Grant's Orphan Colt.

From the Cincinnati Commercial.

Mr. Hill happened to be in the city of Washington. He had been there before—a member of Congress. Civility caused him to visit Grant. In company with a distinguished Senator from New England he went to the White House. A small trotting wagon, to which was attached a smaller animal, stood beneath the porch in front of the main entrance. As Mr. Hill and his Senatorial friend approached the door it was opened, and through it came the President.

"Good morning, Mr. President," said the Senator.

"Good morning," replied Grant, continuing, "Senator, you see that colt? Well, that colt's born since I came into this house, and he's going to trot in less than 2.50 before I leave it. He's an orphan, brought up by hand, and born since I have been here."

"Mr. President," said the Senator, "allow me to present Mr. Hill, an ex-member of Congress."

Grant shakes the ex-member's hand and continues: "That colt's an orphan; born since I came into this house, and he's going to trot in less than 2.50 before I leave it."

With these words still on the air, the President mounted his buggy, bowed to his callers, and drove away into the avenue.

Texas Doctors on a Case of Fever.

From the Dallas News.

First Doctor—It's yellow fever.

Second ditto—It's malarial.

Third ditto—Typho swampo.

Fourth—It's epithalium of the thorax, superinduced by miasmatic memorabilia.

Fifth—I have been practising twenty years with yellow fever, and the case referred to is purely bilious and bourbon in its diagnosis.

Sixth—As for the remedy four grains of the hydro-choloride of the carbonite of beeswax, tinctured with the muriatic of jimjam, applied externally, will certainly afford relief.

Seventh—There are two mild cases here, or else there is a heap o' fuss and feathers about two cases of bilious fever.

Eighth and ninth—So you have been visiting one of my cases, have you? B-m! thing! The fur flies and the glassware smashes, and we draw the curtain.

The *Commercial Bulletine* has the following on dentists: Our fashionable and high toned" dentists have made a new departure in the conduct of their business. Instead of taking a man's mouth by contract, and charging a lump price for the torture they have inflicted upon him, it is now proposed to do "hour work" exclusively, the price being fixed at five dollars for every sixty minutes' work with forceps and files, to say nothing of those soothing scrapers with which these gentry delight to fondle a tender tooth. There will be no hurry now, and the patient may rest assured that although "time is money," it is, in this instance, his money to gain which the artist will linger lovingly over each gaping cavity, and, by the aid of the delicate steel hook, dally with a tender nerve to while the time away. There is some relief when the washwoman's boy drops in to bring a fresh supply of pumpkins wherewith to smother the profanity that is too apt to come to the surface, in the dentist's chair, especially if the dentist, never dealing in small sums, has nothing smaller than an X with him, and is compelled to visit a neighbor for the change; but even the comfort which this respite brings loses its charms when the victim reflects that these minutes—precious indeed—are just as costly as though the dentist were subjecting him to the most ingenious and exquisite torture.

Railroad, City and County Bonds & Debentures, and Stocks Bought and Sold on Commission.

Deposits received for such periods, and Interest allowed at such rates as may be agreed upon. Each Deposit of $100, or more, GUARANTEED by delivery to the depositor of Bonds or Stocks, as COLLATERAL, EQUAL IN MARKET VALUE TO THE DEPOSIT MADE.

This mode of investing will afford AMPLE SECURITY, and will yield a larger rate of interest than deposits made in the ordinary way, while it will avoid losses that might occur by the sale of securities otherwise held when a part or the whole of the principal may be required for use.

PURELY — CALIFORNIA

DR. WALKER'S — EUREKA

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.
