BRIGGS IN WINNING FORM

Torontos Beat the Newarks in the First Game of the Series By Four Runs to Three.

Providence Lost to Rochester, While Montreal Beat Jersey City —The Records.

Toronto took the first game of the home series with Newark yesterday. Briggs performed in the box for the locals, and had good control and speed. Newark took a spurt in the eighth, when they hit Briggs safely for four hits. Buffalo made many errors and lost their game with Worcester, as a result of which defeat the Torontos are nearer the leaders. Montreal succeeded in defeating Jersey City, while Rochester beat Providence. The record:

Games to-day: Newark at Toronto; Jersey City at Montreal; Providence at Rochester; Worcester at Buffalo.

Toronto 4, Newark 3.

Torontos took the first game of the series with Newark yesterday by 4 runs to 3.

Briggs was in the box for the locals, and had perfect control, with speed to spare, and as a result pitched very effectively. The visitors were unable to solve his delivery until the eighth innings, when he eased up, allowing Newark to hit safely four times in succession and tally a couple of runs. Moriarty was no puzzle to the local batsmen, and but for the bad coaching and base-running the score of the locals would have been much larger. With none out in the third and two men on bases, a double-play was completed, instead of two men scoring. Walsh, the new right fielder from Georgetown, was in the game, and made a good impression, his neat two-bagger being very opportune.

Brennan, Carr and Bannon wielded the willow effectively for Toronto, while Hayward was the best of the Newark bunch.

Bill Massey at first worked in a fast play in the sixth, when he pulled in Devlin's hot grounder back of first, retiring the runner and starting the play that ended in a fast double.

Toronto started in to score in the second, when Downey beat out a bunt, Carr rapped off a neat single to centre, both scoring on a wide throw to first by Moriarty of Briggs' easy grounder, in the third only one run was tallied, altho there should have been three. White, the first man up, landed on the ball safely, and Bannon followed with a corking single, White going to third on the hit. Then Massey put the ball into the right garden, but the coacher held White too long, so that the latter was retired at third, as was Bannon between second and third. Walsh followed with a neat drive for two sacks, but he was left at second, as Downey flied out. Another run was added in the sixth, when Carr singled, stole second, scoring on a hit by Brennan.

Newark registered a run in the second, when Schrall, who fanned, but reached his base on Toft's muff of the third strike, scored later on a single by Jope. Two more runs were added in the eighth on a three-bagger to the fence by Moriarty and singles in succession by Hayward, Devlin and Drauby.

Busy Patsy Powers.

President Pat Powers of the Eastern League arrived in the city yesterday morning from Niagara Falls, and registered at the Queen's Hotel. Mr. Powers will leave this afternoon for Montreal, and from there will leave for New York. The president occupied a box at the ball game yesterday between Newark and Toronto. Two meetings were held at the Falls, including special sessions of the National Association of Baseball Leagues and a special committee of the Eastern League. Mr. Powers is president of the former association, and in session with him were Mr. J. H. Farrell, president of the New York State League, and Mr. W. H. Sexton, president of the Western League. The three reaffirmed the $1000 fine on contract-jumpers, and decided that the latter should be placed on the blacklist, and each club must furnish a list of such players. The Eastern League will still fight the American Association.

The following telegram was despatched to New York to the meeting of the Players' Protective Association:

"Thomas P. Daly, president Players' Protective Association: The officers of the National Association of Baseball Leagues, in session here, extend greeting, and express willingness to co-operate with your association upon any reasonable basis that will tend to promote the best interests of baseball. (Signed) P. J. Powers (president), J. H. Farrell (secretary), M. H. Sexton (treasurer)."

There was also a meeting of the special committee of the Eastern League, consisting of Messrs. Powers, Mack (Toronto), Cressy (Providence) and Judge Niven (Jersey City). The meeting instructed and empowered Judge Niven to draw up two sets of papers, the first to make the Eastern League an incorporated body, and the second to provide a sinking fund. Copies of these papers will be presented to the several clubs, and an expression of their views asked for.

President Powers announced that Sharkey would leave for Montreal, while Kelly will umpire here to-day. Umpire Rinn has been let go.

Mike Walsh of Georgetown University, who has been playing with Woonsocket, joined the Torontos yesterday, and played in right field.

The Eurekas journeyed to Eglinton on Saturday and defeated the home team in a six-innings game by 17—7. Batteries—winners, Barber and Holly. The features of the game were Barber's pitching and the batting of Holly.

The games for next Saturday in the Sunlight Park League are: Royal Canadians v. Strathconas, and Wellesleys v. St. Clement's. Last Saturday the Royals won from the Wellesleys by 11 to 2, the feature being Capps' three-base hit. Batteries—Storey and Smith, Walker and Tolley. EASY FOR ENGLISH EXPERTS.

Doherty Brothers Show Great Form in Opening Tennis Games.

Longwood, Mass., July 28.—The ease with which the two English players, H. L. and R. F. Doherty, won their three matches in the opening rounds of the Longwood tennis tournament proved not only the features of the day's sport, but, to the minds of many experts, seriously jeopardizes the safety of the Davis International Cup, to lift which is the special mission of these two visitors and Dr. Pim, who is expected this week.

The elder of the brothers, H. L. Doherty, played two matches against well-tried Americans, meeting H. K. Hackett of New York in the morning and R. C. Seaver in the afternoon. In each the Englishman allowed his opponent the first set, and then, having taken the Americans' measure, captured the next three without much apparent effort.

The result of these matches, however, caused little surprise, but the crowd that gathered in the afternoon was astonished at the poor showing one of the foremost American players, Beals C. Wright, made against R. F. Doherty. Merely swaying back and forth on the base line, the English player kept Wright running about the court until he exhausted himself. The result was a win in straight sets, and, as the other players left the tournament, with the exception of M. D. Whitman, the former American champion, are rated below Wright, it looks as if the two brothers might play each other for the honor of meeting William A. Larned for the Longwood Cup.

In the afternoon the R. F. Doherty-Wright match proved almost a fizzle, Wright, nervous and erratic, was no match for the Englishman, and, altho all three sets went to 10 games, only eight of them was deuce-reached. The total points were: Doherty 102, Wright 83.

There are three Ontario entries for the Province of Quebec tennis championship, namely, Messrs. Paterson, Bissell and McLaughlin.

Closing Week at Brighton.

New York, July 28.—With the Brighton Beach race meeting brought to a conclusion next Saturday, there will be no more opportunities for New York City racegoers to personally see the gallopers run for about four weeks, unless they go to Saratoga, where what is expected to be a great season will begin on Monday, Aug. 4, and will continue to Thursday, Aug. 28.

On Tuesday the Winged Foot Handicap, for 2-year-olds, 5½ furlongs, the stake to be worth about $3000, will be the chief event. The Islip Handicap, for 3-year-olds and upward, 1⅛ miles, worth about $2500, will be a good race. The second part of the Produce Stake, for fillies, will be run on Thursday. A much larger field will go to the post than the three who ran in the first part of this stake, won by Clarence H. Mackay's Mexican. Eugenia Burch, Gold Money, Duster, Stamping Ground, Kentucky Rose, Mamie Worth and Pride of Galore will probably be the starters, and the first three alone will furnish a cracking good race.

The Brighton Junior Stakes, of $10,000, and the Brighton Derby, of the same amount, will attract to the course a very large attendance on the closing day, Saturday, Aug. 2. Huntsman is entitled to 20 pounds allowance for the Brighton Junior. Prediction, Rigodon, Whitechapel and Dalesman all represent the Messrs. Keene, while such winners as Lord Cosgrave, Mizzen, Irish Lad, Woodlake and Artris also are engaged, but only the latter two may run. Major Daingerfield, Homestead, Hyphen, Old England, Leonid, Sun Shower, De Reszke and Gold Cure may run in the Brighton Derby.

Gold Heels Out of Races.

New York, July 28.—Gold Heels, the horse of the year, and winner of the Suburban and Brighton Handicaps and Brighton Cup, has broken down, and will not fulfil the remainder of his engagements this season. After his easy win in the Brighton Cup race on Saturday, the great horse pulled up very lame. It was thought at the time by his trainer, Matt Allen, that this was due to a kick received in the race thru Jockey Odom checking his stride in the early part of the race. Allen thought then that the injury might not be serious. An examination was made yesterday, but the exact location of the trouble could not be found, tho it is still thought by the trainer that Gold Heels is simply suffering from a bruise. After the examination General McLewee and James Brady, the owners of the horse, decided that it would be better to allow the great colt a rest, so that he may have every chance to recover. The horse will, therefore, be scratched from his future engagements, which include the Saratoga Handicap.

Stakes at Chicago.

Chicago, July 28.—The first week of the meeting of the Chicago Jockey Club ended on Saturday in a manner satisfactory to all admirers of thorobred sport. The stake features at Harlem for the present week are: The Emerald Handicap, short steeplechase course, $1000 added; the Test Stakes, for 2-year-olds, 5½ furlongs, $1000 added, and the Superior Handicap, for 3-year-olds and upward, at 1½ miles, with $2500 added.

This last-named event will be run Saturday, and most of the best horses in the West are entered in it, including Aladdin, Wyeth, Argregor, Schtillant, Fancy Man, Artena, Flying Torpedo, Lucien Appleby, McChesney and Six Shooter. If the weather remains good, McChesney, who has been going nicely of late, may be a starter in this race.

The stakes of the Chicago Jockey Club, that closed recently, were liberally subscribed to for midsummer events. The Olympia Stakes received 65 entries, the Autumn Handicap 63; the Speculation Handicap, for 3-year-olds and upward, 74; the Fleetwood Handicap, for all ages, at six furlongs, 75; the Iroquois, for 3-year-olds, at a mile, 49; the Midsummer Stakes, for 2-year-olds, at six furlongs, 50; the Test Stakes, for 2-year-olds, non-winners of a stake, 5½ furlongs, 71; the Endurance Handicap, for 2-year-olds, at seven furlongs, 58; the Emerald Steeplechase Handicap, 29, and the Emulation Steeplechase Handicap 31.

CIRCUIT HORSES AT COLUMBUS.

Two Races Decided on Opening Day, Pace Postponed.

Columbus, O., July 28.—The Grand Circuit meeting opened here to-day with all conditions favorable for a successful week of trotting and pacing. The weather was warm and delightful until a hard storm blew up and drenched the track so thoroly that the 2.09 pace, in which three heats had been decided, had to be postponed until to-morrow. Before the storm the track was lightning fast, and every heat winner lowered his mark.

Directum Spier, Henri Schmulback's 4-year-old stallion, was picked to win the 2.30-trot, selling in the auctions at $50 to $16 for the field of three. The field price was reduced to $7 after the first heat, and many of the pools were sold at that figure. The son of Directum justified the confidence of his backers by leading from wire to wire in both heats, reducing his record in the second from 2.13½ made in his first start at Cleveland last week, to 2.11¼. Darwin fought him out in each heat, but was always a length behind at the finish.

The 2.09-pace, the feature of the opening day, was postponed after Fred S. Wedgewood had taken the first two heats and Capt. Sphinx the third. Dan R. and Daphne Dallas sold equal favorites before the race, each bringing $50 in a pool of $125. Dan R. could not catch Wedgewood in the first heat, and Daphne Dallas was unable to land the second or third, for both of which she wasd river hard. The 2.18-pace was a gift to Miss Leach, the favorite, at $20 to $25 for a field of three. Summary:

Rosedale Lost at Mimico.

The Rosedale Cricket Club visited Mimico Asylum yesterday to play a return match. They won the toss and went to bat, making 92 runs on a bowler's wicket. The first five wickets of the Asylum fell for 27, and it looked like a win for the visitors, but Whitaker got his eye on the ball and kept them busy out in the country, making 56, not out.
