New Discovery by Accident

HAIR ON THE HEAD, FACE, ARMS OR ANY PART OF THE PERSON

SILK DRESS FREE TO INTRODUCE IT.

quickly dissolved and permanently removed with QUEEN'S ANTI-HAIRINE, the new and wonderful discovery. Discovered by accident, while compounding a solution, a part was accidently spilled on the hand, and on washing afterward it was discovered that the hair was completely removed. It is perfectly harmless and so simple any child can use it. Lay the hair over and apply for a few minutes, and the hair disappears as if by magic. No scientific discovery ever attained such wonderful results. Thousands who have been annoyed with hair on their FACE, NECK and ARMS attest its merits. It cannot fail. If the growth be light, one application will remove it permanently, the heavy growth, such as the beard or hair on moles may require one or more applications before all the roots are destroyed, although all hair will be removed at each application without the slightest pain or injury when applied as directed. Young persons who find an embarrassing growth of hair coming on, also use it. Harmless as water.
