories of Nelson. Soon after he was aloft, he was, and black stormy night, ordered aloft. The poor fellow, instead of at once throwing himself into the shrouds, looked up in wild dismay to the officer, and exclaimed, "Odd man, it wad be a tempting o' Providence to gang up there on sic a night."

Sir Andrew Agnew was famous for giving broad hints. Having for some time been pestered by an impertinent intruder, it was one day remarked to the harrowed by a friend, that this man no longer appeared in his company, and asked how he contrived to get rid of him. "In troth," said the baronet, "I was obliged to give chiel a *broad hint*." "A broad hint!" replied the friend, "I thought he was one of those who could not take a hint." "By my faith, but he *was forced* to take it," answered Sir Andrew; "for as the fellow would not gang out by the door, I flung him out of the window."

[illegible] 1871.

TO THE PUBLIC OF British North America.

As consequence of frauds that have been practised upon you by two or three individuals (who for a time took the name of the "New York Chemical Company") making and selling something which they call "Holloway's Pills and Ointment," and which, for a season, were freely sold in many parts of the British Provinces as my genuine Pills and Ointment, I have for some time past considered it my duty to caution the public, through the medium of the press, against buying these spurious articles.

Judgments have been obtained against this Bankrupt Crew; in one case by a Mr. Cassard, who, when about to levy, at the latter end of October last, found the name of the Chemical Company had been painted out and that of Samuel Vise substituted.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Messrs. Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. R. Barker & Sons, St. John, N. B.
Mr. T. Don Betsey, Charlotte Town, P. E. I.
Messrs. Langley & Co., Victoria, B. C.
Messrs. Moore & Co., Victoria, B. C.
Dr. John Pallen, Chatham, N. B.
Messrs. Munro & Co., Montreal.
Messrs. J. Winer & Co., Hamilton, Ont.
Mr. H. J. Rose, Toronto.
Mr. A. Chipman Smith, St. John, N. B.
Mr. John Bond, Goderich, Ont.
Messrs. Elliot & Co., Toronto.
Mr. J. Chalonor, St. John, N. B.
Messrs. Hanington Bros., St. John, N. B.
Mr. R. S. Priddy, Windsor, Ont.
Mrs. Orpen, Morden, N. S.
Mr. George C. Hunt, Jun., Fredericton, N. B.
Mr. W. H. Thompson, Harbor Grace, N. F.
Mr. J. M. Wiley, Fredericton, N. B.
Messrs. W. & D. Yule, Montreal.

My Pills and Ointment are neither manufactured nor sold in any part of the United States. Each Pot and Box bears the British Government Stamp, with the words, "Holloway's Pills and Ointment, London," engraved thereon.

The medicines are sold at the lowest wholesale prices, in quantities of not less less than £20 worth—viz., 8s. 6d., 22s., and 34s per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

THOMAS HOLLOWAY.

N. B.—Chemists and other vendors of Holloway's genuine Pills and Ointment may have their names inserted in the Provincial Directories free of charge, on application to the Proprietor, 533, Oxford Street, W. C., London, Dec. 1, 1873.

IT IS OF THE UTMOST IMPORTANCE that a remedy intended for popular use should be not only thoroughly reliable and scientific, but incapable of producing dangerous results. The treatment of *old lingering complaints* is necessarily protracted, and if deleterious drugs are taken into the system for a long time, they may accumulate and do more harm than good. Dr. Wheeler's Compound Elixir of Phosphates and Calisaya, containing elements of the tissues, repairs diseased bone, muscle, and nerve, and renews constitutional vigor in the same manner as our daily food, with no more liability of injury. It may be taken in all forms of debility in the young or aged, with positive certainty of permanent benefit.

VINEGAR BITTERS

D. WALKER'S CALIFORNIA VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely vegetable preparation, made chiefly from the native herbs found on the lower range of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegar Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier, and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the invalid qualities of Vinegar Bitters in healing the sick of every disease that flesh is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of Dr. Walker's Vinegar Bitters are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim Vinegar Bitters the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove to the sufferer a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, Walker's Vinegar Bitters have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of Walker's Vinegar Bitters occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

STOCK'S EXTRA

MACHINE OIL

Has been in general use for the past two years and giving the best satisfaction, as may be seen by testimonials from many of the leading houses in Ontario. It will not congeal in the coldest weather. It is therefore suitable for the lightest and finest, as well as the heaviest machines in use.

TESTIMONIAL

Frost & Wood's Agricultural Works,
SMITH'S FALLS, ONT., 1st Feb., 1873.

I consider Stock's Oil cheaper at $1.00 per gallon than other oil at 60 cents. Yours, respectfully,
