THE CATTLE MARKET.

Cables Higher—Nothing Doing in New York Market.

New York, Nov. 20.—Beeves—Receipts, 1160; nothing doing; nominally weak. Cables, higher; live cattle, 11c to 12½c per lb; refrigerator beef, 9½c to 9¾c per lb. Shipments, 610 cattle, 1130 sheep and 4400 quarters of beef. Calves—Receipts, 163; market flat and 25c lower; veals, $4.50 to $8; grassers, $2.25 to $2.75; yearlings, $2 to $2.35.

Sheep and Lambs—Receipts, 3750; market extremely dull and 10c to 25c lower. Sheep, $2 to $3.75; lambs, $4 to $5.12½; choice, $5.25; culls, $3 to $3.75; no sales of Canada lambs.

Hogs—Receipts, 4950; market lower; prime Ohio hogs, $5.20; State hogs, $5.25.

East Buffalo Market.

East Buffalo, Nov.20.—Cattle—Lower than yesterday's close. Calves, supply liberal, fair demand, lower. Choice to extra, $7.50 to $7.75; good to choice, $7 to $7.50. Sheep and Lambs—Trade was very slow. Native lambs, choice to extra, $4.90 to $5; good to choice, $4.50 to $4.90; common to fair, $4 to $4.25. Sheep, choice to extra, $3.50 to $3.75; good to choice, $3.25 to $3.50; common to fair, $2.50 to $3.25. Feeders took the largest proportion of lambs on basis of $4.80 to $4.90. Hogs—Heavy hogs were about steady, but Yorkers and pigs were 5c to 10c lower. Heavy sold $5 to $5.05, mostly inside figures; mixed, $4.90 to $5; Yorkers, $4.90 to $4.95; pigs, $5.05; roughs, $4.50 to $4.60; stags, $3.75 to $4.10. The close was easy to 5c lower.

Chicago Live Stock.

Chicago, Nov. 20.—Cattle—Natives, good to prime steers, $5.50 to $5.80; poor to medium, $4.35 to $5.25; selected feeders, steady, $3.75 to $4.35; mixed stockers, $2.35 to $3.70; cows, $2.65 to $4.25; heifers, $2.75 to $4.75. Calves steady, $4 to $5.75.

Hogs—Mixed and butchers', $4.55 to $4.92½; good to choice, heavy, $4.70 to $4.92; rough, heavy, $4.55 to $4.65; light, $4.60 to $4.92½; bulk of sales, $4.75 to $4.87½.

Sheep—Good to choice wethers, $3.90 to $4.20; fair to choice, mixed, $3.60 to $3.95; western sheep, $3.90 to $4.20; Texas sheep, $2.50 to $3.50; native lambs, $4.40 to $5.20; western lambs, $4.75 to $5.10.

Dr. J. D. Kellogg's Dysentery Cordial is prepared from drugs known to the profession as thoroughly reliable for the cure of cholera, dysentery, diarrhoea, griping pains and summer complaints. It has been used successfully by medical practitioners for a number of years with gratifying results. If suffering from any summer complaint it is just the medicine that will cure you. Try a bottle. It sell for 25 cents.

Eben Holden is Superb.

Eben Holden, a distinctly new book of fiction, by Irving Bacheller, has been just turned out of the press of the Poole Publishing Company. It is a book which has had as big a run in the States as David Harum. It is full of humor, and the descriptions of character given in the story are simply superb.

Births Must Be Registered.

It is the intention of the police to prosecute persons who have neglected to register the births of their children. A number of summonses have been issued, and these will be followed by others.

CRUEL METHODS

Of Treating Piles and Rectal Diseases.

The old method of treating piles by the knife, by ligature or dilatation, besides causing intense pain and frequently collapse and death, are now known to be worse than useless, as far as actually curing the trouble is concerned.

Derangement of the liver and other internal organs, as well as constipation, often cause piles, and it is a mistake to treat it as a purely local disease; this is the reason why salves and ointments have so little effect, and widespread success of the Pyramid Pile Cure has demonstrated it.

The Pyramid Pile Cure is not a salve nor ointment, but is in suppository form, which is applied at night, absorbed into the sensitive rectal membrane, and acts both as a local and constitutional treatment and in cases of many years' standing has made thousands of permanent cures.

Many pile sufferers who have undergone surgical operations without relief or cure have been surprised by results from a few weeks' treatment with the Pyramid suppository.

The relief from pain is so immediate that patients sometimes imagine that the Pyramid contains opiates or cocaine, but such is not the case; it is guaranteed absolutely free from any injurious drug.

The cure is the result of the healing oils and astringent properties of the remedy, which cause the little tumors and conjected blood vessels to contract, and a natural circulation is established.

All druggists sell the Pyramid Pile Cure at 50 cents for full-sized package.

A little book on cause and cure of piles mailed free by addressing Pyramid Drug Co., Marshall, Mich. 36

YORK COUNTY AND SUBURBS

Electric Light Makes Its Bow to Residents of East Toronto Village.

DOG THIEVES HAVE BEEN BUSY.

Hunters Provided the Material for a Y.M.C.A. Game Supper in East Toronto.

Toronto Junction, Nov. 20.—Rev. Mr. Murray of Erskine Presbyterian Church is conducting evangelistic services in connection with the Centenary Fund of Victoria Presbyterian Church.

Court of Revision on the voters' list took place last night before Judge Morgan. Both parties seemed satisfied with the result. The Conservatives were represented by Mr. J. W. St. John and Mr. Johnston, and the Reformers by Mr. A. J. Anderson.

Rev. W. P. Reakie addressed the adherents of the Baptist Church last night upon "Palestine."

The children of Annette-street Sunday school gave their annual entertainment to-night. Assisted by the school orchestra, the glees and choruses were well rendered.

East Toronto.

East Toronto, Nov. 20.—The game supper under the direction of the Ladies' Auxiliary to the Brotherhood of Railroad Trainmen in Y.M.C.A. Hall, to-night, was, in spite of the inclement weather, an unprecedented success. The tables were well supplied with game, furnished by the East Toronto hunters, who returned from the chase last week, and the attendance was so great that seating room was at a premium. After the supper Reeve Davidson proposed the toast of "The Queen," which was loyally responded to by all rising and singing the National Anthem. Other toasts were given, including "The Electric Light," which shone in the village for the first time to-night. Rev. Mr. Rogers responded to this toast, and spoke of the progress the village has made during the past year, and the bright outlook for the future. Mr. Montignani gave a recitation, entitled, "The Skoolboard," which, being given with a good Scotch brogue, caught the audience to a nicety. Mr. Montignani also contributed to the evening's enjoyment by singing the latest war song, "The Empty Sleeve," the patriotic sentiment of which was much appreciated. Mr. Piercy contributed the recitation "Rubenstein," and Mr. Bray sang "Father O'Flynn." It was a late hour when the well-satisfied assemblage dispersed.

The first flash of the electric light in this village was transmitted this evening. Seven arc lights have been in operation since 7 o'clock and the whole populace seems pleased with them. To-night being a very dark night, they were the more appreciated. By to-morrow night all the lights in the village will be in operation.

Dog thieves have been operating here for several weeks past. The owners of three fox terriers and two collies have reported to the police the loss of their canines, and the owners of some other small dogs have also lodged a complaint.

County Constable Burns to-day brought before Police Magistrate Ellis at Stouffville Howard Malloy, Blake Sanders, Harry Perry, Robert Feester and Frank Nindick, on a charge of stealing a tent valued at $20, the property of W. J. Stark. The magistrate reserved his decision, which will be given at the Court House on Tuesday next.

Unionville.

The plowing match which was announced to be held on the farm of Mr. John Webber, near this village, on Thursday, Nov. 15, has been demutely settled for Thursday, Nov. 22, on the same grounds. Mr. Webber's farm is admirably adapted for the purpose in view, being centrally located, and will doubtless be largely attended, and the several events will no doubt be keenly contested. Ample accommodations will be provided at the Queen's Hotel for participants and spectators, and if weather conditions are favorable the prospects for a successful match are pretty bright.

North Toronto.

The wife of Mr. Thomas Williams of Eglinton died early yesterday morning from the effects of a stroke received on Monday afternoon. Deceased was highly respected, and Mr. Williams and his family have the sympathy of the town in their bereavement. The late Mrs. Williams was 64 years of age, and leaves a family of four sons and two daughters. The sons are Edward, Oak Ridges; Frank, Leaside; Joseph, Toronto, and Arthur, Davisville. The daughters are Mrs. W. Wilson, Davisville, and Alice at home.

Samuel Hadder of Eglinton-avenue has been summoned by Chief Lawrence for keeping a vicious dog.

His Honor Judge Morgan sat at the Town Hall yesterday morning and completed the revision of the York Township voters' lists for the east side of Yonge-street.

It is rumored that the York Township Council is contemplating the purchase of a lot at the corner of Yonge-street and Bedham-avenue Deer Park, for the purpose of erecting a hall there. The block was recently purchased by S. W. Armstrong, the treasurer of the municipality.

The regular meeting of the Town Council was held last night, Mayor Davis presiding. Councillors Brownlow, Armstrong, Spittel and Stibbard also being present. The Ratepayers' Association applied for the use of the hall one night a month, and was granted the privilege, providing it did not conflict with any regular engagements. The association asked for a special meeting of the Council to confer with that body. Mayor Davis and Councillor Brownlow were anxious to comply with this wish, and, despite the opposition of Councillors Armstrong and Stibbard, a meeting will be called.

An offer of Messrs. Cruickshank & Co. to label the town streets with names was referred to the Works Committee for report.

A bill was received from Mr. Speakman for expert work in connection with the waterworks extension, but a portion was considered unauthorized, and will not be paid.

Mr. J. A. Klinck of Eglinton has lost two dogs by contact with the Metropolitan cars. He sent in a bill of $15 for compensation, and threatened a suit if the account was not paid. The Council was not disposed to entertain such a novel proposition, and openly expressed a wish that numerous other canines would share the same fate.

Mr. A. Crate applied for a crossing to his residence on Balliol-street, and it will receive the consideration of the Works Committee.

A resolution instructing the Mayor and Clerk to have a bylaw prepared for submission to the ratepayers for raising $10,000 for increasing the water supply, was moved by Councillor Armstrong and seconded by Councillor Spittel. Mayor Davis objected to the resolution in face of prospect of water being brought from Lemonville, and said that the ratepayers would vote the proposition down, if he was any judge of public opinion. Councillor Stibbard wanted the bylaw pushed thru without delay, and charged the Mayor with keeping the other members of the Council in the dark. Councillor Brownlow spoke against the proposition, and said that the very large majority of the ratepayers were opposed to adding a further burden to the one already imposed by the first waterworks system, from which they had not yet received the slightest benefit. The motion carried, with Councillors Spittel, Stibbard and Armstrong voting for it.

York Township Council.

A special meeting of the Council was held yesterday at the Town Hall, Eglinton. All the members were present, Reeve Duncan presiding.

Mr. T. L. Church, representing a number of property owners in the vicinity of the Glen-avenue steel bridge, Rosedale, and Mr. McLellan, representing the Scottish Manitoba Land Company, appeared before the Council with a request that some action should be taken to put the bridge in a safe condition.

Mr. Church produced a letter from the Attorney-General's Department, repudiating any idea that the structure is now vested in the Crown, and suggested that some attempt should be made to interest the city so that the expense of repairing the bridge might be distributed between the city, the township, the Land Company and the Local Government.

Mr. McLellan requested an initiative local improvement for the purpose, and an application to the Legislature for that purpose. The Reeve objected strongly to venturing on any such course, and intimated that both the bridge and the Legislature were places where angels would fear to tread. The Council also expressed an opinion that it could scarcely consider any proposition to take over the bridge, unless the present one was put in thoro repair or a new one built in its place.

Sundry communications were to hand from the Toronto Railway, asking for an agreement for the use of a portion of Woodbine-avenue. Councillor Miller raised an objection to any agreement that would tie the hands of the municipality, and that would prevent the ordering up of the track at a reasonable notice. Councillor Sylvester wanted the deal put thru post haste, and wished the Reeve to be instructed to close up the matter with the company. Mr. Miller asked for a scrutiny of the agreement before its final acceptance, and with that understanding the question will be dealt with.

E. J. Barrick, M.D., asked for support for a consumptive sanitarium in connection with the city, but the Council was shy of such institutions, after the experience with the one now in operation at Moore Park, and on the advice of Mr. Miller the applicant was referred to the good-will of the County Council.

Mr. J. S. Cartwright wrote drawing attention to the bad state of repair of the sidewalk on Summerhill-avenue, and the complaint will be placed in the hands of the Engineer.

The clerk of East Toronto Village replied to a request for terms for lighting Little York, and stated that outside of supplying current his municipality was not prepared to tender for such work. Mr. W. E. H. Massey also replied to the same query, and said that he would be pleased to supply the light required, providing it could not be secured from East Toronto Village.

Over some small improvements at Dovercourt, Councillors Miller and Sylvester had a spat, the former charging that the improvements had been blocked by Councillor Sylvester, thru the instrumentality of the Engineer. Mr. Miller produced a communication from the Engineer, in which the latter said he had been called off the work by members of the Council. The city member of the Council denied the statement, but Mr. Miller, by categorical questioning of his other fellow members, proved, at least to his own satisfaction, that his contention was true. Incidentally the wretched state of the Davenport-road and other places of that vicinity were vividly pictured by Councillor Miller, and the Reeve readily consented to spend a portion of to-day in seeing what could be done to keep ratepayers of Dovercourt out of kneedeep mud.

The cut made in the assessors' salaries at the beginning of the year was unanimously acknowledged to have been a mistake, and those officials will be given the same figure as prevailed for the work last year.

Before the close of the meeting Mr. Miller was anxious to know why an attempt had been made by Mr. Sylvester to increase the Engineer's salary by $200, during his (Mr. Miller's) absence at the last meeting. The champion of Engineer Gibson made no attempt to enlighten the enquirer.

DON'T WANT MODEL SCHOOL

Town Fathers of Toronto Junction Desire That Some Other Town Would Take it Over.

IT HAS NUMEROUS ADVANTAGES.

Inspector Calls Attention to Its Benefits to the District, But Without Avail.

Toronto Junction, Nov. 20.—Toronto Junction has for several years past been noted for the educational facilities that it possesses. Handsome and commodious Public Schools, with an excellent staff of teachers, a High School, eclipsing many of the Collegiate Institutes in the province, and a well-conducted Model School, drawing teachers from various parts of the country. To-night, the Public School Board made an onslaught on this order of things, and decided that the town must be deprived of the Model School, and that some more enterprising town in the country should secure it.

The resolution was moved by Trustee J. A. Ellis, and seconded by Trustee J. Stinton. It reads as follows: "That this board discontinue the Model School at the expiration of this term, and that the secretary be instructed to ascertain the necessary steps to carry out the above."

The inspector's report was received at the meeting to-night, and in it he said: "Once more I beg to call your attention to the advantages arising from the presence of the County Model School in your town. The first and most obvious are—the income of hundreds of dollars every year. Another is the stimulus given by the presence of students to the regular staff to do their very best and in the most modern methods so as to be models to the young teachers in training. A third advantage to be considered is the prominence given to your town and the knowledge of its advantages as a business and residential centre by the many Model School students who have received and may yet receive their professional education in Toronto Junction, and then settle in different parts of the province. Along with these, I would call your attention finally to the economy and convenience with which graduates from your High School, belonging to your town, are able to obtain their professional education. These suggestions appeal more directly to considerations in favor of the town. Allow me further to suggest that the interests of the southern part of the county would also be promoted by your retaining the Model School, and thus your public spirit and readiness to recognize a broader citizenship would become more apparent to outsiders.

"D. Fotheringham, Inspector."

Nevertheless, the motion carried.

Toronto Mining Exchange.

A Grand Prix Diploma.

The following notice has just been received by the secretary of the Sailor Consolidated Mining and Milling Company of Camp McKinney, B.C., head office 19 and 21 East Adelaide-street:

"Dear Sir,—I have much pleasure, by order of the Canadian Commission, to advise you that the International jury at the Paris Universal Exhibition has awarded the Dominion of Canada, for a collective exhibit of minerals, of which your exhibit of gold ore formed an important part, a Grand Prix Diploma, and you will be entitled to receive a copy of the award. I beg to remain, yours truly, Aug. Dupuis."

Charged With Shop Breaking.

Samuel Hoag, a young man who lives at 40 Duke-street, is under arrest at the Wellington-street station on a charge of breaking into the premises of Daniel Johnston, corner of Queen and Parliament-streets, and stealing two hammers and a book. Hoag is a blacksmith and was once employed by Johnston. The property which was stolen on Monday night, was recovered yesterday after Hoag had been taken into custody. Detective Forrest made the arrest.

TO CURE A COLD IN ONE DAY.

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25c. E. W. Grove's signature is on each box. 135

Alleged Theft of Furs.

Hyman Haber, a furrier of 248 East King-street, was arrested yesterday afternoon by Detectives Harrison and Burrows on a warrant charging him with stealing a quantity of furs, the property of L. E. Miller, another furrier of 238 Yonge-street. Haber was employed up till a short time ago by Miller and while the latter was away in Europe last summer it is alleged the prisoner appropriated to his own use skins and furs valued at $100, which were recovered by the detectives yesterday.

THE ARMY OF HEALTH.

The Army in the Philippines Insignificant Compared With This One.

If all the people in the United States, Canada and Great Britain who make daily use of Stuart's Dyspepsia Tablets could be assembled together it would make an army that would outnumber our army of one hundred thousand by at least five to one.

Men and women, who are broken down in health, are only a part of the thousands who use this popular preparation, the greater number are people who are in fair health but who know that the way to keep well is to keep the digestion perfect and use Stuart's Tablets as regularly as meat time comes to insure good digestion and proper assimilation of food.

Prevention is always better than cure and disease can and no foothold if the digestion is kept in good working order by the daily use of Stuart's Dyspepsia Tablets.

Mr. Thomas Seale, Mayfield, Cal., says: "Have used and recommended Stuart's Tablets because there is nothing like them to keep the stomach right."

Miss LeilaIvely, 4627 Plummer-street, Pittsburg, Pa., writes: "I wish everyone to know how grateful I am for Stuart's Dyspepsia Tablets. I suffered for a long time and did not know what ailed me. I lost flesh right along, until one day I noticed an advertisement of these tablets and immediately bought a 50-cent box at the drug store. I am only on the second box and am gaining in flesh and color. I have at last found something that has reached my ailment."

From Mrs. Del. Eldred, Sun Prairie, Wis. "I was taken dizzy very suddenly during the hot weather of the past summer. After ten days of constant dizziness I went to our local physician, who said my liver was torpid and I had over-heated my blood; he doctored me for two weeks without much improvement; I finally thought of Stuart's Dyspepsia Tablets (which I had used long before for various bad feelings) and the first three tablets helped me.

"They are easily the best all around family medicine I ever used."

The army of people who take Stuart's Tablets are mostly people in fairly good health, and who keep well by taking them regularly after meals. They contain no opiates, cocaine or any cathartic or injurious drugs, simply the natural peptones and digestives which every weak stomach lacks.

Stuart's Dyspepsia Tablets are sold by druggists everywhere in United States, Canada and Great Britain. 135

THE NEW FRENCH REMEDY
TRADE THERAPION MARK
This successful and highly popular remedy, as employed in the Continental Hospitals by Ricord, Rostan, Jobert, Velpeau, and others, combines all the desiderata to be sought in a medicine of the kind and surpasses everything hitherto employed.
THERAPION No. 1 in a remarkable short time, often a few days only removes all the hygienic from the urinary organs, superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases.
THERAPION No. 2 for impurity of the blood, scurvy, pimples, spots, blotches, pains and swelling of the joints, secondary symptoms, gout, rheumatism, and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla, &c., to the destruction of sufferers' teeth and ruin of health. This preparation purifies the whole system through the blood, and thoroughly eliminates every poisonous matter from the body.
THERAPION No. 3 for nervous exhaustion, impaired vitality, sleeplessness, and all the distressing consequences of early error, excess, residence in hot, unhealthy climates, &c. It possesses surprising power in restoring strength and vigour to the debilitated.
THERAPION is sold by all the principal Chemists and Merchants throughout the World. Price in England 2/9 & 4/6. In ordering, state which of the three numbers is required, and observe above Trade Mark, which is a fac-simile of word "THERAPION" as it appears on the Government Stamp (in white letters on a red ground) affixed to every package by order of Her Majesty's Hon. Commissioners, and without which it is a forgery. 36

Burglars in the West End.

Burglars made their presence known in the West End again on Monday night. Two cigar stores were the places entered, James Haywood of King-street and Strachan-avenue, and Joshua Swan of 836 West King-street, being the sufferers. The windows of the stores were smashed and a quantity of goods carried away.

THE ROBERT **SIMPSON** COMPANY, LIMITED

High-Class Clothing
Always Moderately Priced

When we buy clothing quality is always the first consideration, and then comes price. We never sacrifice quality or accept poor workmanship. Our standard is high and we live up to it—and that's why you can always rely on every piece of clothing we offer for sale. Our regular patrons can vouch for these facts.

Men's Heavy Winter Overcoats, in navy blue and black beaver, imported goods, single breasted style, silk sewn and made with silk velvet collar, best linings, sizes 34-44, special **8.50**
